Nadonli Wagon Cart

Nadonli Foldable Heavy Duty Utility Wagon Instruction Manual

Brand: Nadonli | Model: Wagon Cart

1. Introduction and Overview

Thank you for choosing the Nadonli Foldable Heavy Duty Utility Wagon. This manual provides essential information for the safe and efficient use of your new wagon. Please read all instructions carefully before assembly and operation.
This versatile wagon is designed for various tasks, including shopping, gardening, picnicking, camping, and transporting sports equipment. Its foldable design and durable construction make it a convenient solution for moving items with ease.

2. Product Features

- **Compact Foldable Design:** Unfolds to 36.2" x 28.3" x 16.5" and folds to a compact 27" x 16.5" x 6" for easy storage and transport.
- **High-Quality Materials:** Constructed from alloy steel with a removable 600D Oxford canvas that is waterproof and easy to clean.
- **Heavy Duty Capacity:** Supports a static weight load of up to 350 pounds and a dynamic weight load of up to 220 pounds.
- **All-Terrain Wheels:** Equipped with four wheels, including two 360° rotating front wheels, for smooth movement across various terrains.
- **Convenient Features:** Includes an adjustable handle and two mesh cup holders.

3. Setup and Assembly

The Nadonli Utility Wagon is designed for quick and easy assembly. Follow these steps to set up your wagon:

1. **Unfolding the Wagon:**

   Locate the internal pull rope at the center of the wagon's base. Pull the rope upwards to expand the wagon frame until it is fully open. Ensure all side panels are upright and locked into place.

Image: The wagon shown in both its unfolded state with dimensions (36.2" x 28.3" x 16.5") and its folded state (27" x 16.5" x 6"). It also highlights the 11 lbs weight.

2. **Attaching the Wheels:**

   The wheels are pre-attached but may need to be secured or adjusted. Ensure all four wheels are firmly in their sockets and can rotate freely. The two front wheels are designed for 360° rotation for enhanced maneuverability.

Image: A detailed view of the wagon's universal wheels, highlighting features like 360° rotation, wear-resistance, shock-absorbing capabilities, and noise reduction.

3. **Adjusting the Handle:**

   The handle is adjustable. Press the button on the handle shaft and extend it to your desired height. Release the button to lock it in position.

4. Operating Instructions

Your Nadonli Utility Wagon is ready for use. Observe the following guidelines for optimal performance:

- **Loading the Wagon:** Distribute weight evenly within the wagon to maintain stability. Do not exceed the dynamic weight limit of 220 pounds (static limit 350 pounds).
- **Maneuvering:** Utilize the 360° rotating front wheels for easy navigation around corners and obstacles. The all-terrain wheels are suitable for various surfaces including pavement, grass, and light gravel.
- **Folding for Storage:** To fold the wagon, pull the internal rope upwards until the sides collapse inward. Secure the folded wagon with any integrated straps if available.

Image: A sequence of three images illustrating the "3-second storage" process: 1) Stoop (pulling the center tab), 2) Draw (collapsing the wagon), and 3) Fold (standing the wagon upright in its compact form), shown next to a car trunk with groceries.

Image: A person carrying the folded 11-pound wagon up a set of outdoor stairs, demonstrating its portability and ease of transport when collapsed.

Important Safety Note: This product is not designed to transport children.

5. Maintenance

Regular maintenance will extend the life of your wagon:

- **Cleaning the Fabric:** The 600D Oxford canvas is removable and waterproof. Wipe clean with a damp cloth and mild soap. Allow to air dry completely before folding or storing.
- **Frame Care:** The alloy steel frame can be wiped down with a damp cloth. Avoid harsh chemicals that may damage the finish.
- **Wheel Inspection:** Periodically check the wheels for debris or damage. Ensure they spin freely and are securely attached.

Image: A close-up shot of the wagon's thickened 600D Oxford fabric, showing its waterproof PVC coating and emphasizing its durability and ease of cleaning.

6. Troubleshooting

If you encounter any issues with your Nadonli Utility Wagon, please refer to the following common solutions:

- **Wagon not unfolding/folding smoothly:** Ensure the internal pull rope is fully engaged or disengaged. Check for any obstructions in the folding mechanism.
- **Wheels not rotating freely:** Inspect wheels for trapped debris (e.g., dirt, small stones) and clear them. Ensure the wheel axles are not bent or damaged.
- **Handle not adjusting:** Verify that the release button on the handle shaft is fully pressed when attempting to adjust the height.

For further assistance, please contact customer support.

7. Specifications

Feature	Detail

Product Dimensions (Unfolded)	36.2"D x 28.3"W x 16.5"H
Product Dimensions (Folded)	27" x 16.5" x 6"
