## PACKAGE CONTENTS

---

- 1 x Taiahiro RGB Backlit Wired Gaming Mouse
- 1 x User Manual

## SETUP

---

1. **Connect the Mouse:** Locate an available USB port on your computer.
2. **Plug and Play:** Insert the USB connector of the Taiahiro Gaming Mouse into the USB port.
3. **Driver Installation:** The mouse is plug-and-play and does not require additional driver installation. Your operating system will automatically detect and configure the device.
4. **Ready for Use:** Once detected, the mouse will be ready for immediate use.

## OPERATING INSTRUCTIONS

---

The Taiahiro Gaming Mouse features standard mouse buttons along with additional programmable buttons for enhanced functionality.

- **Left Click Button:** Standard primary click function.
- **Right Click Button:** Standard secondary click function.
- **Scroll Wheel:** Scroll up or down. Pressing the scroll wheel acts as a middle click button.
- **DPI Button:** Located behind the scroll wheel. Press to cycle through DPI settings.
- **Forward Button:** Located on the left side of the mouse. Default function is to navigate forward in web browsers or file explorers.
- **Backward Button:** Located on the left side of the mouse. Default function is to navigate backward in web browsers or file explorers.

## DPI ADJUSTMENT

---

The mouse offers four adjustable DPI (Dots Per Inch) levels, allowing you to change the cursor sensitivity on the fly. This is useful for different tasks, such as precise aiming in games or fast navigation across multiple monitors.

- **DPI Levels:** 800 DPI, 1600 DPI, 2400 DPI, 3200 DPI.
- **How to Adjust:** Press the dedicated DPI button, located just behind the scroll wheel, to cycle through the available DPI settings. Each press will switch to the next DPI level.

## RGB LIGHTING

---

The Taiahiro Gaming Mouse features dynamic 7-color breathing RGB backlighting, which automatically cycles through a spectrum of colors, adding an aesthetic appeal to your setup.

- **Automatic Cycling:** The lighting effect is pre-programmed to continuously cycle through 7 different colors.
- **No Software Required:** The lighting effect operates automatically upon connection and does not require any software for customization.

## MAINTENANCE

---

Proper maintenance ensures the longevity and optimal performance of your gaming mouse.

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the mouse. For stubborn dirt, slightly dampen the cloth with water or a mild cleaning solution. Avoid harsh chemicals or abrasive materials.
- **Sensor Care:** Keep the optical sensor on the bottom of the mouse clean and free from dust or debris to ensure accurate tracking. Use a cotton swab or compressed air if necessary.
- **Cable Management:** Avoid sharp bends or excessive pulling on the USB cable to prevent damage.
- **Storage:** When not in use, store the mouse in a clean, dry environment away from extreme temperatures.

## TROUBLESHOOTING

---

Problem	Possible Solution
Mouse not responding	Ensure the USB cable is securely plugged into a working USB port. Try plugging the mouse into a different USB port. Restart your computer.
Cursor movement is erratic or jumpy	Clean the optical sensor on the bottom of the mouse. Ensure you are using the mouse on a clean, non-reflective, and uniform surface (e.g., a mouse pad).
RGB lighting is not working	Verify the mouse is properly connected to the computer. The lighting is automatic; if it's not on, check the connection or try a different USB port.
DPI button not changing sensitivity	Ensure the mouse is connected and functioning otherwise. Press the DPI button firmly.

## SPECIFICATIONS

Feature	Detail
Brand	Taiahiro
Model	B0D3DFQ1MW
