WHAT'S IN THE BOX

Please check the contents of your package. If any items are missing or damaged, please contact customer support.

- aycy Smart Watch Unit (Model Y6)
- Watch Band (pre-attached or separate)
- Magnetic Charging Cable
- User Manual

SETUP GUIDE

1. Initial Charging

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a standard USB power adapter (not included) or a computer USB port. A full charge typically takes approximately 2 hours.

2. App Installation

To unlock the full potential of your smartwatch, download and install the 'GloryFit' application on your smartphone. The app is compatible with Android 5.0 and above, and iOS 9.0 and above. Search for 'GloryFit' in your device's app store (Google Play Store for Android, Apple App Store for iOS).

3. Device Pairing (Bluetooth Connection)

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the 'GloryFit' app and follow the on-screen instructions to create an account or log in.
3. Navigate to the 'Device' or 'My Device' section within the app.
4. Select 'Add Device' or 'Scan for Device'. The app will search for available smartwatches.
5. Select 'Y6' or the corresponding device name from the list to initiate pairing.
6. Confirm the pairing request on both your smartphone and the smartwatch if prompted.
7. Once connected, the app will synchronize data with your watch.

4. Customization

Personalize your smartwatch experience through the 'GloryFit' app:

- **Watch Faces:** Choose from over 200 free watch faces available in the app.
- **Custom Dials:** Upload your favorite photos (e.g., family, pets, selfies) to set as your watch background.
- **Brightness:** Adjust the screen brightness (four levels available) for optimal visibility in various lighting conditions.

OPERATING INSTRUCTIONS

1. Call Functions

After connecting your smartwatch to your phone via Bluetooth, you can manage calls directly from your wrist.

- **Make Calls:** Use the dial pad on the watch or select from up to 100 frequently used contacts synced from your phone.
- **Answer/Reject Calls:** Incoming calls will display on your watch; you can answer or reject them with a tap.
- **Music Playback:** Enjoy music directly from your wrist through the HD speaker.

2. Notifications

Receive social media notifications (Facebook, WhatsApp, Instagram, Twitter, etc.) and other app alerts directly on your wrist. The watch will vibrate to alert you to new messages, ensuring you stay informed without needing to check your phone constantly.

3. Health Tracking

The smartwatch continuously monitors various health metrics throughout the day.

- **Activity Tracking:** Records steps taken, calories burned, and distance traveled.
- **Heart Rate Monitoring:** Provides real-time heart rate data.
- **Sleep Monitoring:** Automatically tracks your sleep patterns (deep sleep, light sleep, wake-up time) and analyzes sleep quality to help you develop healthier habits.

All health data can be viewed on the watch display and in detail within the 'GloryFit' mobile application.

4. Sport Modes

The smartwatch supports over 100 indoor and outdoor sports modes, including running, walking, cycling, football, yoga, and more. Select your preferred exercise mode on the watch or through the app to track specific statistics relevant to your activity.

112 Sports Modes

Record your sport metrics to optimize your exercise results

5. Other Smart Features

The 'GloryFit' app and your smartwatch offer additional convenient features:

- **Alarm Clocks:** Set multiple alarms.
- **Stopwatch & Timer:** For precise timing.
- **Music Control:** Control music playback on your phone (play, pause, skip tracks).
- **Camera Control:** Use your watch as a remote shutter for your phone's camera.
- **Sedentary Reminders:** Get alerts to move after periods of inactivity.

MAINTENANCE

1. Charging

To maintain battery health, charge your smartwatch regularly. The 280mAh high-capacity battery provides up to 7 days of typical usage and approximately 30 days of standby time on a single 2-hour charge.

2. Water Resistance (IP68)

Your aycy Smart Watch is IP68 waterproof, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. This makes it suitable for activities such as swimming, washing hands, and exercising in the rain. The watch also features a drainage function to expel water after exposure.

Note:

- Avoid hot water, steam, or prolonged exposure to high-pressure water jets.
- Do not operate buttons underwater.
- Rinse with fresh water and dry thoroughly after exposure to saltwater or chlorinated water.

Image: The ayco Smart Watch demonstrating its IP68 waterproof rating during swimming, highlighting its suitability for various water-related activities.

3. Cleaning

Regularly clean your watch and watch band to prevent skin irritation and maintain appearance. Use a soft, damp cloth to wipe the screen and body. For the band, follow the manufacturer's recommendations for the specific material.

TROUBLESHOOTING

If you encounter issues with your smartwatch, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 10-15 minutes.
- **Unable to pair with phone:**
 - Ensure Bluetooth is enabled on your phone and the watch is within range.

- Restart both your phone and the smartwatch.
- Forget the device in your phone's Bluetooth settings and try pairing again through the 'GloryFit' app.
- Ensure the 'GloryFit' app has necessary permissions enabled (e.g., location, Bluetooth).

• **Notifications not appearing:**

- Check notification settings within the 'GloryFit' app.
- Ensure your phone's notification access is granted to the 'GloryFit' app.
- Verify the watch is connected via Bluetooth.

• **Inaccurate health data:**

- Ensure the watch is worn snugly on your wrist, about one finger's width above the wrist bone.
- Clean the sensor on the back of the watch.
- Update the 'GloryFit' app and watch firmware to the latest versions.

If these steps do not resolve the issue, please refer to the support section or contact customer service.
