## OPERATING THE ELECTRIC FIREPLACE

The electric fireplace in your TV stand is designed for decorative flame effects only. It does not produce heat.

1. Ensure the TV stand is properly assembled and plugged into a standard electrical outlet.
2. Locate the power switch for the fireplace insert, typically on the unit itself.
3. Flip the switch to the 'ON' position to activate the flame effect.
4. To turn off the flame effect, flip the switch to the 'OFF' position.
