SETUP INSTRUCTIONS

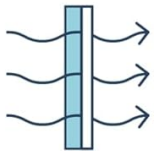

The Snuggle Nest Bassinet features a tool-free setup, allowing for quick and easy assembly. Follow these steps to prepare the bassinet for use:

1. **Unfold the Bassinet:** Remove the bassinet from its carry bag. Gently unfold the frame until it locks into place. Ensure all legs are fully extended and stable.
2. **Secure the Walls:** The rigid, ventilated walls should stand upright. Ensure they are securely positioned to create a safe enclosure for your baby.
3. **Insert Mattress and Sheet:** Place the provided mattress securely into the base of the bassinet. Cover the mattress with the fitted sheet.
4. **Final Check:** Before placing your baby in the bassinet, ensure all components are properly assembled and stable. The bassinet should be placed on a flat, firm surface.

OPERATING INSTRUCTIONS

The Snuggle Nest Bassinet is designed for safe and comfortable use. Adhere to the following guidelines for optimal operation:

- **Placement:** Always place the bassinet on a firm, flat, and stable surface away from hazards such as cords, windows, or heating vents.
- **Supervision:** Always supervise your infant while they are in the bassinet.
- **Age and Weight Limits:** This bassinet is recommended for infants from birth up to 5 months of age, or until the infant begins to push up on hands and knees, whichever comes first. The maximum weight capacity is 20 pounds.
- **Breathability:** The bassinet features comfortable mesh walls that promote excellent air circulation and breathability, ensuring a safe sleeping environment.
- **Safety Certification:** The Snuggle Nest is JPMA certified and designed with a sturdy frame to ensure maximum safety.

MAINTENANCE AND CLEANING

Maintaining the cleanliness of your Snuggle Nest Bassinet is simple, as many components are designed for easy removal and washing:

- **Removable Components:** The bassinet's sheet, mattress, and the entire bassinet cover are designed to be removed for cleaning.
- **Machine Washing:** All fabric components (sheet, mattress cover, bassinet cover) can be machine washed. Use a gentle cycle with cold water and mild detergent. Do not use bleach.
- **Drying:** Air dry all fabric components. Do not tumble dry, as this may cause shrinking or damage.
- **Frame Cleaning:** Wipe down the metal frame and plastic components with a damp cloth and mild soap. Ensure all parts are completely dry before reassembling or storing the bassinet.
- **Regular Inspection:** Periodically inspect the bassinet for any signs of wear, damage, or loose parts. Discontinue use if any damage is found.

TROUBLESHOOTING

If you encounter any issues with your Baby Delight Snuggle Nest Bassinet, please refer to the following common solutions:

- **Bassinet Not Stable:** Ensure all legs are fully extended and locked into place. Check that the bassinet is on a flat, even surface.
- **Difficulty Folding/Unfolding:** Ensure no fabric or foreign objects are obstructing the folding mechanism. Apply gentle, even pressure when folding or unfolding.
- **Fabric Components Not Fitting:** After washing, ensure fabric components are completely dry and have not shrunk. Re-align and re-attach carefully.
- **Unusual Noises:** Inspect the frame for any loose connections or damaged parts. If a part is broken or bent, discontinue use immediately.
