

Premium-Plus KFGG504KPS

Premium Plus Stove Protectors for KitchenAid Gas Range Model KFGG504KPS

Instruction Manual

1. INTRODUCTION

This manual provides comprehensive instructions for the installation, use, and maintenance of your Premium Plus Stove Protectors, specifically designed for the KitchenAid Gas Range Model KFGG504KPS. These liners are engineered to protect your stovetop's metal surface and simplify cleaning.

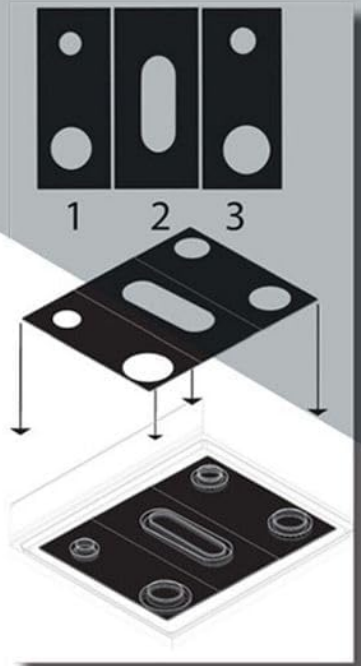

2. PRODUCT OVERVIEW AND FEATURES

The Premium Plus Stove Protectors are custom-fit, non-stick liners designed to keep your gas stovetop clean and protected. Key features include:

- **Custom Fit:** Tailored specifically for KitchenAid Gas Range Model KFGG504KPS.
- **Heat Resistant:** Withstands temperatures up to 500 degrees Fahrenheit (260 degrees Celsius).
- **Easy to Clean:** Dishwasher safe and hand-washable for convenient maintenance.
- **Durable Material:** PFOA & BPA Free, ensuring safety and environmental responsibility.
- **Three-Piece Design:** Allows for easy installation and removal.

Customized Stovetop Protector Liners

Help make life easier; easy living for life

EASY FITTING AND REMOVING -

Our Customized Stovetop Protector Liners by Premium Plus are customized to fit your stove, simply place them on your stovetop to keep your stove clean like new.

DISHWASHER SAFE -

Keep your stovetop clean, simply remove your Customized Stovetop Protector Liners and just place them in your dishwasher - it's so simple and easy!

PFOA & BPA FREE

Our Customized Stovetop Protector Liners are PFOA & BPA Free!

3. SETUP AND INSTALLATION

Follow these steps to properly install your stove protectors:

1. **Prepare the Stovetop:** Ensure your stovetop is clean and cool before installation. Remove all grates and burner caps.
2. **Identify Liner Sections:** The product includes three customized liner sections. Identify the middle section and the two side sections.
3. **Install Middle Section:** Carefully place the middle liner section onto the stovetop, aligning it around the central burner or griddle area.
4. **Install Side Sections:** Place the two side sections, ensuring they overlap slightly with the middle section for complete coverage. The design allows for a precise fit around your specific KitchenAid model KFGG504KPS burners.

5. **Reassemble Components:** Once all liner sections are in place, reassemble the burner caps and grates onto your stovetop.

4. MAINTENANCE AND CLEANING

Maintaining your stove protectors is simple and helps prolong their lifespan:

- **Daily Cleaning:** For minor spills and grease, simply wipe the liners with a damp sponge or cloth.
- **Deep Cleaning (Dishwasher):** The liners are dishwasher safe. For thorough cleaning, remove the liners and place them on the top rack of your dishwasher.
- **Deep Cleaning (Hand Wash):** Alternatively, hand wash the liners using warm soapy water and a soft sponge.
- **Localized Spills:** If a spill occurs on one section, you can remove only the affected liner, clean it, and replace it without disturbing the other sections.
- **Drying:** Allow liners to air dry completely before placing them back on the stovetop.

6. TROUBLESHOOTING

While these stove protectors are designed for ease of use, here are some common considerations:

- **Improper Fit:** Ensure you have the correct model number (KFGG504KPS) for your KitchenAid range. These liners are custom-cut for specific models.
- **Liner Movement:** Ensure all grates and burner caps are properly reassembled after liner installation to help secure the liners in place.
- **Cleaning Difficulty:** For stubborn stains, pre-soak the liners in warm soapy water before handwashing or running through the dishwasher.

7. WARRANTY AND SUPPORT

Premium Plus Inc. offers a **Lifetime Warranty** on these stove protectors, guaranteeing satisfaction. For any questions, concerns, or warranty claims, please refer to the detailed care instructions and warranty card included with your purchase, or contact Premium Plus Inc. directly through their official channels.

KITCHENAID GAS STOVE MODEL NUMBER LOCATOR

KitchenAid

- 1 In the door frame typically in the upper left hand corner or lower left hand corner.
- 2 On the underside of the back fuse panel cover.
- 3 With the lower drawer open, on the left side or on the door jamb.
- 4 If your cooktop lifts up, you can find it underneath on the left or right side.
- 5 Under one of the surface burners.
- 6 On the lower left, right, or back side of the unit near the ground.
