## 2. SAFETY INFORMATION

---

This building set contains small micro-particles. Please observe the following safety guidelines:

- **Choking Hazard:** Keep small parts away from children under 3 years of age.
- **Recommended Age:** This product is recommended for ages 14 and up due to the small size and complexity of the building blocks.
- **Material:** All blocks are made from non-toxic, non-irritating ABS material.
- **Handling:** Handle small pieces with care to avoid loss.

## 3. SETUP AND ASSEMBLY

---

The assembly process is designed to be engaging and rewarding. Follow the included color-illustrated instructions carefully. Each brick is engineered for a precise fit, ensuring a stable and durable final structure.

### 3.1 Unpacking and Preparation

- Open the packaging and carefully remove all bags of building blocks and the instruction manual.
- Sort the micro-particles by color or type into separate containers to facilitate easier building.
- Familiarize yourself with the instruction manual before beginning assembly.

### 3.2 Assembly Steps

The manual provides detailed, step-by-step instructions with clear illustrations. Pay close attention to the orientation and placement of each micro-particle. A block separator tool is included to assist with any adjustments or corrections during assembly.

## 4. OPERATING THE LED LIGHT FEATURE

---

The Cherry Blossom Pond Building Set includes a built-in LED light feature to enhance its visual appeal, especially in low-light conditions. Follow these steps to activate the lights:

- Locate the designated power input for the LED lights on the base of the model.
- Connect the provided USB cable to the power input.
- Plug the other end of the USB cable into a compatible USB power source (e.g., a USB wall adapter, power bank, or computer USB port).
- The LED lights will illuminate, bringing your miniature landscape to life.

## 5. MAINTENANCE

---

To ensure the longevity and pristine appearance of your CAMPIR Cherry Blossom Pond Building Set, follow these simple maintenance tips:

- **Cleaning:** Gently dust the model with a soft, dry cloth or a soft brush. Avoid using harsh chemicals or abrasive materials.
- **Storage:** If disassembling for storage, keep all micro-particles in sealed bags to prevent loss and damage. Store in a cool, dry place away from direct sunlight.
- **Handling:** Always handle the assembled model with care to prevent accidental detachment of pieces.

## 6. TROUBLESHOOTING

---

While this building set is designed for ease of assembly, you may encounter minor issues. Here are some common troubleshooting tips:

- **Missing Parts:** Due to the small size of the particles, occasional missing parts can occur. If you find any parts missing from your set, please contact our customer support for assistance.
- **Difficulty with Micro-Blocks:** Micro-blocks require precision. Use the included block separator tool to adjust or remove pieces. Ensure proper alignment and firm pressure when connecting blocks.
- **Unstable Structure:** Double-check that all connections are secure and that you have followed the instructions precisely. Incorrectly placed blocks can affect overall stability.
