# City Cafe Building Block Set Instruction Manual

Brand: CAMPIR | Model: city coffee shop

## PRODUCT OVERVIEW

---

The City Cafe Building Block Set with LED Light is a 1443-piece modular architecture model designed for kids, teens, and adults. This set allows for the construction of a three-story city cafe, featuring intricate details and an integrated LED lighting system for enhanced display. Each of the three floors is removable, providing easy access for play and display purposes.

## SAFETY INFORMATION

This product contains small parts and is recommended for ages 14 years and up. Adult supervision is advised for younger users. Keep small parts away from children under 3 years of age to prevent choking hazards. The materials used are quality ABS, which is durable, odorless, and non-toxic. Ensure all connections are secure during assembly to prevent parts from falling apart easily.

## WHAT'S IN THE BOX

Upon opening the product packaging, you will find the following components:

- 1443 pieces of building blocks, sorted into numbered bags.

- 1 Instruction Manual.
- LED light components (pre-installed or separate, with 3 LR44 batteries included).
- Base plates for construction.

## SETUP AND ASSEMBLY

The City Cafe Building Block Set is designed for ease of assembly with a step-by-step instruction manual. Follow the numbered bags and corresponding steps in the manual for a smooth building experience.

1. **Unpack Components:** Carefully open the product box and remove all bagged building blocks, the instruction manual, and any base plates.
2. **Organize Parts:** The building blocks are typically sorted into numbered bags. It is recommended to open bags according to the step numbers in the instruction manual to avoid mixing parts prematurely.
3. **Follow Instructions:** Refer to the detailed, step-by-step assembly instructions provided in the manual. Each step

illustrates the required pieces and their placement.

4. **Layered Construction:** The cafe model features a 3-layer design. Build each layer as instructed, noting that the layers are removable for access and display.
5. **LED Light Installation:** Integrate the LED light components as indicated in the manual. Ensure proper connection for the lighting effect. The product includes 3 LR44 batteries for the LED light.

## OPERATING INSTRUCTIONS

---

Once assembled, the City Cafe Building Block Set is ready for display or interactive play. The removable floors allow for easy access to the interior details, such as the cafe counter, seating areas, and decorative elements.

- **Interior Access:** Gently lift each floor section to reveal the detailed interior of the cafe for imaginative play or closer inspection.
- **LED Light Activation:** If the LED lights are not pre-installed, follow the manual's instructions to connect them. The lights are powered by 3 LR44 batteries (included). Ensure the battery compartment is securely closed after installation.
- **Display:** The assembled model measures approximately 10.03 x 6.89 x 11.97 inches (L x W x H), making it a suitable size for display on shelves, desks, or other flat surfaces.

## MAINTENANCE

To ensure the longevity and appearance of your City Cafe Building Block Set, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the assembled model with care, especially when moving it, to prevent parts from detaching.
- **Battery Replacement:** If the LED lights dim or stop working, replace the LR44 batteries. Ensure correct polarity when inserting new batteries. Dispose of old batteries responsibly.

## TROUBLESHOOTING

Here are some common issues and their potential solutions:

Problem	Possible Cause	Solution
Pieces do not fit together tightly.	Incorrect alignment or manufacturing variation.	Ensure pieces are aligned correctly before pressing. Apply firm, even pressure. If a piece is consistently loose, try a similar piece from another section if available, or contact support.
Missing pieces.	Packaging error or misplaced during assembly.	Double-check all bags and the building area. If still missing, contact CAMPIR customer support with details of the missing part (refer to the manual for part identification).
LED lights not working.	Batteries are dead, incorrectly installed, or wiring issue.	Check battery polarity and ensure batteries are new. Verify all wiring connections are secure as per the instruction manual.
Assembled structure feels unstable.	Incorrect piece placement or loose connections.	Review the instruction manual for the affected section to ensure all pieces are correctly placed and firmly connected. Pay attention to base plate connections.

## SPECIFICATIONS

---

- **Product Dimensions:** 10.03 x 6.89 x 11.97 inches (L x W x H)
- **Item Weight:** 3.23 pounds
- **ASIN:** B0D3G19PZB
- **Manufacturer Recommended Age:** 14 years and up
- **Batteries:** 3 LR44 batteries required (included for LED light)
- **Manufacturer:** CAMPIR
- **Number of Pieces:** 1443 PCS
- **Material:** Quality ABS
