INFANS Kids Vanity and Chair Set with LED Lights and Storage (Model HY10191) - Instruction Manual

Your guide to assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the INFANS Kids Vanity and Chair Set. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new vanity set. Please read these instructions thoroughly before beginning assembly or use to ensure a safe and enjoyable experience for your child.

This vanity set, Model HY10191, is designed for children aged 3 years and older, offering a dedicated space for creative play and organization.

2. IMPORTANT SAFETY INFORMATION

WARNING: Adult assembly required. Keep small parts away from children before and during assembly.

- **Anti-Tipping Design:** The vanity table includes an anti-tipping kit. It is crucial to secure the vanity to a wall using this kit to prevent accidental tipping and ensure stability.
- **Rounded Corners:** The design incorporates rounded corners to minimize the risk of injury.
- **Non-Slip Foot Pads:** The chair and vanity legs are equipped with non-slip foot pads to enhance stability and protect floor surfaces.
- **Material Safety:** This product is CPSIA & ASTM approved, made from non-toxic materials, and is free of BPA, PVC, phthalates, lead, latex, and formaldehyde. It has no sharp points or edges.
- **Weight Capacity:** The recommended maximum load capacity for both the tabletop and the chair is 110 lbs (50 kg). Do not exceed this weight.
- **Age Recommendation:** Suitable for children over 3 years old.

4. ASSEMBLY INSTRUCTIONS

Follow the detailed step-by-step instructions provided in the separate assembly guide included with your

package. Ensure all connections are secure before use.

1. **Unpack and Identify:** Carefully unpack all components and hardware. Lay them out on a soft, clean surface to prevent scratches. Refer to the parts list in your assembly guide to identify each piece.
2. **Assemble Vanity Base:** Attach the side panels and support beams to the main tabletop using the provided hardware.
3. **Construct Storage Units:** Assemble the drawer and cabinet according to the instructions. Install them into the vanity frame.
4. **Attach Mirror Unit:** Secure the mirror unit to the back of the vanity tabletop.
5. **Assemble Chair:** Connect the chair legs to the seat and backrest. Ensure all screws are tightened.
6. **Install Anti-Tipping Kit:** Once the vanity is in its final position, use the anti-tipping kit to secure it to a wall stud. This step is critical for safety.
7. **Insert Batteries:** Open the battery compartment on the back of the mirror and insert 3 AA batteries (not included) for the LED lights.

5. OPERATING INSTRUCTIONS

5.1. LED Mirror Lights

The vanity mirror features integrated LED lights with two color options to suit different preferences and lighting needs.

- **Power Source:** The LED lights require 3 AA batteries (not included). Ensure batteries are inserted correctly into the battery box located on the back of the mirror.
- **Switch Operation:** Locate the adjustment switch, typically a touch sensor on the mirror frame or a button on the side. Press the switch to cycle between the two light modes:
 - **6000K Cold White:** Provides bright, clear illumination, ideal for detailed tasks.
 - **3000K Warm White:** Offers a softer, warmer glow for a relaxed ambiance.
- Press the switch again to turn off the lights.

5.2. Storage Features

The vanity set is designed with multiple storage options to help keep items organized.

- **Wide Tabletop:** Provides ample surface area for various items.
- **2-Tier Open Shelf:** Convenient for storing frequently used items or decorative pieces.
- **Drawer:** A spacious drawer for concealed storage of smaller accessories.
- **Enclosed Cabinet:** Offers larger storage space for toys, books, or other belongings.

6. MAINTENANCE

Proper care will extend the life and appearance of your vanity set.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth regularly. For stubborn stains, a slightly damp cloth can be used, followed by immediate drying. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth.
- **Battery Replacement:** Replace AA batteries in the LED mirror as needed when lights dim or stop working.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight and secure. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your vanity set, refer to the following common solutions:

- **LED Lights Not Working:**
 - Check if 3 AA batteries are installed correctly.
 - Ensure batteries are fresh and not depleted.
 - Verify the adjustment switch is being pressed correctly.
- **Drawers Are Stiff or Do Not Slide Smoothly:**
 - Ensure the drawer slides were installed correctly during assembly.
 - Check for any obstructions inside the drawer or along the slides.
 - Verify that all assembly screws for the drawer and its runners are tightened.
- **Vanity or Chair Feels Unstable:**
 - Confirm all assembly hardware (screws, bolts) are fully tightened.
 - Ensure the anti-tipping kit is properly installed and secured to a wall stud.
 - Check that the vanity and chair are placed on a flat, level surface.
