## LEGO 30678

# LEGO Minions Jetboard 30678 Polybag Instruction Manual

Your guide to assembling and enjoying the LEGO Minions Jetboard.

## 1. PRODUCT OVERVIEW

The LEGO Minions Jetboard 30678 Polybag is a compact building set designed for fans of Minions. This set allows you to construct a Minion figure equipped with a jetboard, frost jet, and wrench, ready for imaginative play. It is a battery-free toy that encourages independent play and problem-solving skills.

## 2. SAFETY INFORMATION

**WARNING: CHOKING HAZARD - Small parts. Not suitable for children under 3 years old. Adult supervision recommended.**

Please ensure all small parts are kept away from young children to prevent choking. This set is recommended for ages 6 and over.

### 3. PACKAGE CONTENTS

---

Before beginning assembly, please verify that all components are present:

- LEGO Building Blocks (48 pieces)
- Instruction Manual

If any pieces are missing or damaged, please contact LEGO Customer Service for assistance.

### 4. ASSEMBLY INSTRUCTIONS

---

Follow the detailed, step-by-step visual instructions provided in the included instruction manual. Each step clearly illustrates which LEGO bricks to use and how to connect them.

1. **Unpack:** Carefully open the polybag and empty all LEGO bricks onto a clean, flat surface.
2. **Sort:** It is helpful to sort the bricks by color and size before you begin to make the assembly process smoother.
3. **Follow Steps:** Refer to the instruction manual for sequential building steps. Pay close attention to the images and the number of studs indicated for each connection.
4. **Build the Minion:** Assemble the Minion figure first, ensuring all parts are securely connected.
5. **Build the Jetboard:** Construct the jetboard, including the frost jet and the attachment points for the Minion.
6. **Combine:** Attach the Minion figure to the completed jetboard.
7. **Final Check:** Once assembled, gently test the connections to ensure the model is sturdy and ready for play.

This set contains 48 pieces and is designed for easy assembly, promoting independent building skills.

### 5. OPERATING AND PLAY FEATURES

---

The LEGO Minions Jetboard is designed for imaginative play. Once assembled, the Minion figure can be positioned on the jetboard, ready for various adventures.

- **Poseable Minion:** The Minion figure may have limited poseability, allowing for dynamic play scenarios.
- **Jetboard Action:** Pretend the Minion is whizzing through the skies or across water on its jetboard.
- **Accessory Play:** Utilize the included wrench accessory for role-playing repair or inventive scenarios.
- **Battery-Free Fun:** This toy is powered entirely by a child's imagination, offering endless creative possibilities without the need for batteries.

### 6. MAINTENANCE

---

To ensure the longevity and cleanliness of your LEGO Minions Jetboard:

- **Cleaning:** Clean LEGO bricks with a mild soap solution and lukewarm water (not exceeding 40°C or 104°F). Rinse thoroughly and air dry. Do not use hot water, harsh chemicals, or abrasive cleaners.
- **Storage:** Store the assembled model and any spare parts in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Handling:** Handle the model with care to avoid accidental disassembly.

## 7. TROUBLESHOOTING

If you encounter any issues during assembly or play:

- **Missing Pieces:** If you find any pieces are missing from your set, please visit the official LEGO Customer Service website to request replacement parts.
- **Difficulty Assembling:** Double-check the instruction manual for the specific step you are on. Ensure you are using the correct pieces and connecting them in the proper orientation. Sometimes, a small error in an earlier step can affect later assembly.
- **Loose Connections:** If parts feel loose, try re-connecting them firmly. LEGO bricks are designed to fit snugly.

## 8. SPECIFICATIONS

Feature	Detail
Brand	LEGO
Model Name	Minions
Model Number	30678
Number of Pieces	48
Age Range	6 years and over
Included Components	Instruction Manual, LEGO Building Blocks
