Tukio Q61

Tukio Wireless Earbuds User Manual

Model: Q61

INTRODUCTION

Thank you for choosing Tukio Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features such as Bluetooth 5.3 connectivity, ENC noise reduction, extended playtime, and a comfortable, waterproof design. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

PACKAGE CONTENTS

Please ensure all items are present in the package:

- Tukio Wireless Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable
- User Manual (this document)
- Multiple sizes of Silicone Ear Tips (S, M, L)

SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The LED display on the case will show the charging status.

80Ore Batteria A Lunga Durata

2. Pairing with Your Device

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "Q61" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

The earbuds feature Bluetooth 5.3 technology for stable and fast connections.

3. Wearing the Earbuds

The Tukio earbuds are designed with ergonomic ear hooks for a secure and comfortable fit, especially during sports or active use. Choose the silicone ear tips that best fit your ear canal for optimal sound quality and noise isolation.

You can use the earbuds in single or dual mode. Simply take one earbud out of the case for single use, or both for stereo sound.

KEY FEATURES

High-Fidelity Audio & ENC Noise Reduction

Equipped with a 13.4mm dual-layer diaphragm driver, these earbuds deliver rich, immersive sound with enhanced bass. The integrated 4 ENC (Environmental Noise Cancellation) microphones effectively reduce ambient noise by up to 90%, ensuring crystal-clear calls even in noisy environments.

Extended Playtime & LED Display

Enjoy up to 8 hours of continuous playback on a single charge, with the compact charging case providing an additional 72 hours, totaling up to 80 hours of playtime. The charging case features an intuitive LED display that accurately shows the remaining battery percentage of the case and the charging status of each earbud.

IP7 Waterproof Rating

The earbuds are IP7 waterproof, making them resistant to sweat, splashes, and rain. This makes them ideal for workouts, outdoor activities, and daily use without worry.

Image: A person wearing the earbuds during a workout, with water splashes indicating the IPX7 waterproof rating and resistance to sweat.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or submerge the case in water.
- **Charging:** Always use the provided USB-C cable for charging. Avoid using damaged cables or chargers.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Water Exposure:** While IP7 waterproof, avoid prolonged submersion. Dry the earbuds thoroughly before placing them back in the charging case to prevent damage.

TROUBLESHOOTING

If you encounter any issues with your Tukio Wireless Earbuds, please refer to the following common solutions:

- **Earbuds not pairing/connecting:**

- Ensure both earbuds are charged.
- Turn off and on Bluetooth on your device.
- Forget "Q61" from your device's Bluetooth list and try pairing again.
- Place earbuds back in the case, close the lid, wait a few seconds, then open to reset.

- **Only one earbud working:**

- Ensure both earbuds are charged.
- Place both earbuds back in the charging case, close the lid, and then take them out together.
- Check if the earbuds are connected in "single" mode on your device.

- **Poor sound quality or low volume:**

- Adjust the volume on both your device and the earbuds.
- Ensure the ear tips are properly sealed in your ear canal. Try different sizes.
- Clean any debris from the earbud speakers.
- Ensure there are no obstructions between the earbuds and your device.

- **Charging case not charging:**

- Ensure the USB-C cable is securely connected to both the case and the power source.
- Try a different USB-C cable or power adapter.

SPECIFICATIONS

Feature	Detail
