HOU Keyboard Case for iPad mini 7/6

HOU Keyboard Case for iPad mini 7/6 Instruction Manual

Model: Keyboard Case for iPad mini 7/6

INTRODUCTION

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your HOU Keyboard Case for iPad mini 7/6. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

The HOU Keyboard Case is designed to enhance your iPad mini 7 (models A2993, A2995, A2996) and iPad mini 6 (models A2567, A2568, A2569) experience with its detachable keyboard, adjustable stand, and comprehensive protection features.

PACKAGE CONTENTS

- HOU Keyboard Case for iPad mini 7/6
- USB-C Charging Cable
- User Manual (this document)

PRODUCT OVERVIEW

The HOU Keyboard Case offers a versatile solution for your iPad mini, combining a protective case with a detachable Bluetooth keyboard. Key features include a 156° adjustable stand, 11 function keys, and 7-color LED backlighting.

SETUP INSTRUCTIONS

1. Installing Your iPad mini

1. Gently align your iPad mini 7 or iPad mini 6 with the protective case.
2. Press the iPad firmly into the case, ensuring all edges are securely seated. The precise cutouts will accommodate the device's buttons, ports, and camera.
3. Verify that the Touch ID sensor and charging port are accessible and unobstructed.

2. Charging the Keyboard

Before initial use, fully charge the keyboard. The keyboard uses a built-in Lithium Polymer battery.

1. Locate the USB-C charging port on the side of the keyboard.
2. Connect the provided USB-C cable to the keyboard and a compatible USB power adapter (not included).
3. The charging indicator light will illuminate. Once fully charged, the light may change color or turn off, depending on the model.

Troubleshooting

If you encounter issues such as Bluetooth connection failures, disconnections, unresponsive key inputs, or incorrect characters being typed, please follow these steps:

- Ensure the keyboard is powered on.
 - Press and hold Control + Fn + R for three seconds until the blue LED flashes.
 - Reconnect to "HOU Keyboard" via Bluetooth and check if the issue is resolved.
- If the problem persists, please contact our customer support for further assistance.

3. Pairing the Keyboard via Bluetooth

1. Ensure the keyboard is charged and powered on. The power switch is typically located near the charging port.
2. On your iPad mini, go to **Settings > Bluetooth**.
3. Turn on Bluetooth.
4. On the keyboard, press and hold the **Fn** key and the **C** key simultaneously for 3 seconds. The Bluetooth indicator light on the keyboard will start flashing, indicating it is in pairing mode.
5. On your iPad mini, look for "HOU Keyboard" or a similar name in the "Other Devices" list and tap it to connect.
6. Once paired, the Bluetooth indicator light on the keyboard will stop flashing and remain solid or turn off, and your iPad mini will show "Connected" next to the keyboard's name.

OPERATING INSTRUCTIONS

1. Attaching and Detaching the Keyboard

The keyboard attaches magnetically to the protective case, allowing for flexible usage.

- **To Attach:** Align the magnetic strip of the keyboard with the corresponding area on the case. The magnets will snap the keyboard into place.
- **To Detach:** Gently pull the keyboard away from the case.

Precise Magnetic Attachment

snaps into place instantly

2. Adjusting the Stand

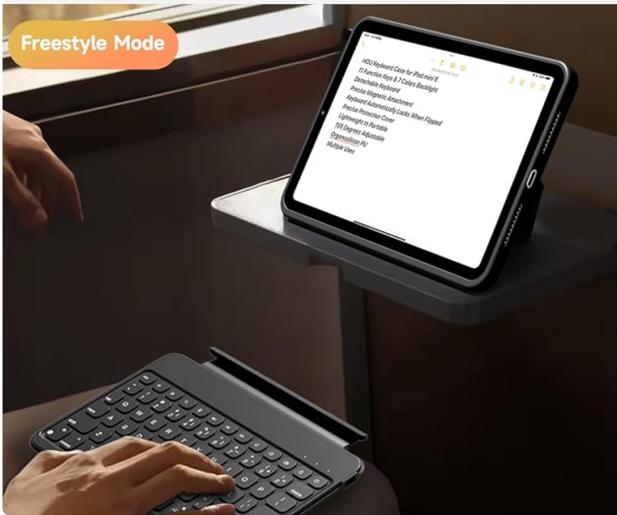

The integrated stand allows for a 156° adjustable viewing angle.

- Gently unfold the stand at the back of the case to your desired angle.
- The stand supports both landscape and portrait orientations, as well as various modes like freestyle, painting, and reading.

3. Using Function Keys and Backlight

The keyboard features 11 dedicated function keys and a 7-color LED backlight.

- **Function Keys:** Use the top row of keys for quick access to iPad functions such as home, search, volume control, and media playback.
- **Backlight Control:** Press the **Light Bulb** key (often combined with **Fn**) to cycle through backlight colors and brightness levels.

11 Function Keys & 7 Colors Backlit

4. Auto-Lock Feature

The keyboard case automatically locks when flipped, preventing accidental key presses.

Keyboard Automatically Locks When Flipped

no accidental key presses

Image: Two hands holding the iPad mini keyboard case in a folded position, demonstrating how the keyboard automatically locks to prevent unintended input when the case is closed or flipped.

MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to clean the exterior of the case and keyboard. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use for extended periods, store the keyboard case in a cool, dry place. Ensure the keyboard is powered off to conserve battery life.
- **Battery Care:** To maintain battery health, avoid fully discharging the keyboard battery frequently. Charge it regularly.

Organicsilicon PU

TROUBLESHOOTING

If you encounter issues such as Bluetooth connection failures, disconnections, unresponsive key inputs, or incorrect characters being typed, please follow these steps:

1. Ensure the keyboard is powered on and fully charged.
2. Turn off and then turn on the keyboard.
3. On your iPad mini, go to **Settings > Bluetooth**, tap the "i" icon next to "HOU Keyboard" and select "Forget This Device".
4. Press and hold **Control + Fn + R** for three seconds until the blue LED flashes on the keyboard. This resets the Bluetooth connection.
5. Reconnect to "HOU Keyboard" via Bluetooth as described in the "Pairing the Keyboard via Bluetooth" section.
6. If the problem persists, contact customer support for further assistance.

Troubleshooting

If you encounter issues such as Bluetooth connection failures, disconnections, unresponsive key inputs, or incorrect characters being typed, please follow these steps:

- Ensure the keyboard is powered on.
- Press and hold Control + Fn + R for three seconds until the blue LED flashes.
- Reconnect to "HOU Keyboard" via Bluetooth and check if the issue is resolved.

If the problem persists, please contact our customer support for further assistance.
