## Assembly Tips

- Unpack all components and verify against the parts list in your assembly guide.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during initial assembly; tighten fully once the structure is stable.
- If any parts are damaged or missing, please contact customer service.

## OPERATING INSTRUCTIONS

### Lift Top Mechanism

To raise the tabletop, gently lift the front edge. The hydraulic mechanism will assist in a smooth, controlled ascent. To lower, gently push down on the tabletop until it securely locks into the closed position. Ensure no objects are obstructing the mechanism during operation.
