OVE Decors 15SKC-BELS60-BLKWM

OVE Decors Bel 60-inch Frameless Sliding Shower Door Alcove Shower Kit

Model: 15SKC-BELS60-BLKWM | Brand: OVE Decors

INTRODUCTION

This user manual provides essential information for the safe and efficient installation, operation, and maintenance of your OVE Decors Bel 60-inch Frameless Sliding Shower Door Alcove Shower Kit. Featuring a modern frameless design with 8mm tempered glass panels and a spa-quality anti-slip shower base, this kit is designed for durability and ease of use. Please read all instructions carefully before beginning installation.

SETUP AND INSTALLATION

Installation of the OVE Decors Bel shower kit requires careful attention to detail and adherence to local building codes. It is recommended that installation be performed by two people due to the weight of the glass panels. Ensure all necessary tools are available before starting.

Included Components:

- Shower Door Glass Panels (Durable 5/16-in (8 mm) thick tempered clear glass)
- Shower Base (Spa-quality with anti-slip finish and sleek hidden drain design)
- Hardware Kit (Includes matte black rolling mechanism, vertical bar handles, and seals)
- Installation Manual (Detailed step-by-step instructions)

Key Installation Steps:

1. **Site Preparation:** Ensure the alcove space is properly prepared, plumb, and level.
2. **Shower Base Installation:** Securely install the shower base, ensuring proper drainage and sealing.

Figure 2: The durable shower base, designed with an anti-slip finish for safety.

Figure 3: Detail of the shower base, highlighting the sleek hidden drain design.

3. **Rail and Roller Assembly:** Install the matte black rolling mechanism rail at the top of the alcove. The system features premium engineered rolling mechanisms for smooth operation.

Figure 4: The top rail with its smooth-gliding rollers, part of the soft-close technology.

4. **Glass Panel Installation:** Carefully lift and secure the tempered glass panels onto the rolling mechanism and bottom guide. Ensure watertight seals are properly installed.

Figure 5: The bottom guide rail, ensuring stable and smooth movement of the door.

5. **Handle Attachment:** Attach the oversized 23-5/8 inch long vertical matte black bar handles to the glass panels.
6. **Final Adjustments:** Perform any necessary adjustments to the rail width and ensure the door slides smoothly and closes securely. The design allows for reversible left or right-hand installation.

OPERATING INSTRUCTIONS

The OVE Decors Bel shower door is designed for effortless and quiet operation. The premium engineered rolling mechanism system incorporates soft-close technology, ensuring a gentle and silent closing action.

- To open the door, gently push the handle in the desired direction. The door will glide smoothly along the top rail.
- To close the door, pull the handle until the soft-close mechanism engages, guiding the door to a quiet and secure close.
- The frameless design and clear glass provide an unobstructed view and a spacious feel to your shower area.

MAINTENANCE AND CARE

Regular cleaning and maintenance will ensure the longevity and pristine appearance of your shower kit.

- **Glass Panels:** Clean tempered glass panels regularly with a soft cloth and a non-abrasive glass cleaner. Avoid harsh chemicals or abrasive pads that could scratch the glass or damage the protective coating.
- **Hardware:** Wipe down matte black hardware with a soft, damp cloth. Do not use abrasive cleaners, solvents, or polishing agents, as these can damage the finish.
- **Shower Base:** The anti-slip finish on the shower base can be cleaned with mild soap and water. Rinse thoroughly to prevent soap scum buildup.
- **Seals:** Periodically inspect the watertight seals around the glass panels for any signs of wear or damage. Replace if necessary to prevent leaks.
- **Rollers and Track:** Keep the top rail and rollers free of debris and soap residue to ensure smooth operation. A silicone-based lubricant can be applied sparingly if the door begins to stick.

Troubleshooting

Problem	Possible Cause	Solution
Door does not slide smoothly.	Debris in track, worn rollers, misaligned rail.	Clean track and rollers. Inspect rollers for damage and replace if needed. Check rail alignment and adjust if necessary.
Water leaks from door.	Damaged or improperly installed seals, improper slope of base.	Inspect and re-seat or replace seals. Ensure shower base is level and has proper drainage slope.
Door does not close completely.	Obstruction in track, soft-close mechanism issue, misaligned door.	Remove any obstructions. Check soft-close mechanism for proper function. Verify door alignment and adjust.
Hardware appears loose.	Screws or fasteners have loosened over time.	Carefully tighten all visible screws and fasteners. Do not overtighten.

Specifications

Feature	Detail
Brand	OVE Decors
Model Number	15SKC-BELS60-BLKWM
Product Dimensions	32.01"D x 60"W x 81.5"H
Item Weight	194.2 Pounds
