# awakentti Wild Bird Feeder VRGFBF2682 User Manual

Model: VRGFBF2682

## INTRODUCTION

---

Thank you for choosing the awakentti Wild Bird Feeder. This manual provides essential information for the safe and effective use, setup, operation, and maintenance of your bird feeder. Please read these instructions carefully before use and retain them for future reference.

Image: The awakentti Wild Bird Feeder, featuring a transparent seed reservoir, dark green top lid, base, and two perches for birds.

## SAFETY INFORMATION

---

- Ensure the feeder is securely hung to prevent it from falling and causing injury or damage.
- Keep out of reach of small children and pets when not in use or during maintenance.
- Do not use the feeder for purposes other than feeding wild birds.
- Regularly inspect the feeder for any damage or wear that could compromise its safety or function.

## PACKAGE CONTENTS

---

- 1 x awakentti Wild Bird Feeder (Model: VRGFBF2682)

## SETUP

---

## 1. Unpacking

Carefully remove the bird feeder from its packaging. Inspect all components for any signs of damage.

## 2. Choosing a Location

Select a suitable location for hanging your bird feeder. Consider a spot that is:

- Easily visible from your home for bird watching.
- Safe from predators (e.g., cats, squirrels).
- Protected from strong winds and heavy rain.
- Accessible for easy refilling and cleaning.

Image: The bird feeder suspended from a balcony railing, demonstrating a typical outdoor placement.

## 3. Filling the Feeder

1. Remove the top lid of the feeder by gently lifting it.
2. Pour your desired bird seed into the transparent reservoir. The feeder is designed with double openings for easy filling.
3. Replace the lid securely to prevent moisture from entering and to keep the seed fresh.

Image: A detailed view of the feeder's transparent tube filled with various types of bird seed, illustrating the filling process.

#### 4. Hanging the Feeder

Use the integrated hanging handle to suspend the feeder from a sturdy branch, hook, or shepherd's hook. Ensure it is hung at a height that is convenient for you to access but safe from ground predators.

#### OPERATING THE FEEDER

---

Once filled and hung, the awakentti Wild Bird Feeder operates automatically, dispensing seed as birds feed from the perches. The design is intended to provide a secure feeding experience for birds.

- **Advanced Protection:** The feeder is designed to prevent food spillage and keep seed fresh.
- **Perches:** Birds will land on the perches located at the base to access the seed ports.

## MAINTENANCE

---

Regular cleaning and refilling are crucial for the health of the birds and the longevity of your feeder.

### 1. Cleaning

1. Empty any remaining seed from the feeder.
2. Remove the top lid and disassemble any removable parts if possible.
3. Wash all parts with warm, soapy water. A bottle brush may be helpful for cleaning the inside of the tube.
4. Rinse thoroughly with clean water to remove all soap residue.
5. Allow all parts to air dry completely before refilling to prevent mold growth.

23.5cm/9.25in

6.5cm/2.55in

29cm/11.4in

14cm/5.51in

## 2. Refilling

Refill the feeder with fresh bird seed as needed, following the instructions in the 'Setup' section. The frequency of refilling will depend on bird activity and feeder capacity.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Birds are not visiting the feeder.	New feeder, unsuitable location, wrong seed type, predators nearby.	Allow time for birds to discover it. Relocate the feeder. Try different seed types. Ensure feeder is safe from predators.
Seed is getting wet or moldy.	Lid not secured, feeder exposed to heavy rain, insufficient drying after cleaning.	Ensure lid is tightly closed. Move feeder to a more sheltered spot. Always dry completely after cleaning.
Seed is not dispensing.	Seed ports are clogged, seed is clumped, feeder is empty.	Check seed ports for blockages. Shake feeder gently to loosen seed. Refill feeder if empty.

## SPECIFICATIONS

- **Brand:** awakentti
- **Model Number:** VRGF2682
- **UPC:** 754166630174
- **Product Dimensions:** 5.51"L x 2.55"W x 11.4"H (14cm L x 6.5cm W x 29cm H)
- **Color:** Gray (Note: Product images may show green, but the specified color is Gray)
- **Target Species:** Blue Jay (suitable for various small to medium birds)
- **Special Feature:** Bee Resistant (design aims to deter bees)
- **Mounting Type:** Hanging (Rooftop mentioned, but primarily hanging)
- **Power Source:** Hand Powered (refers to manual filling/maintenance)
