4. Assembly Guide

Assembling your 3D Crystal Puzzle requires patience and attention to detail. The pieces interlock to form the final shape. While the puzzle does not come with printed step-by-step instructions in the box, comprehensive solutions are available online.

4.1. Preparation

1. Unpack all puzzle pieces from the box.

2. Find a clean, flat, and well-lit surface to work on.
3. Sort the pieces by shape or any distinguishing features to help identify them during assembly.

5. Care and Maintenance

To ensure your BePuzzled 3D Crystal Puzzle remains a beautiful display piece, follow these care guidelines:

- **Cleaning:** Gently wipe the puzzle with a soft, dry, lint-free cloth to remove dust. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Display:** Display your completed puzzle on a stable, flat surface away from direct sunlight to prevent potential discoloration over time.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss or damage.

6. Troubleshooting

Here are solutions to common issues you might encounter:

6.1. Difficulty Assembling

If you find the puzzle challenging to complete, remember that these puzzles are designed to be brain-bending. The most effective solution is to utilize the online step-by-step guides provided by BePuzzled. These resources can help you identify the correct sequence and placement of pieces.
