AODK 61-inch L-Shaped Desk with Drawers, LED Light, and Power Outlet User Manual

Model: B02022001007UUKHADDC56447

INTRODUCTION

Thank you for choosing the AODK 61-inch L-Shaped Desk. This manual provides detailed instructions for the assembly, operation, and maintenance of your new desk. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of the product.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly.
- Follow assembly instructions carefully to prevent injury or damage to the product.
- Do not overtighten screws during assembly.
- Place the desk on a level surface to ensure stability.
- Do not exceed the weight capacity of the desk or shelves.
- Keep liquids away from the power outlet and LED light strip to prevent electrical hazards.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed in the packing list (usually found in the product box) are present. All necessary assembly tools are included with the product.

Reversible Design

SETUP AND ASSEMBLY

The AODK L-Shaped Desk features a reversible design, allowing you to configure the longer section on either the left or right side to best suit your space. Follow the step-by-step instructions provided in the separate assembly guide included in your package. Ensure all connections are secure before use.

Key Assembly Features:

- **Reversible Design:** The desk can be assembled with the longer section on either the left or right side.
- **Sturdy Construction:** Features a strong steel frame for durability and stability.
- **Adjustable Leg Pads:** Steel legs are equipped with adjustable leg pads to maintain stability on uneven floors.

OPERATING INSTRUCTIONS

1. Power Outlet and USB Charging Ports

The desk includes a built-in power strip with 3 AC outlets (125V/12A) and 2 USB ports (5V/2A). To use, simply plug the desk's power cord into a wall outlet. You can then connect your laptops, smartphones, tablets, and other devices directly to the integrated power strip for convenient charging.

2. LED Light Strip

The gaming desk is equipped with an LED light strip offering 10 colors and 10 lighting modes. Use the inline controller to adjust brightness and color settings. This feature enhances your workspace ambiance and can reduce eye strain during extended use.

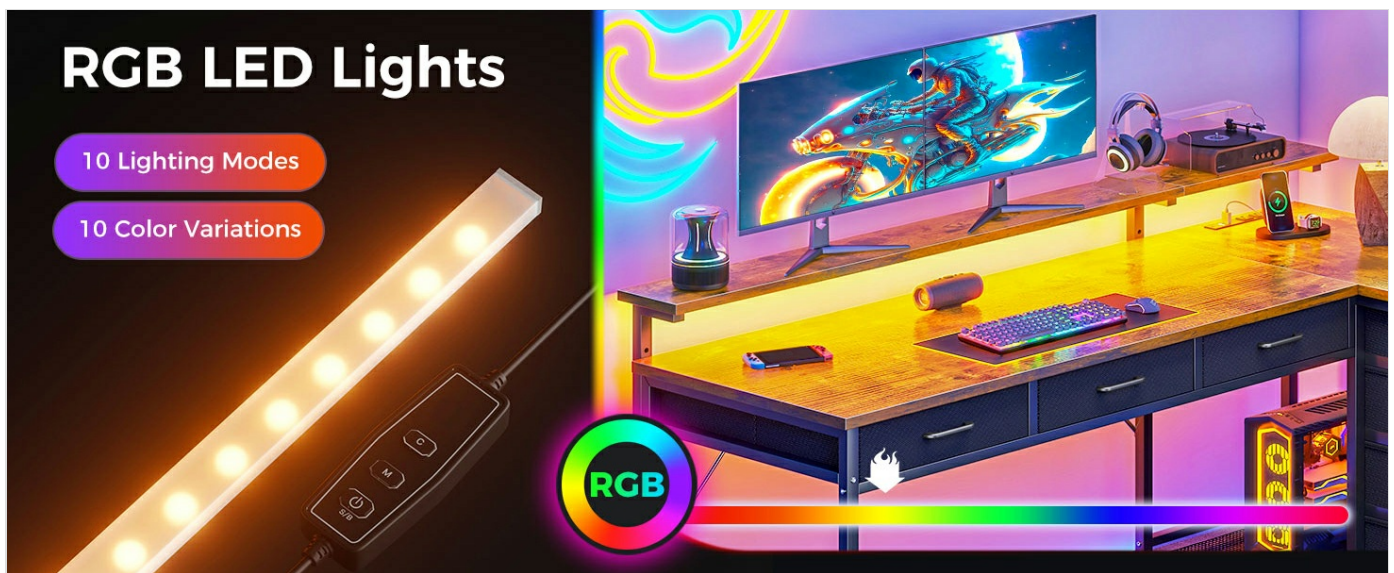

Image: The AODK L-Shaped Desk illuminated by its integrated RGB LED light strip, showcasing a range of vibrant colors and lighting effects that enhance the workspace ambiance.

3. Adjustable Monitor Stand and Movable CPU Stand

The monitor stand can be adjusted to 3 different height modes (3.9", 5.2", 6.6") to accommodate various monitor sizes and user sitting positions. Adjust the stand to an ergonomic height to promote better posture and reduce neck and eye strain. The movable CPU stand on wheels protects your computer tower from moisture and dust and allows for flexible placement.

4. Storage Drawers

The desk includes 7 file drawers (3 under-desk fabric drawers and 4 fabric dresser drawers) for organizing office supplies, documents, and personal items. Utilize these drawers to maintain a tidy and organized workspace.

MAINTENANCE

- **Cleaning:** The desk board is waterproof and dust-resistant. Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals that may damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.
- **LED Lights:** If the LED strip malfunctions, check the power connection. Do not attempt to repair the LED strip yourself; contact customer support.

TROUBLESHOOTING

- **Desk Wobbles:** Ensure all screws are tightened. Adjust the leg pads on the bottom of the steel legs to stabilize the desk on uneven floors.
- **LED Lights Not Working:** Check if the power cord for the LED strip is securely plugged into the power outlet and the strip itself. Verify the power outlet is functional.
- **Power Outlets Not Working:** Ensure the desk's main power cord is securely plugged into a functional wall outlet.

Check if the wall outlet itself is receiving power.

- **Drawers Stick:** Ensure drawers are not overloaded. Check for any obstructions in the drawer slides.
