VERFARM Twin Size Bed Frame with LED Lights and Charging Station

VERFARM Twin Size Bed Frame with LED Lights, Storage Headboard, and USB Charging Station User Manual

Model: Twin Size Bed Frame with LED Lights and Charging Station (ASIN: B0D3BPS4TM)

Brand: VERFARM

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Do not exceed a total weight of **1000 lbs (453 kg)** on the bed frame.
- **Assembly:** Ensure all parts are securely fastened before use. Periodically check and tighten all connections.
- **Sharp Edges:** Exercise caution during assembly and handling of metal components to avoid injury from sharp edges.
- **Children:** Keep small parts away from children during assembly. This product is not intended for use by children without adult supervision.
- **Electrical Safety:** Only use the integrated charging station with compatible devices. Do not overload the outlets. Ensure the power cord is not pinched or damaged.

2. PRODUCT FEATURES

- **Upholstered Headboard:** Features a neutral-toned linen fabric, providing comfort and a modern aesthetic.
- **Integrated LED Lights:** Multifunctional RGB LED light strips with remote control and mobile app compatibility for color, brightness, and mode adjustments, including a music sync mode.
- **Charging Station:** Recessed into the headboard, includes 2 USB ports (5V/2A) and 2 AC outlets

(125V/12A) with a 6.5-foot power cord.

- **Storage Shelves:** Two-tier storage shelves on the headboard for small items like phones, glasses, and books.
- **Under-Bed Storage:** Provides clearance for storing luggage, shoe cases, or allowing a sweeping robot to pass.
- **Heavy-Duty Metal Construction:** Durable metal platform frame designed for stability and longevity, eliminating the need for a box spring.

3. PACKAGE CONTENTS

Your VERFARM bed frame package includes all necessary components for assembly, efficiently packed in one box. Please verify all parts are present and undamaged before beginning assembly.

- Headboard components (upholstered section, shelves)
- Side rails and footboard
- Metal slats and support legs
- Charging station with power cord
- LED light strip and remote control
- Assembly hardware (screws, bolts, washers, Allen wrench)
- Illustrated Installation Manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Follow the numbered steps in the included illustrated manual carefully. Do not overtighten screws until instructed.

4.1 Preparation

- Clear a spacious area for assembly.
- Unpack all components and lay them out on a soft, clean surface to prevent scratches.
- Identify all parts and hardware using the provided list in the manual.

4.2 Assembly Steps (General Overview)

1. Assemble the headboard structure, attaching the upholstered panel and storage shelves.
2. Attach the side rails to the headboard and footboard.
3. Install the central support beam and support legs.
4. Place and secure the metal slats onto the frame.
5. Install the charging station into the designated slot on the headboard.
6. Apply the LED light strip to the underside of the headboard shelf, ensuring proper adhesion.

7. Connect the LED light strip to its power source.
8. Ensure all connections are tight and the frame is stable before placing a mattress.

