

## OVE Decors 15SKC-BELS60-GLDWM

# OVE Decors Bel 60-inch Frameless Sliding Shower Door Alcove Shower Kit with Shower Base User Manual

Model: 15SKC-BELS60-GLDWM

## INTRODUCTION

This manual provides essential information for the safe installation, operation, and maintenance of your OVE Decors Bel 60-inch Frameless Sliding Shower Door Alcove Shower Kit. Please read all instructions carefully before beginning installation and retain this manual for future reference.

## SAFETY INFORMATION

- Always wear appropriate personal protective equipment (PPE) including safety glasses and gloves during installation.
- Ensure all local plumbing and building codes are followed.
- Handle glass panels with extreme care. Tempered glass, while strong, can shatter if struck at the edges.
- Two or more people are required for safe handling and installation of glass panels.
- Verify that the wall structure can support the weight of the shower door system.
- Do not use power tools to overtighten fasteners, as this may damage components.

## PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation. Refer to the detailed parts list included in your product packaging for specific item counts.

- Frameless Sliding Shower Door Panels (Clear Glass)
- Shower Base (White, Anti-slip finish)
- Top Rail and Roller Mechanism (Gold Finish)
- Vertical Bar Handles (Gold Finish)

- Wall Profiles and Seals
- Bottom Guide and Threshold
- Installation Hardware (Screws, anchors, gaskets, etc.)

SPECIFICATIONS

Feature	Detail
Brand	OVE Decors
Model Number	15SKC-BELS60-GLDWM
Installation Type	Screw-In

Shape	Rectangular
Item Weight	194.2 Pounds
Framed	No (Frameless)
Number of Doors	1 (Sliding Panel)
Number Of Panels	2 (1 fixed, 1 sliding)
Assembly Required	Yes
Color	Gold (Hardware)
UPC	828796117814
Product Dimensions	32.01"D x 60"W x 81.5"H
Size	60 Inch (Width)
Finish Type	Gold
Material	Glass, Metal, Plastic
Glass Thickness	5/16-inch (8 mm) Tempered Clear Glass
Special Features	Soft-close technology, Anti-slip shower base, Hidden drain design

## SETUP AND INSTALLATION

Installation of the OVE Decors Bel shower kit requires careful attention to detail and adherence to the provided manufacturer's instructions. It is highly recommended that installation be performed by two or more individuals due to the weight and fragility of the glass panels. Professional installation is advised if you are not experienced with similar projects.

### Pre-Installation Checklist:

- **Review all instructions:** Read the entire manual and the detailed installation guide (usually included in the product packaging) before starting.
- **Gather tools:** Ensure you have all necessary tools, including a drill, level, tape measure, caulk gun, screwdriver set, and safety equipment.
- **Prepare the area:** Ensure the alcove is plumb, level, and square. The shower base area must be clean and ready for installation.
- **Inspect components:** Unpack and inspect all parts for damage or missing items.

### General Installation Steps (Summary - Refer to detailed guide for specifics):

1. **Shower Base Installation:**  
Position and level the shower base. Connect the drain assembly according to plumbing codes. Ensure a watertight seal around the drain and base perimeter.

Image: Detail of the shower base's hidden drain design and anti-slip surface.

**2. Wall Profile Installation:**

Attach the wall profiles to the finished walls, ensuring they are plumb and securely fastened. Use appropriate anchors for your wall type.

**3. Top Rail Assembly:**

Assemble the top rail with the roller mechanism. This rail will support the sliding door panel. Ensure the soft-close components are correctly oriented.

Image: Detail of the gold-finished top rail and roller system, showing the smooth gliding mechanism.

Image: The soft-close mechanism, ensuring quiet and gentle door closure.

**4. Fixed Panel Installation:**

Secure the fixed glass panel into its designated wall profile and bottom track. Ensure it is plumb and level.

**5. Sliding Door Panel Installation:**

Carefully lift and hang the sliding glass panel onto the rollers of the top rail. Install the bottom guide to ensure smooth operation and stability.

Image: The elegant oversized gold vertical bar handle, providing a secure grip for the sliding door.

