Package Contents

The Bellemave Twin XL Loft Bed is shipped in two (2) separate boxes. Please ensure both boxes are received before beginning assembly. All necessary tools and a detailed assembly instruction guide are included in the package.

Setup and Assembly Instructions

Assembly of the Bellemave Twin XL Loft Bed requires careful attention to the provided instruction guide. It is recommended to have at least two adults for assembly. Follow the step-by-step instructions to ensure proper construction and stability.

1. **Unpack Components:** Carefully remove all parts from both boxes. Lay them out and verify against the parts list in the instruction manual.

2. **Identify Hardware:** Separate and identify all screws, bolts, and other hardware components.
3. **Assemble Base Frame:** Begin by assembling the main bed frame components as per the manual. Ensure all connections are finger-tight initially.
4. **Attach Desk and Storage Unit:** Connect the L-shaped desk and the storage stairs/wardrobe unit to the main frame.
5. **Install Slats:** Securely place and fasten the bed slats onto the frame.
6. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the provided tools. Do not overtighten.
7. **Install LED Lights and Charging Station:** Follow the specific instructions for installing the LED light strip and connecting the charging station.

Note: Refer to the included paper manual for detailed diagrams and specific part numbers.

Maintenance

- **Regular Cleaning:** Wipe down metal surfaces with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Check Connections:** Periodically inspect all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability.
- **Weight Capacity:** Do not exceed the stated weight capacity of 350 lbs for the bed.
- **Mattress Compatibility:** Use a Twin XL size mattress that fits securely within the bed frame.

Troubleshooting

Problem	Possible Cause	Solution
Bed wobbles or feels unstable.	Loose connections or uneven assembly.	Ensure all bolts and screws are securely tightened. Check that the bed is on a level surface.
LED lights are not working.	Power connection issue, faulty remote, or damaged LED strip.	Check if the power adapter is properly plugged in. Replace remote batteries. Inspect the LED strip for visible damage. Contact customer support if issues persist.
Charging station not providing power.	Power cable disconnected or circuit overload.	Verify the charging station's power cable is fully plugged into a working wall outlet. Avoid plugging too many high-power devices simultaneously.
Missing parts during assembly.	Packaging error or lost component.	Double-check all packaging materials. Contact Bellemave customer support with your model number and a description of the missing part.
