SEDETA file cabinet

SEDETA 35.4" File Cabinet with Power Strip and LED Lights User Manual

Model: file cabinet

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your SEDETA 35.4-inch File Cabinet. Please read this manual thoroughly before assembly and use to ensure proper function and safety. Keep this manual for future reference.

SAFETY INFORMATION

- Always assemble the cabinet on a flat, stable surface.
- Use appropriate safety gear when lifting heavy items.
- Do not overload the cabinet.
- Keep the cabinet away from heat sources and moisture.
- Always unplug the power strip before cleaning or maintaining the cabinet.
- Keep the cabinet away from children and pets.

PRODUCT OVERVIEW

The SEDETA 35.4-inch File Cabinet is designed for home office use, offering versatile storage solutions. It features two file drawers, a four-tier open shelving unit, an integrated power strip, and LED lighting.

SETUP AND ASSEMBLY

Assembly of the SEDETA file cabinet is required. Please follow the included step-by-step instructions provided in the packaging. Ensure all parts are present before beginning assembly. It is recommended to have two people for assembly due to the item's weight.

Adjustable Foot Pads

The cabinet is equipped with adjustable foot pads. Rotate the foot pads at the base of the unit to ensure stability and level the cabinet on uneven surfaces.

OPERATING INSTRUCTIONS

File Drawers

The cabinet features two spacious drawers designed to accommodate both Letter and A4 size hanging files. The top drawer includes a locking mechanism for securing important documents.

LED Lights

The cabinet is equipped with RGB LED light strips. These lights can be controlled via a remote control or a dedicated mobile application, offering over 60,000 colors and 29 flashing modes. A music sync function allows the lights to change with sound and music rhythms.

Figure 6: The LED lights enhance the cabinet's aesthetic and functionality.

Open Shelves and Storage Bag

The four-tier open shelving unit provides ample space for books, decorative items, or office equipment like printers and photocopiers. A side storage bag is included to help organize smaller items and free up desktop space.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the shelves and drawers to prevent buildup.
- **Power Strip:** Ensure the power strip is unplugged before cleaning. Do not expose to liquids.
- **LED Lights:** If LED lights malfunction, check connections. Refer to the LED light manual for specific troubleshooting.

TROUBLESHOOTING

- **Assembly Difficulties:** If you encounter issues during assembly, double-check the instruction manual for correct part orientation and screw placement. Ensure all screws are tightened only after

parts are correctly aligned.

- **Unstable Cabinet:** Adjust the foot pads at the bottom of the cabinet to stabilize it on uneven floors.
- **Drawers Not Sliding Smoothly:** Check the drawer slides for any obstructions or misalignment. Ensure they are properly installed according to the assembly instructions.
- **Power Strip Not Working:** Verify that the power cord is securely plugged into a functional wall outlet. Check if the power strip's circuit breaker (if present) has tripped.
- **LED Lights Not Functioning:** Ensure the LED light strip is properly connected to the power source and the controller. Check the remote control or app for battery issues or connectivity problems.
- **Missing Parts:** If any parts are missing or damaged upon arrival, contact customer service for assistance.