**6. Handle and Seal Installation:**

Attach the vertical bar handles to the sliding door. Install all necessary watertight seals and gaskets along the glass edges and where panels meet the wall/base.

**7. Final Adjustments and Sealing:**

Adjust the rollers and guides for smooth door operation. Apply silicone sealant to all exterior joints where glass meets wall profiles and the shower base to ensure a waterproof enclosure.

## OPERATING INSTRUCTIONS

---

The OVE Decors Bel shower door features a smooth-gliding soft-close mechanism for effortless operation.

- **Opening the Door:** Gently push the vertical bar handle to slide the door open. The rollers will guide the door smoothly along the top rail.
- **Closing the Door:** Gently pull the vertical bar handle to slide the door closed. The soft-close mechanism will engage as the door approaches the closed position, ensuring a quiet and controlled stop.
- **Maintenance of Movement:** Avoid forcing the door. If resistance is felt, inspect the rollers and track for obstructions

or debris.

## MAINTENANCE

---

Regular cleaning and maintenance will ensure the longevity and appearance of your shower kit.

### Glass Panels:

- Clean glass panels regularly with a soft cloth and a non-abrasive glass cleaner.
- Avoid using abrasive cleaners, scouring pads, or harsh chemicals, as these can scratch the glass or damage protective coatings.
- For best results, squeegee the glass after each use to prevent water spots and mineral buildup.

### Hardware (Gold Finish):

- Wipe down gold-finished hardware with a soft, damp cloth.
- Do not use abrasive cleaners, ammonia-based products, or harsh chemicals on the hardware, as this can damage the finish.
- Dry thoroughly after cleaning to prevent water spots.

### Shower Base:

- Clean the shower base with mild soap and water, using a soft brush or cloth.
- The anti-slip surface should be cleaned gently to maintain its texture.
- Rinse thoroughly to remove all soap residue.

### Seals and Gaskets:

- Periodically inspect seals and gaskets for wear or damage. Replace if necessary to maintain watertight integrity.
- Clean seals with mild soap and water to prevent mold and mildew buildup.

## TROUBLESHOOTING

---

This section addresses common issues you might encounter with your shower door kit.

- **Issue: Door does not slide smoothly.**  
**Solution:** Check the top rail and bottom guide for obstructions or debris. Clean the track thoroughly. Inspect rollers for damage or misalignment. Ensure the door is properly seated on the rollers.
- **Issue: Water leakage from the shower enclosure.**  
**Solution:** Inspect all silicone sealant lines for cracks or gaps and reapply if necessary. Check the condition of all seals and gaskets; replace any that are worn or damaged. Ensure the shower base drain is not clogged.
- **Issue: Soft-close mechanism not engaging or working correctly.**  
**Solution:** Ensure the soft-close components are free of debris. Verify that the door is aligned correctly and that the mechanism is properly installed and adjusted according to the detailed installation guide.
- **Issue: Glass panel appears loose or wobbly.**  
**Solution:** Immediately cease use and inspect all mounting hardware for tightness. Ensure wall profiles and fixed panel clamps are securely fastened. If the issue persists, contact customer support.

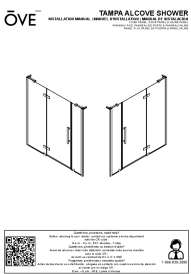

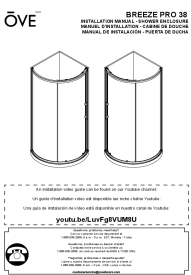

## WARRANTY AND CUSTOMER SUPPORT

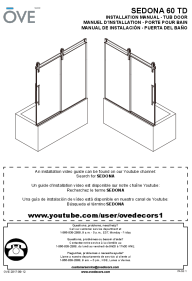

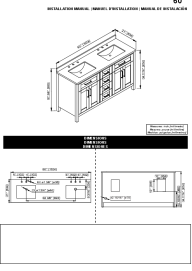

---

For warranty information, please refer to the documentation included with your product or visit the OVE Decors official website. If you require assistance with installation, parts, or troubleshooting that is not covered in this manual, please contact OVE Decors customer support.

**Contact Information:** Refer to your product packaging or the OVE Decors website for the most current customer support details.
