PLUS PLUS 3974

PLUS PLUS Glow Colour Mix 600 Pieces Building Blocks User Manual

Model: 3974

IMPORTANT SAFETY INFORMATION

Please read all safety information before using the product. Keep this manual for future reference.

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for all young children.
- **Recommended Age:** Suitable for children aged 5 to 12 years.
- Ensure all pieces are kept away from infants and pets to prevent accidental ingestion.

INTRODUCTION

The PLUS PLUS Glow Colour Mix 600 Pieces set offers a unique building experience with its single-shape design and luminescent elements. This set includes 600 Plus-Plus pieces in Neon Blue, Neon Yellow, Coral, Black, and a special glow-in-the-dark color. Designed and produced in Denmark, these building blocks are free from Bisphenol A (BPA) and phthalates, ensuring a safe play environment. The versatile design allows for the creation of both flat 2D mosaics and complex 3D models, fostering creativity and motor skills.

SETUP

1. **Unboxing:** Carefully open the product packaging and remove all Plus-Plus pieces.
2. **Inspection:** Before play, inspect all pieces to ensure they are intact and free from damage. Discard any broken pieces.
3. **Preparation:** Provide a clean, flat surface for building.

OPERATING INSTRUCTIONS

Plus-Plus pieces are designed for intuitive connection, allowing for endless creative possibilities.

Basic Connection

- Each Plus-Plus piece has a unique double-plus shape. To connect two pieces, align the "plus" ends and gently push them together until they interlock.

- Pieces can be connected side-by-side, end-to-end, or at angles to form various structures.

Building Techniques

- **2D Mosaics:** Connect pieces flat on a surface to create colorful patterns and pictures.
- **3D Models:** Utilize the interlocking design to build three-dimensional objects, characters, and structures. Experiment with different orientations to achieve desired shapes.
- The more Plus-Plus pieces you have, the larger and more complex your creations can become.

Glow Feature Activation

The set includes special luminescent pieces that glow in the dark.

1. **Charge:** Expose the glow-in-the-dark Plus-Plus pieces to a light source (natural sunlight or artificial light) for a few minutes. The longer the exposure, the brighter and longer they will glow.
2. **Observe:** Take the charged pieces into a dark environment to see them glow.

Image: Two children observing a glowing Plus-Plus creation in a dimly lit room, demonstrating the luminescent feature.

MAINTENANCE

- **Cleaning:** Plus-Plus pieces can be cleaned with a damp cloth and mild soap if necessary. Rinse thoroughly and allow to air dry completely before storage. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the pieces in their original container or a similar secure box to prevent loss and keep them clean. Keep away from direct sunlight and extreme temperatures to maintain material integrity.

TROUBLESHOOTING

- **Pieces not connecting easily:** Ensure the pieces are clean and free from debris. Apply gentle, even pressure when connecting. If pieces are consistently difficult to connect, inspect for manufacturing defects.
- **Glow pieces not glowing:** Ensure the luminescent pieces have been adequately exposed to a strong light source for a sufficient duration. The glow effect is temporary and will fade over time, requiring re-exposure to light.
- For further assistance, please refer to the support information below.

SPECIFICATIONS

Model Number	3974
ASIN	B0D3F3B2Z5
Product Dimensions	4.33 x 4.33 x 4.33 inches
Item Weight	12.7 ounces
Number of Pieces	600
Recommended Age	5 - 12 years
Manufacturer	Plus-Plus A/S
Country of Origin	Denmark