5. OPERATING INSTRUCTIONS

5.1 LED Lights Operation

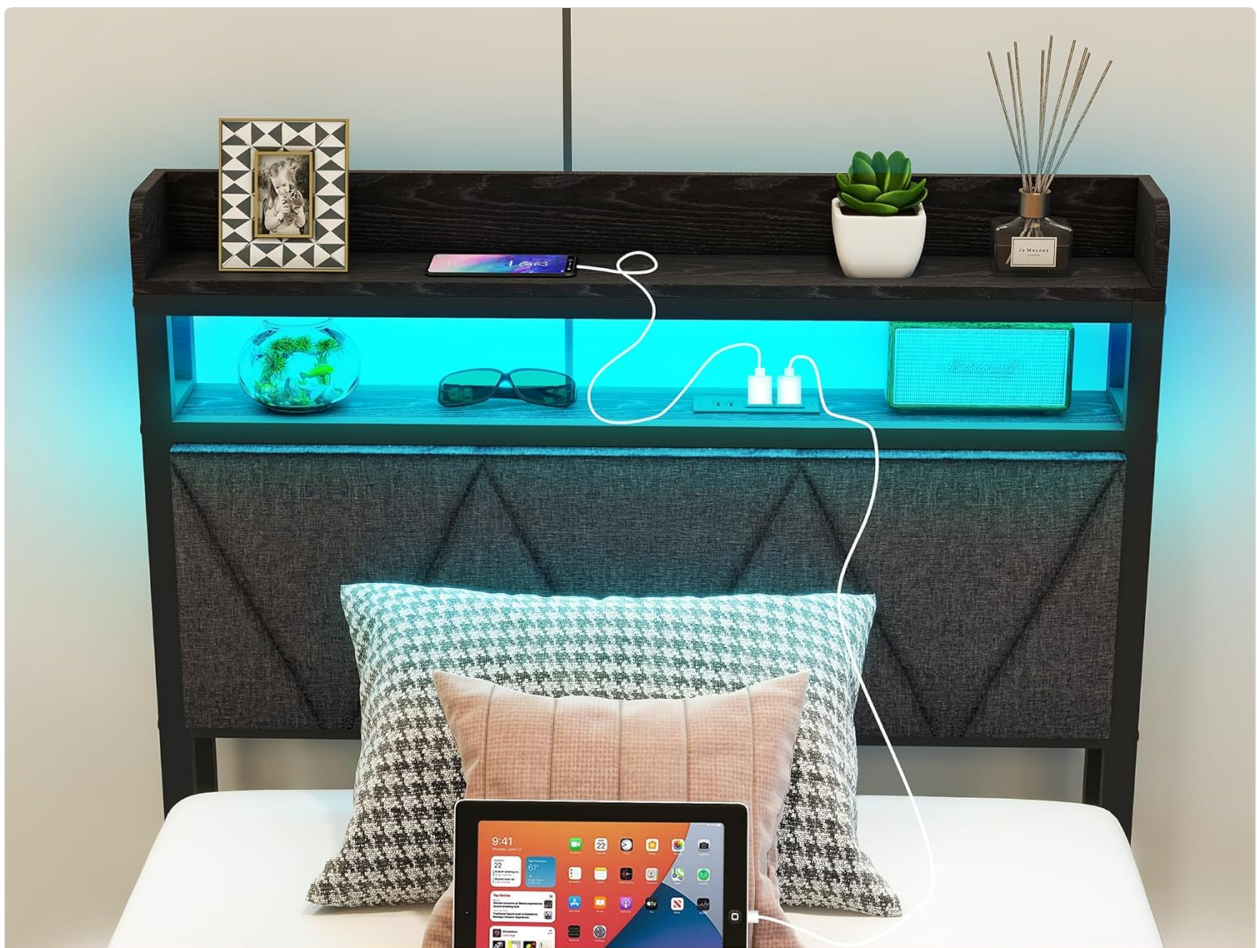

- **Power On/Off:** Use the included remote control or the mobile application to turn the LED lights on or off.
- **Color and Brightness:** Adjust the LED color and brightness levels via the remote or app.
- **Modes:** Select from various lighting modes, including static colors, dynamic effects, and a music sync mode that flashes lights to the beat of music.

5.2 USB Charging Station Use

- **Connect Power:** Plug the bed frame's main power cord into a standard wall outlet.
- **USB Ports:** Use the two 5V/2A USB ports to charge mobile devices such as smartphones and tablets.
- **AC Outlets:** Use the two 125V/12A AC outlets for small electronics or chargers.
- **Safety:** Do not exceed the maximum power rating of the charging station. Avoid plugging in high-power appliances.

Built in Charging Station

125V/12A
2 AC Outlets

5V/2A
2 USB Ports

6.5-Foot
Power Cord

6. MAINTENANCE

- **Cleaning:** Wipe metal surfaces with a soft, damp cloth. For the upholstered headboard, use a fabric cleaner suitable for linen, spot cleaning as needed. Avoid harsh chemicals.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability and prevent squeaking.
- **LED Lights:** If the LED strip begins to peel, re-secure it with appropriate adhesive. Ensure the power cord is not under tension.
- **Charging Station:** Keep the USB ports and AC outlets free of dust and debris.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or squeaks.	Loose hardware.	Check and tighten all bolts and screws. Ensure all support legs are making contact with the floor.
LED lights not working.	Power connection issue, remote battery dead, or LED strip damage.	Ensure the LED power adapter is securely plugged in. Check remote battery. Inspect LED strip for visible damage.
Charging station not working.	Bed frame not plugged into wall outlet, device not compatible, or charging station overloaded.	Verify the bed frame's main power cord is plugged into a functional wall outlet. Test with a different device. Ensure total power draw does not exceed limits.
Difficulty with assembly.	Instructions unclear or parts misidentified.	Review the illustrated manual carefully, step-by-step. Ensure parts are correctly oriented. Contact customer support if issues persist.

8. SPECIFICATIONS

- **Brand:** VERFARM
- **Model:** Twin Size Bed Frame with LED Lights and Charging Station
- **Dimensions (L x W x H):** 77.56" x 39.37" x 43.31" (197 cm x 100 cm x 110 cm)
- **Weight Capacity:** 1000 lbs (453 kg)
- **Material:** Metal (frame), Linen (headboard upholstery)
- **Finish Type:** Powder Coated
- **Charging Station:** 2 USB Ports (5V/2A), 2 AC Outlets (125V/12A), 6.5-foot power cord
- **LED Lights:** RGB, controllable via remote and mobile app
- **Assembly Required:** Yes
- **Box Spring Needed:** No
