## DOOGEE T30MAX

# DOOGEE T30 MAX Android Tablet User Manual

**MODEL: T30MAX**

Brand: DOOGEE

## 1. INTRODUCTION

This manual provides essential information for setting up, operating, and maintaining your DOOGEE T30 MAX Android Tablet. Please read through these instructions carefully to ensure optimal performance and longevity of your device.

The DOOGEE T30 MAX is a high-performance Android 14 tablet featuring a 12.4-inch 2.5K FHD IPS display, powered by a MediaTek Helio G99 Octa-Core processor. It includes 20GB RAM (expandable), 512GB ROM (expandable up to 2TB), 50MP AI dual rear cameras, a 20MP front camera, Dual SIM 4G LTE connectivity, and a large 10800mAh battery with 33W fast charging.

## 2. WHAT'S IN THE Box

Upon opening your DOOGEE T30 MAX package, you should find the following items:

- DOOGEE T30 MAX Tablet x1
- Charger x1
- Data line x1
- Card removal needle x1
- User Manual x1
- Anti-explosion film x1
- Business leather case x1

**Video Description:** This video provides an unboxing experience for the DOOGEE T30 MAX tablet, showcasing the tablet and

its included accessories such as the charger, data cable, and user manual.

## 3. SETUP

### 3.1. Initial Charging

Before first use, fully charge your DOOGEE T30 MAX tablet using the provided 33W PD fast charger and data line. The battery indicator on the screen will show charging progress.

**Image Description:** An illustration showing the DOOGEE T30 MAX tablet being charged, highlighting its 10800mAh battery and 33W fast charging capability.

### 3.2. SIM Card and TF Card Installation

Your DOOGEE T30 MAX supports Dual SIM 4G LTE and expandable storage via a TF (MicroSD) card. Use the provided card removal needle to open the SIM/TF card tray.

1. Locate the SIM/TF card tray on the side of the tablet.
2. Insert the card removal needle into the small hole next to the tray and gently push until the tray ejects.
3. Place your Nano-SIM cards and/or TF card into the designated slots on the tray, ensuring correct orientation.
4. Carefully reinser the tray into the tablet until it clicks into place.

### 3.3. Power On/Off

To power on, press and hold the Power button until the DOOGEE logo appears. To power off, press and hold the Power button, then select 'Power off' from the options.

## 4. OPERATING INSTRUCTIONS

### 4.1. Display Features

Experience stunning visuals on the 12.4-inch 2.5K FHD IPS display with a maximum 4K screen resolution. The

tablet supports Widevine L1 for high-definition streaming content from platforms like Netflix and YouTube. It also features chip-level blue light control and natural brightness adjustment for eye comfort.

**Image Description:** A close-up view of the DOOGEE T30 MAX tablet's side, indicating the location of the fingerprint recognition sensor.

### 4.7. Stylus Support

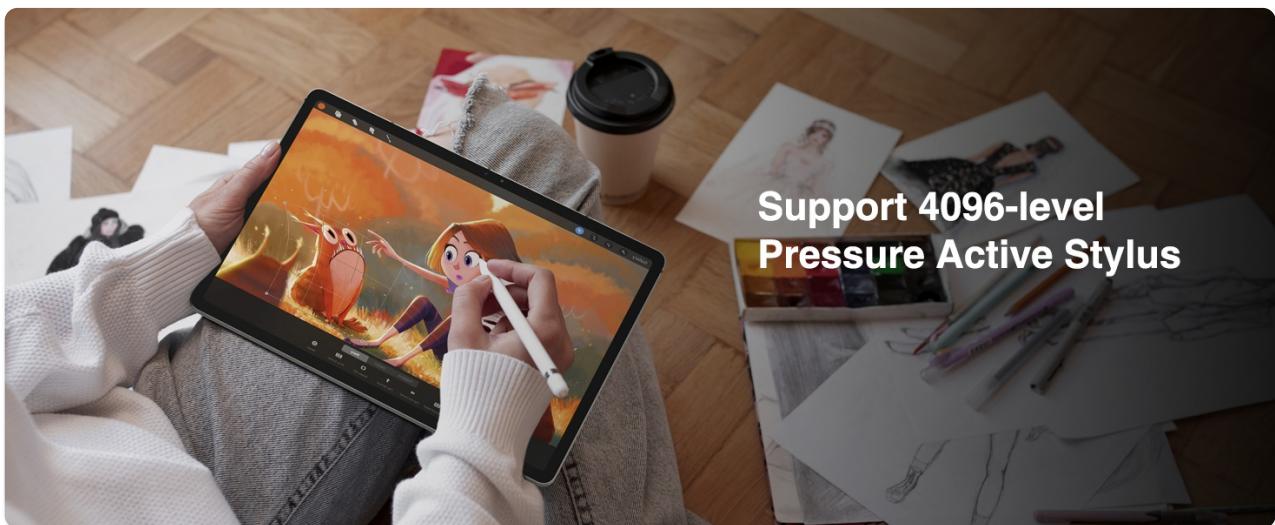

The DOOGEE T30 MAX supports a 4096-level Pressure Active Stylus (not included), enhancing your creativity for drawing, note-taking, and precise interactions.

**Image Description:** An image showcasing the versatility of the DOOGEE T30 MAX, illustrating its use with a stylus for creative tasks and its ability to function like a PC with an external keyboard.

## 4.8. Android 14 Operating System

The tablet runs on the latest Android 14 OS, offering a smarter, safer, and faster user experience with enhanced privacy features and improved multitasking capabilities.

**Image Description:** An image displaying the Android 14 interface on the DOOGEE T30 MAX, highlighting features like Smarter AI, Stronger Security, Richer Multitasking, and GMS Certification.

## 5. MAINTENANCE

### 5.1. Battery Care

To prolong battery life, use only the original 33W PD fast charger. Avoid exposing the tablet to extreme temperatures. For optimal performance, keep the battery charge between 20% and 80% when possible.

### 5.2. Cleaning and Storage

Clean the screen with a soft, lint-free cloth. Avoid using harsh chemicals. Store the tablet in a cool, dry place away from direct sunlight and moisture.

## 6. TROUBLESHOOTING

### 6.1. Device Not Powering On

- Ensure the battery is sufficiently charged. Connect the tablet to the charger for at least 30 minutes.
- Press and hold the Power button for 10-15 seconds to perform a forced restart.

### 6.2. Screen Unresponsive

- Restart the tablet.
- Ensure the screen is clean and free from moisture or debris.

### 6.3. Connectivity Issues

- For Wi-Fi issues, restart your router and the tablet.
- For 4G LTE issues, ensure your SIM card is correctly inserted and your mobile data plan is active. Try restarting the tablet.
- For Bluetooth issues, ensure the device you are trying to connect to is in pairing mode and within range.

If problems persist, please refer to the Warranty & Support section for further assistance.

## 7. SPECIFICATIONS
