Homary GY-J040528

Homary Smart LED Nightstand Instruction Manual

Model: GY-J040528 | Brand: Homary

INTRODUCTION

Thank you for choosing the Homary Smart LED Nightstand. This manual provides detailed instructions for the safe and efficient use of your new nightstand. Please read this manual thoroughly before assembly and operation, and retain it for future reference.

SAFETY INFORMATION

- **Stability:** Ensure the nightstand is placed on a flat, stable surface to prevent tipping.
- **Weight Limit:** Do not exceed the maximum recommended weight of 19.8 Kilograms (43.6 lbs) on the tabletop.
- **Electrical Safety:** Only use the provided power adapter for the charging station. Do not expose the charging components to water or excessive humidity.
- **Children and Pets:** Keep small children and pets away from the nightstand during assembly. Do not allow children to climb on or play with the nightstand.
- **Cleaning:** Disconnect power before cleaning. Use a soft, dry cloth for cleaning. Avoid harsh chemicals.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact Homary customer service.

- Homary Smart LED Nightstand Unit (1)
- Power Adapter for Charging Station (1)
- Assembly Hardware (Screws, Allen wrench, etc.)
- Instruction Manual (This document)

SETUP AND ASSEMBLY

The Homary Smart LED Nightstand is designed for easy assembly. Follow these steps carefully.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
- 2. Identify Parts:** Refer to the included parts diagram (if available) to identify each component.
- 3. Assemble Base (if separate):** Attach the base to the main nightstand body using the provided screws and tools. Ensure all connections are secure.
- 4. Install Drawers:** Insert the drawers into their respective slots. Ensure they slide smoothly on the rails.
- 5. Connect Power:** Locate the power input for the charging station, typically at the back or underside of the nightstand. Connect the power adapter.
- 6. Position Nightstand:** Place the assembled nightstand in its desired location, ensuring it is on a flat and stable surface.

OPERATING INSTRUCTIONS

Charging Station

The nightstand features a multi-functional charging station for your devices.

- **Wireless Charging:** Place your Qi-compatible device (e.g., smartphone) on the designated wireless charging pad on the tabletop. Ensure the device is centered for optimal charging. A charging indicator (if present) will illuminate.
- **USB Ports:** Connect your devices using standard USB-A or USB-C cables to the respective ports.
- **Power Supply:** Ensure the nightstand's power adapter is securely plugged into a wall outlet for the charging features to function.

Image: Wireless and wired charging capabilities. This image demonstrates a smartphone charging wirelessly on the nightstand surface, alongside icons indicating the presence of USB and Type-C charging ports.

LED Light

The integrated LED light offers adjustable brightness.

- **Activation:** Locate the touch sensor or button for the LED light, typically on the tabletop or side.
- **Brightness Adjustment:** Tap or hold the sensor/button to cycle through brightness levels or to turn the light on/off.

Drawers

The nightstand features two spacious drawers for storage.

- **Opening/Closing:** Gently pull or push the drawers to open and close them. The smooth glides ensure quiet operation.
- **Storage Capacity:** Utilize the drawers to store personal items, books, or other bedside essentials.

Image: Ample storage space with two drawers. This image displays the nightstand with both drawers open, revealing sufficient space for various items like books, glasses, and writing tools.

MAINTENANCE

Proper care will ensure the longevity and appearance of your nightstand.

- **Cleaning the Surface:** Wipe the faux leather surface with a soft, damp cloth. For tougher stains, use a mild soap solution and immediately wipe dry. Avoid abrasive cleaners or solvents.
- **Dusting:** Regularly dust the nightstand with a dry, soft cloth.
- **Drawer Rails:** Periodically check drawer rails for debris and clean if necessary to maintain smooth operation.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the material.
- **Spills:** Clean up spills immediately to prevent staining.

Premium Faux Leather Finish

TROUBLESHOOTING

Problem	Possible Cause	Solution
Charging station not working.	Power adapter not connected or loose. Device not Qi-compatible or misaligned.	Ensure the power adapter is securely plugged into the nightstand and a working wall outlet. Reposition the device on the wireless charging pad. Verify device compatibility.
LED light not turning on.	Power not connected. Sensor malfunction.	Check power connection. Try tapping the sensor multiple times or holding it for a few seconds.
Drawers are stiff or noisy.	Debris in drawer rails. Rails need lubrication.	Remove drawers and clean rails. Apply a small amount of silicone lubricant to the rails if necessary.

Problem	Possible Cause	Solution
Nightstand feels unstable.	Not on a flat surface. Loose assembly screws.	Move to a flat, level surface. Check and tighten all assembly screws.

SPECIFICATIONS
