3. SETUP

Lattafa Eclair Eau de Parfum is ready for immediate use upon unboxing. No assembly or complex setup is required.

1. Carefully remove the fragrance bottle from its packaging.
2. Ensure the cap is securely in place before handling.

3. Store the bottle upright in a cool, dry place away from direct sunlight and extreme temperatures.

4. OPERATING INSTRUCTIONS

To achieve the best and most lasting fragrance experience, follow these simple steps:

1. Remove the cap from the spray nozzle.
2. Hold the bottle approximately 6-8 inches (15-20 cm) away from your skin.
3. Spray the fragrance on pulse points such as wrists, neck, and behind the ears. These areas generate heat, which helps to diffuse the scent throughout the day.
4. For a lighter application, you may spray into the air and walk through the mist.
5. Avoid rubbing the fragrance into your skin after application, as this can break down the scent molecules and alter the fragrance's longevity and character.

5. MAINTENANCE

Proper care and storage will help preserve the quality and longevity of your Lattafa Eclaire Eau de Parfum.

- **Storage:** Store the bottle in a cool, dark, and dry place, away from direct sunlight, extreme temperatures, and humidity. A closet or drawer is ideal.
- **Cap Security:** Always ensure the cap is tightly closed after each use to prevent evaporation and oxidation of the fragrance.
- **Handling:** Handle the bottle with care to avoid dropping it, which could cause breakage.
- **Cleaning:** If the bottle exterior becomes dusty, gently wipe it with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.

6. SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- **For external use only.** Do not ingest.
- **Avoid contact with eyes.** In case of contact, rinse immediately with plenty of water.
- **Keep away from naked flame or direct heat sources.** Fragrance is flammable.
- **Keep out of reach of children and pets.**
- Discontinue use if irritation or rash occurs. Consult a physician if symptoms persist.
- Do not apply to broken or irritated skin.

7. TROUBLESHOOTING

While Lattafa Eclaire Eau de Parfum is a straightforward product, here are some common inquiries and tips:

- **Fragrance not lasting:** Ensure you are applying to pulse points. Skin hydration can also affect longevity; apply to moisturized skin. Avoid rubbing after application. Environmental factors and individual skin chemistry can also influence how long a fragrance lasts.
- **Scent seems different:** Fragrances can sometimes undergo slight changes if exposed to extreme temperatures or direct sunlight for prolonged periods. Ensure proper storage as outlined in the Maintenance section.
- **Spray nozzle issues:** If the nozzle is clogged, gently wipe it with a damp cloth. Do not attempt to force or disassemble the nozzle.
