iPormis Queen Metal Bed Frame

iPormis Queen Metal Bed Frame with LED Lights and Charging Station Instruction Manual

Model: Queen Metal Bed Frame

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your iPormis Queen Metal Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- **General Safety:** Ensure all parts are securely fastened before use. Do not allow children to climb on the bed frame.
- **Weight Capacity:** The bed frame is designed to support up to 1000 lbs. Do not exceed this weight limit.
- **Sharp Edges:** The bed frame features rounded corners for safety. However, exercise caution during assembly and use to avoid injury.
- **Electrical Safety:** The integrated charging station and LED lights require a power source. Ensure proper connection and avoid overloading outlets. Unplug the unit when not in use or during cleaning.

PACKAGE CONTENTS

Please verify that all components are present before starting assembly:

- Metal Bed Frame Components
- Ergonomic Storage Headboard
- RGB LED Light Strip
- Charging Station (2 AC outlets, 1 Type-C port, 1 USB port)
- Remote Control for LED Lights
- Assembly Tools (Allen wrench)

- Instruction Manual

SETUP AND ASSEMBLY

Assembly is designed to be straightforward, typically taking less than 30 minutes with the provided tools. Follow the numbered steps in the included instruction booklet.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Connect the main frame components using the provided screws and Allen wrench. The buckle design simplifies the process, eliminating the need for threading screws into specific holes.
3. **Install Slats:** Place the steel slats onto the frame. Each slat includes a rubber strip to reduce noise and prevent mattress sliding.
4. **Attach Headboard:** Secure the ergonomic storage headboard to the main frame. Ensure the charging station is accessible.
5. **Connect LED Lights:** Attach the RGB LED light strip to the designated area on the headboard. Plug the light strip and charging station into a power source.

OPERATING INSTRUCTIONS

LED Lights

The RGB LED lights can be controlled via a dedicated app or the included remote control. Features include:

- **Color Selection:** Choose from over 60,000 colors.
- **Brightness Adjustment:** Customize the light intensity.
- **Dynamic Modes:** Various lighting effects and patterns.
- **Music Mode:** Lights can sync with music.
- **Timing Function:** Set schedules for lights to turn on/off.

6.6-foot
Power Cord

1 Type-C Port
1 USB Port

Charging Station

The integrated headboard features a convenient charging station:

- **2 AC Outlets:** For standard electrical devices.
- **1 Type-C Port:** For modern devices requiring Type-C charging.
- **1 USB Port:** For standard USB charging.

The charging station is powered by a 6.6-foot power cord, allowing flexible placement.

MAINTENANCE

To maintain the appearance and longevity of your bed frame:

- **Cleaning:** Wipe the metal frame and wooden headboard with a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Mattress Care:** The rubber strips on the slats help prevent mattress sliding. Ensure your mattress is properly positioned.

TROUBLESHOOTING

- **LED Lights Not Working:** Check if the power cord is securely plugged into an active outlet. Ensure the remote control batteries are functional and pointed directly at the receiver.
- **Charging Station Not Functioning:** Verify the power cord for the charging station is fully plugged into a working wall outlet. Test with different devices and cables.

- **Noise/Squeaking:** Ensure all frame bolts and screws are tightened. The integrated rubber strips on the slats are designed to minimize noise; check if they are properly seated.
- **Mattress Sliding:** The bed frame features anti-slip embedded design with rubber strips on the slats. Ensure the mattress is correctly placed on the slats.

SPECIFICATIONS

Feature	Detail
Size	Queen
Product Dimensions	88"L x 62"W x 40"H
Weight Capacity	1000 lbs
Material	Metal Frame, Wood Headboard
Color	Black
Under-Bed Clearance	12 Inches
Special Features	RGB LED Lights, Charging Station, Ergonomic Headboard, Noise-Free Steel Slats, Rounded Corners
