Key Features:

- **Fast Charging:** Supports fast charging for Apple Watch Series 7 and later (0-80% in approximately 45 minutes) and Apple Watch Ultra 1 and 2 (up to 5W).
- **MFi-Certified:** Ensures compatibility and safe operation with all Apple Watch models.
- **USB-C Compatibility:** Connects to MacBook, iPhone 16 Series, power banks, and wall chargers with a USB-C port.
- **Compact and Portable:** Lightweight design for easy travel and storage.
- **Sustainable Materials:** Made with 75% post-consumer recycled materials and 100% plastic-free packaging.

SETUP

Follow these steps to set up your Belkin BoostCharge Portable USB-C Apple Watch Charger:

1. **Unpack the Charger:** Remove the BoostCharge Portable USB-C Apple Watch Charger from its packaging.
2. **Connect to a Power Source:** Insert the USB-C connector of the charger into a compatible USB-C port on a device such as a MacBook, iPhone 16 Series, power bank, or a USB-C wall charger.
3. **Place Your Apple Watch:** Position your Apple Watch onto the magnetic charging puck. Ensure the watch is centered and securely attached to initiate charging.

Delivers fast charging
from 0-80% in 45 minutes*

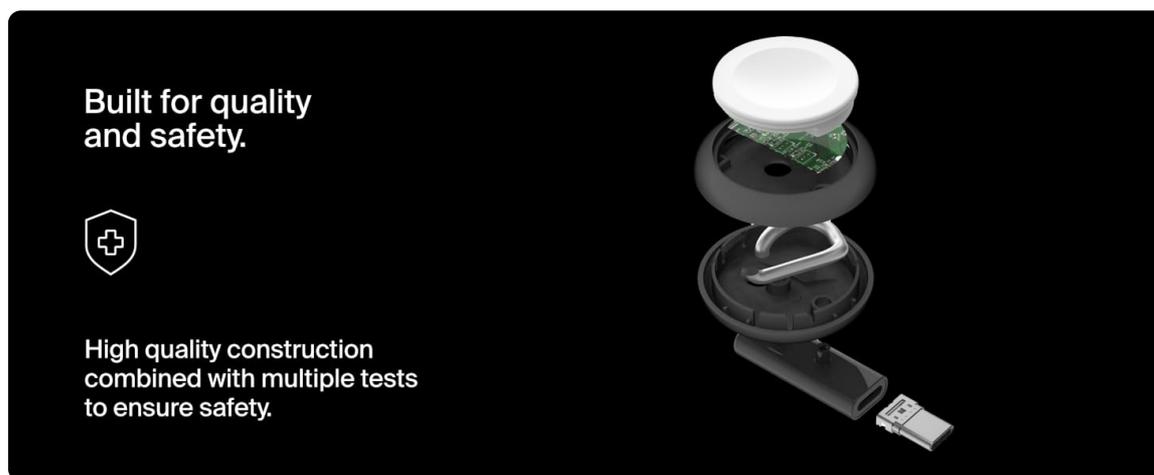

*In internal testing, charges Apple Watch Series 9 from 0-80% in 45 minutes. Actual results will vary depending on varying factors, including device age, model and usage environment for individual users.

OPERATING INSTRUCTIONS

The Belkin BoostCharge Portable USB-C Apple Watch Charger is designed for simple and efficient operation.

- **Automatic Charging:** Once connected to a power source and your Apple Watch is placed on the puck, charging will begin automatically. The Apple Watch display will indicate charging status.
- **Fast Charging Indication:** For Apple Watch Series 7 and later, and Apple Watch Ultra models, the charger will deliver fast charging. The watch display will show a green lightning bolt icon to confirm fast charging is active.
- **Portability:** The compact design allows for easy use on the go. Simply plug it into any available USB-C port for charging your Apple Watch.

**Built for quality
and safety.**

**High quality construction
combined with multiple tests
to ensure safety.**

MAINTENANCE

To ensure the longevity and optimal performance of your Belkin BoostCharge Portable USB-C Apple Watch Charger, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the surface of the charger. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the charger in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Avoid dropping the charger or subjecting it to strong impacts, as this may damage internal components.
- **Cable Care:** If using an external USB-C cable (not included with the charger itself, but a 5ft/1.5M cable is included in the box for power delivery), ensure it is not bent sharply or tangled, which can cause damage.

TROUBLESHOOTING

If you encounter issues with your Belkin BoostCharge Portable USB-C Apple Watch Charger, refer to the following common troubleshooting steps:

- **Watch Not Charging:**
 - Ensure the USB-C connector is fully inserted into a working power source.
 - Verify that the Apple Watch is correctly positioned on the magnetic charging puck.
 - Try a different USB-C port or power source to rule out an issue with the power supply.
 - Check if the Apple Watch is experiencing a software issue by restarting it.
- **Slow Charging:**
 - Ensure your power source provides sufficient power output (e.g., a wall adapter designed for fast charging).
 - Confirm your Apple Watch model supports fast charging (Series 7 and later, Ultra 1 and 2).
- **Charger Overheating:**
 - It is normal for the charger to become slightly warm during use. If it becomes excessively hot, disconnect it immediately and contact support.
 - Ensure the charger is not covered or placed in an area with poor ventilation during use.

SPECIFICATIONS

Product Dimensions	1.3 x 7.75 x 0.42 inches
Item Weight	1.76 ounces
Model Number	WIZ022gIBK-B1
Connectivity Technology	USB
Connector Type	USB Type C
Input Voltage	5 Volts
Amperage	1 Amps
Compatible Devices	Apple Watch Series 1-9, Apple Watch SE, Apple Watch Ultra, Apple Watch Ultra 2, iPhone 16 Series, MacBook, Power Banks, Wall Chargers
Included Components	1 x BoostCharge Portable USB-C Apple Watch Charger, 1 x 5ft/1.5M cable
