TigerDad QQ-1000

TigerDad Overbed Table with Wheels - Instruction Manual

Model: QQ-1000

Brand: TigerDad

Introduction

Thank you for choosing the TigerDad Overbed Table with Wheels. This versatile and adjustable table is designed to enhance comfort and productivity in various settings, including bedrooms, living rooms, and dining areas. It can function as an overbed table, a mobile computer desk, a writing desk, a study table, or even a standing desk. This manual provides detailed instructions for assembly, operation, maintenance, and safety to ensure optimal use of your new table.

Setup and Assembly

Unpacking and Parts Identification

Carefully unpack all components from the box. Verify that all parts and hardware listed in the assembly instructions are present before beginning assembly. The package includes the desk, assembly instructions, and necessary tools.

Operating Instructions

Adjusting Height and Width

The table features adjustable length and height to accommodate various bed sizes and user preferences. The length can be adjusted from 50.4 inches to 78 inches, fitting queen and king-sized beds. The height can be adjusted from 23.6 inches to 41 inches. Use the adjustment knobs on the side of the frame to loosen, set your desired height or width, and then tighten securely.

Caster Wheels with Brakes

The table is equipped with four 1.5-inch casters, each with a stop plug (brake). This allows for easy mobility when you need to move the table and secure positioning when in use. Simply press down on the brake lever to lock the wheels and lift to unlock.

Multifunctional Use

This overbed table is designed for versatility. It can be used as:

- An overbed table for working with a laptop, eating, or reading in bed.
- A mobile computer desk or writing desk.
- A study table.
- A standing desk.
- A craft table or coffee bar.

The desktop also features a tilt function (0-47°) for ergonomic use, and cable organizing holes to keep your workspace tidy.

Maintenance

To ensure the longevity and optimal performance of your TigerDad Overbed Table, follow these maintenance guidelines:

- **Cleaning:** Wipe the table surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Fasteners:** Periodically check all screws and adjustment knobs to ensure they are tight. Retighten as necessary to maintain stability.
- **Wheels:** Keep the caster wheels free of debris to ensure smooth movement.

Troubleshooting

If you encounter any issues with your overbed table, refer to the following common troubleshooting tips:

- **Instability/Wobbling:** Ensure all assembly screws and adjustment knobs are fully tightened. Check that the table is on a flat, even surface.
- **Difficulty Adjusting Height/Width:** Loosen the adjustment knobs sufficiently before attempting to slide the frame components. Ensure no obstructions are present in the adjustment channels.
- **Wheels Not Rolling Smoothly:** Check for any hair or debris caught in the caster wheels. Clean as needed. Ensure brakes are disengaged.

If problems persist, please contact customer support.

Specifications

Model	QQ-1000
Brand	TigerDad
Color	Tilt Overbed Table- Dekuwood
Material	15mm thick E1 grade MDF panel with thicker metal frame (Engineered Wood)
Product Dimensions	74.8 x 14.57 x 37.01 inches (Adjustable Length: 50.4-78 inches, Adjustable Height: 23.6-41 inches)
