4. SETUP AND ASSEMBLY

Assembly of the Tribesigns Executive L-Shaped Desk requires careful attention to the provided instructions. It is recommended that two people participate in the assembly process to ensure safety and ease of construction.

4.1 Before You Begin

- Unpack all components and verify against the parts list in your included manual.
- Ensure you have sufficient space for assembly.
- Keep children and pets away from the assembly area.
- All necessary assembly tools are included with the product.

4.2 Assembly Steps

Refer to the detailed step-by-step instructions and diagrams provided in the physical manual included in your packaging.

Follow the numbered steps precisely. Key steps typically include:

1. Assembling the main desk frame and panels.
2. Attaching the desktop sections.
3. Assembling the mobile file cabinet structure.
4. Installing the filing drawer slides and casters on the cabinet.
5. Positioning the mobile file cabinet next to the main desk.

Important Safety Note:

Always ensure all screws and fasteners are securely tightened before using the desk. Do not overtighten to avoid damaging the material. Verify the stability and balance of both the desk and file cabinet after assembly. Do not overload the desk or file cabinet beyond its weight capacity.

5. OPERATING INSTRUCTIONS

5.1 Using the Desk Surface

The spacious desktop provides ample room for computers, monitors, printers, and other office equipment. The surface is water-resistant and anti-scratch, making it suitable for daily use. Avoid placing excessively hot items directly on the surface without protection.

5.2 Utilizing the Mobile File Cabinet

- **Open Storage Compartments:** Use the three open shelves for books, decorative items, or frequently accessed documents.
- **Filing Storage Drawer:** The bottom drawer is designed to hold letter, legal, or A4 size hanging folders. Adjust the hanging bars as needed to fit your document size.
- **Mobility:** The file cabinet is equipped with 360° swivel casters. To move the cabinet, ensure the front two lockable casters are disengaged. To secure the cabinet in place, engage the locks on the front two casters.

Image 5.1: The mobile file cabinet can be positioned as an extension of the desk or as a standalone unit, offering versatile layout options.

6. MAINTENANCE

Proper care will extend the life and appearance of your Tribesigns desk.

- **Cleaning:** Wipe surfaces with a damp cloth for general cleaning. For spills, wipe immediately with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Dusting:** Regularly dust the desk with a soft, dry cloth.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Retighten if necessary.
- **Weight Distribution:** Avoid placing excessive weight on any single point of the desk or overloading the file cabinet beyond its recommended capacity.

7. TROUBLESHOOTING

If you encounter any issues with your Tribesigns desk, refer to the following common solutions:

- **Desk Instability:** If the desk feels wobbly, check all assembly screws and ensure they are tightened. Verify that the desk is on a level surface.
- **Drawer Not Closing Smoothly:** Ensure the drawer slides are properly aligned and free of obstructions. A new drawer mechanism may require a firm push to fully engage the track for the first time.
- **Casters Not Locking:** Check that the locking mechanism on the front two casters is fully engaged. Ensure no debris is obstructing the wheel or lock.
- **Missing Parts:** If any parts were missing during assembly, contact Tribesigns customer support immediately.
