Furnulem ET-109

Furnulem Tall Nightstand (Model ET-109) User Manual

Brand: Furnulem

INTRODUCTION

Thank you for choosing the Furnulem Tall Nightstand, Model ET-109. This versatile furniture piece is designed to enhance your bedroom, dorm, or office space with its integrated LED lighting, convenient charging station, and ample storage. This manual provides essential information for safe assembly, operation, and maintenance of your new nightstand.

SAFETY INFORMATION

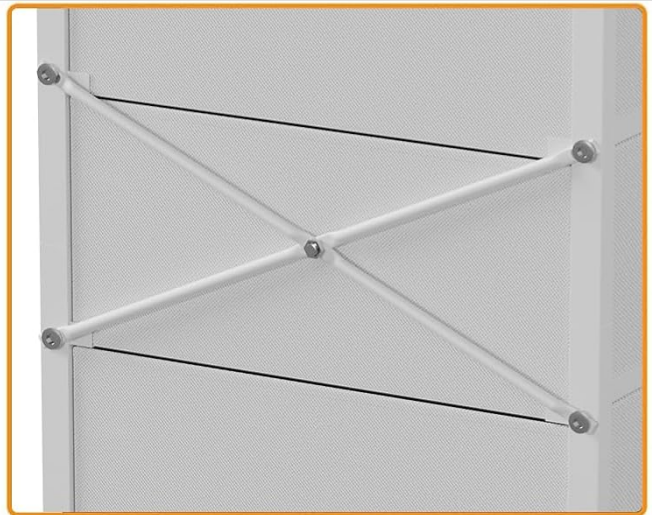

Please read and understand all safety instructions before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tip Device:** Always use the anti-tip device during assembly and installation to prevent the nightstand from tipping over. This is crucial for safety, especially in households with children or pets.
- **Weight Capacity:** Do not overload the table with more weight than it can safely hold. The shelf can hold up to 20 lbs, the tabletop up to 50 lbs, and each drawer up to 10 lbs. Exceeding these limits may cause structural failure.
- **Stability:** Always ensure the nightstand is stable and secure before use. Adjust the feet as necessary to ensure it sits level on uneven surfaces.
- **Electrical Safety:** Ensure the charging station is properly connected to a suitable power outlet. Do not use damaged cords or plugs. Avoid exposing the charging station to moisture.

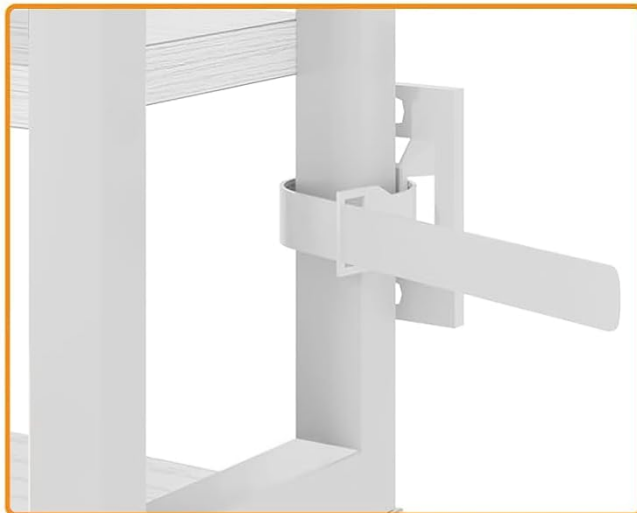

- **Assembly:** Assemble the product on a soft, clean surface to prevent scratches. Keep small parts away from children during assembly.

ASSEMBLY INSTRUCTIONS

The Furnulem Tall Nightstand is designed for straightforward assembly. All parts are labeled, and a detailed instruction guide is included in the package. Please follow the steps carefully.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface. Match each part to the corresponding label in the instruction manual.
2. **Assemble Frame:** Begin by assembling the metal frame according to the provided diagrams. Ensure all screws are tightened securely but do not overtighten.
3. **Install Shelves:** Attach the wooden shelves to the frame. The charging station can be positioned in various locations on the upper shelves for flexibility.
4. **Insert Drawers:** Fold and insert the fabric drawers into their designated slots.
5. **Attach LED Strip:** Apply the LED light strip to the desired location on the shelves. Ensure the surface is clean and dry for optimal adhesion.
6. **Install Anti-Tip Kit:** Securely attach the anti-tip device to the back of the nightstand and to the wall, following the specific instructions in the manual.
7. **Adjust Feet:** Adjust the height of the adjustable feet to ensure the nightstand is level and stable on your floor.

OPERATING INSTRUCTIONS

LED Lights

The integrated LED lights offer customizable ambiance for your space.

- **Color and Brightness:** The LED strip supports 7 adjustable colors and brightness levels.
- **Control Modes:** Control the lights using either the included key switch or a mobile application. Refer to the specific instructions in your package for app download and pairing.

Charging Station

The nightstand features a built-in charging station for your electronic devices.

- **Power Outlets:** Equipped with 2 standard AC sockets (120V/12A).
- **USB Ports:** Includes 2 USB ports (5V/12A) for charging smaller devices.
- **Power Cord:** A 6.5 ft long power cord provides flexibility in placement.
- **Usage:** Simply plug the nightstand's power cord into a wall outlet, then connect your devices to the AC sockets or USB ports.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Furnulem Tall Nightstand.

- **Cleaning:** Wipe the metal frame and wooden shelves with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a damp cloth and mild detergent if necessary. Allow to air dry completely.
- **Electrical Components:** Keep the charging station and LED lights dry. Do not immerse in water or spray directly with cleaning solutions.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

TROUBLESHOOTING

If you encounter issues with your nightstand, refer to the following common solutions:

- **LED Lights Not Working:**
 - Ensure the nightstand is plugged into a functional power outlet.
 - Check the connection of the LED strip to the power source.
 - If using the app, ensure Bluetooth is enabled on your device and the app is properly paired with the lights.

- **LED Strip Not Adhering:**

- Ensure the surface where the strip is applied is clean, dry, and free of dust or oils.
- Apply firm pressure along the entire length of the strip during installation.
- If adhesion remains an issue, consider using additional adhesive tape (not included) for reinforcement.

- **Charging Station Not Providing Power:**

- Verify the nightstand's main power cord is securely plugged into a live wall outlet.
- Test the wall outlet with another device to confirm it is working.
- Ensure your device's charging cable is fully inserted into the USB port or AC socket.

- **Nightstand Feels Unstable:**

- Check that all assembly screws are tightened.
- Adjust the leveling feet on the bottom of the nightstand to compensate for uneven flooring.
- Ensure the anti-tip device is correctly installed and secured to the wall.

If these steps do not resolve the issue, please contact Furnulem customer support for further assistance.
