4. SETUP AND ASSEMBLY

This wardrobe requires self-assembly. Follow the detailed step-by-step instructions provided in the separate assembly manual included with your product. Ensure you have adequate space and the necessary tools before starting.

Key Assembly Points:

- **Preparation:** Clear a large, clean, and flat area for assembly. Lay out all components and hardware.
- **Reversible Angle:** The corner configuration of this wardrobe is reversible. Decide on the desired orientation (left or right-hand corner) before starting assembly, as this will affect the placement of certain panels.
- **Panel Orientation:** Pay close attention to the orientation of panels, especially those with pre-drilled holes for hinges or shelves.
- **Door Installation:** Install the 3 hinged doors carefully, ensuring they are properly aligned and open/close smoothly. The handles are made of aluminum.

- **Wall Fixing:** Crucially, secure the wardrobe to the wall using the provided or appropriate wall-fixing hardware. This prevents tipping and ensures stability.

5. OPERATING INSTRUCTIONS

The LISTOWEL corner wardrobe is designed for efficient storage of clothing and linen.

- **Door Operation:** The wardrobe features 3 hinged doors with handle grips for easy opening and closing. Ensure doors are fully closed to protect contents from dust.
- **Storage Compartments:** The interior is equipped with 6 linen shelves and 3 hanging rods. Distribute weight evenly across shelves and hanging rods, respecting the maximum load capacities (6 kg per shelf,

10 kg per rod).

- **Organization:** Utilize the various compartments to organize your belongings effectively. Heavier items should be placed on lower shelves for stability.

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your LISTOWEL wardrobe, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners, solvents, or harsh chemicals, as these can damage the melamine finish.

- **Spills:** Clean up spills immediately to prevent staining or damage to the particle board.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Protect the wardrobe from excessive moisture and direct sunlight, which can cause warping or fading.
- **Hardware:** Periodically check and tighten all screws and fittings to maintain structural integrity.

7. TROUBLESHOOTING

If you encounter any issues with your wardrobe, consider the following common solutions:

- **Wobbly Wardrobe:** Ensure all assembly screws are tightened. Verify that the wardrobe is placed on a level surface. Re-check wall fixings.
- **Doors Not Aligning:** Adjust the hinges on the doors. Most hinges allow for minor adjustments to align doors properly. Refer to the assembly manual for specific hinge adjustment instructions.
- **Drawers/Shelves Sticking:** Check for obstructions. Ensure runners are clean and properly installed. Do not overload shelves.
- **Missing Parts:** If parts were missing upon initial inspection, contact Vente-unique customer support with your purchase details.
