## Lexon Romino Aroma Diffuser User Manual

Model: LH89

### PRODUCT OVERVIEW

Introducing Romino, your portable aromatherapy companion designed to transform any space into a sanctuary of tranquility, whether you're on the go or nestled at home. Designed for the modern explorer, Romino combines cutting-edge technology with a sleek design, allowing you to enjoy aromatherapy wherever you are.

With its elegant design, Romino is perfect for travel, easily slipping into your bag or pocket. Its built-in rechargeable battery offers up to 8 hours of uninterrupted aromatherapy, enhanced by a thoughtful 2-hour automatic shut-off program, freeing you from cumbersome cables and bulky devices. Discover the power of aromatherapy without water or plugs. Romino's innovative waterless technology simplifies the process, allowing you to enjoy your favorite scents effortlessly. Simply lift the lid, add a few drops of your favorite essential oils to the cotton pad, and savor the soothing aroma as it envelops your senses. The Romino chimney nozzle disperses a gentle mist, creating a haven of well-being wherever you are. Crafted from refined aluminum, it blends seamlessly into any environment.

### KEY FEATURES

- **Portable and Waterless Design:** Enjoy essential oil aromatherapy anywhere without the need for water or cumbersome setup.

- **Long Battery Life:** Up to 8 hours of continuous aromatherapy on a single charge.
- **Automatic Shut-off:** Features a 2-hour automatic shut-off program for safety and convenience.
- **USB-C Rechargeable:** Easily recharge the device using the included USB-C cable.
- **Simple Operation:** Just lift the lid, add essential oils to the cotton pad, and enjoy.
- **Durable Construction:** Crafted from refined aluminum for a sleek and robust design.

## SETUP

---

1. **Unpack the Device:** Carefully remove the Lexon Romino diffuser and all accessories from its packaging.
2. **Initial Charge:** Before first use, fully charge the device using the provided USB-C cable. Connect the cable to the diffuser's USB-C port and plug the other end into a compatible USB power adapter (not included). The charging indicator will show when charging is complete.
3. **Prepare the Cotton Pad:** The diffuser comes with a pre-installed cotton pad. Ensure it is properly seated in its compartment.

## OPERATING INSTRUCTIONS

---

1. **Access the Cotton Pad:** Gently lift the top cover of the Romino diffuser to reveal the cotton pad compartment.
2. **Add Essential Oils:** Apply a few drops (typically 3-5 drops, adjust to preference) of your preferred pure essential oil directly onto the cotton pad. Do not over-saturate the pad.
3. **Start Diffusion:** Replace the top cover securely. The diffuser will automatically begin to disperse the aroma.
4. **Automatic Shut-off:** The diffuser is designed to operate for 2 hours and then automatically shut off to conserve battery and essential oils. To restart, simply lift and replace the lid again.
5. **Turning Off Manually:** To stop diffusion before the 2-hour cycle ends, simply lift the lid and leave it open, or store the device in its packaging.

## MAINTENANCE

- **Cleaning the Cotton Pad:** The cotton pad can be used with various essential oils. If you wish to switch scents or if the pad becomes saturated, it is recommended to replace it. Replacement cotton pads can be purchased separately.
- **Cleaning the Exterior:** Wipe the exterior of the diffuser with a soft, dry cloth. Do not use abrasive cleaners or immerse the device in water.
- **Storage:** When not in use for extended periods, ensure the device is clean and fully charged. Store it in a cool, dry place away from direct sunlight.

## SAFETY WARNINGS

- **Essential Oil Contact:** Avoid direct skin contact with undiluted essential oils. If contact occurs, wash thoroughly with soap and water.
- **Keep Out of Reach:** Keep the diffuser and essential oils out of reach of children and pets. Essential oils can be harmful if ingested.
- **Ventilation:** Ensure proper ventilation when using the diffuser, especially in small or enclosed spaces.
- **Flammable Materials:** Do not place the diffuser near open flames, heat sources, or flammable materials.
- **Water Exposure:** This is a waterless diffuser. Do not add water to the device or immerse it in water.
- **Charging:** Use only the provided USB-C cable for charging. Do not use damaged cables or chargers.
