## 4. SETUP GUIDE

### 4.1 Initial Charging

Before first use, fully charge your Fastrack Limitless XR1 Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power adapter (not included).

### 4.2 Pairing with Fastrack Smart World App

To unlock the full potential of your smartwatch, download and install the Fastrack Smart World App on your smartphone (available on Android and iOS app stores).

1. Ensure your watch is charged and powered on.
2. Enable Bluetooth on your smartphone.

3. Open the Fastrack Smart World App and follow the on-screen instructions to create an account or log in.
4. Select 'Add Device' or 'Pair New Device' within the app.
5. Select 'Fastrack Limitless XR1' from the list of available devices.
6. Confirm the pairing request on both your watch and smartphone.

## 5. OPERATING YOUR SMART WATCH

### 5.1 Display and Navigation

The 1.38" HD display offers clear visuals. Navigate through menus by swiping left, right, up, or down. The side button typically serves as a power/home button or a back button, depending on the context.

## 5.2 SingleSync BT Calling

With SingleSync BT Calling, you can make and receive calls directly from your watch. Ensure your watch is paired via Bluetooth to your smartphone.

- **Making Calls:** Access the dial pad or contacts list on your watch to initiate a call.
- **Receiving Calls:** When a call comes in, you can answer or reject it directly from your watch.
- **Favorite Contacts:** Store frequently called numbers for quick access.
- **Quick Replies (Android):** Send pre-set quick replies to incoming messages or calls.

## 5.3 AI Voice Assistant

Activate the AI Voice Assistant on your watch to perform tasks using voice commands, such as setting alarms, checking weather, or initiating calls. Refer to the Quick Start Guide for specific activation methods.

## 5.4 Sports Modes

The watch supports over 100 sports modes. Select your desired activity from the sports mode menu to track your performance, including duration, heart rate, and calories burned.

## 5.5 Other Handy Features

Your Fastrack Limitless XR1 includes several convenient tools:

- **Built-In Games:** Enjoy casual games directly on your watch.
- **Calculator:** Perform basic calculations on the go.
- **Music Control:** Control music playback on your paired smartphone.
- **Camera Control:** Remotely trigger your smartphone's camera shutter.

Figure 5.4: Versatile companion with built-in games, AI voice assistant, and calculator.

## 6. HEALTH MONITORING

---

The Fastrack Limitless XR1 provides comprehensive health tracking features:

- **24x7 Heart Rate Monitoring (HRM):** Continuously tracks your heart rate throughout the day.
- **SpO2 Monitoring:** Measures your blood oxygen saturation levels.
- **Stress Monitor:** Helps you understand and manage your stress levels.
- **Sleep Monitor with REM Sleep:** Analyzes your sleep patterns, including light, deep, and REM sleep stages.
- **Breathing Exercise:** Guided breathing exercises to help you relax and reduce stress.
- **Women's Health:** Provides tracking and insights related to women's health cycles.

For detailed insights and historical data, refer to the Fastrack Smart World App.

## 7. MAINTENANCE

---

### 7.1 Water Resistance (IP68)

The Fastrack Limitless XR1 Smart Watch is IP68 water-resistant, meaning it is protected against dust ingress and can withstand immersion in water up to 1.5 meters for up to 30 minutes. It is suitable for daily use and light water activities like hand washing or rain exposure. Avoid using it during swimming, diving, or in hot water/steam environments (e.g., showers, saunas) as this may compromise the seal.

### 7.2 Cleaning Your Watch

To maintain your watch's appearance and functionality:

- Wipe the screen and body with a soft, lint-free cloth.
- For stubborn stains, dampen the cloth slightly with water.
- Clean the charging contacts regularly to ensure proper charging.
- Avoid using harsh chemicals, abrasive cleaners, or solvents.

## 8. TROUBLESHOOTING

---

If you encounter issues with your Fastrack Limitless XR1 Smart Watch, try the following common troubleshooting steps:

- **Watch Not Turning On:** Ensure the watch is fully charged. Connect it to the magnetic charging cable and a power source.
- **Cannot Pair with Phone:**
  - Ensure Bluetooth is enabled on your phone.
  - Make sure the watch is within Bluetooth range of your phone.
  - Restart both your watch and smartphone.
  - Clear Bluetooth cache on your phone (Android).
  - Try unpairing and re-pairing the device in the Fastrack Smart World App.
- **Inaccurate Health Data:** Ensure the watch is worn snugly on your wrist, about one finger's width above the wrist bone. Keep the sensor clean.
- **Short Battery Life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring if not needed.
- **App Not Syncing Data:** Ensure your phone has an active internet connection. Close and reopen the Fastrack Smart World App.

If the issue persists, please contact customer support for further assistance.

## 9. SPECIFICATIONS

---

Feature	Specification
