onerbl onerbl USB-C Charging Cable

onerbl USB-C Charging Cable User Manual

Model: onerbl USB-C Charging Cable

1. INTRODUCTION

Thank you for choosing the onerbl USB-C Charging Cable. This high-quality cable is designed to provide efficient and reliable charging for your compatible devices, including various Razor Turbo and RazorPlatinum power banks. This manual provides essential information for the safe and effective use of your new charging cable.

Key Features:

- Brand New, High Quality USB Cable
- Tested Units. In Great Working Condition.

Image 1.1: onerbl USB-C Charging Cable. This image displays the black, round USB-C charging cable with its male-to-male USB-C connectors on both ends.

2. SAFETY INFORMATION

Please read and follow these safety instructions carefully to prevent damage to the cable, your device, or personal injury.

- Do not expose the cable to extreme temperatures, direct sunlight, or moisture.
- Avoid bending or twisting the cable excessively, as this can damage internal wires.
- Do not use the cable if it appears damaged (frayed, cut, or exposed wires).
- Keep out of reach of children and pets.
- Use only with compatible devices and power sources as specified in this manual.
- Disconnect the cable by pulling the connector, not the cord itself.

3. SETUP

Setting up your onerbl USB-C Charging Cable is straightforward. Ensure you have a compatible device and a suitable power source (e.g., a USB-C wall adapter, power bank, or computer port).

1. **Identify Compatible Devices:** Verify that your device requires a USB-C to USB-C charging cable. This cable is compatible with models such as Razor Turbo RZQC20KK-B, 4919, RZQC12BV-A, RZQC24NK, RZQC80GV, Extereme-PD RZPD26BK, and RazorPlatinum Platinum power banks.
2. **Connect to Power Source:** Insert one end of the USB-C charging cable into a compatible USB-C power adapter or port.
3. **Connect to Device:** Insert the other end of the USB-C charging cable into the USB-C charging port of your Razor Turbo or RazorPlatinum device.
4. **Verify Connection:** Ensure both connections are firm and secure.

4. OPERATING INSTRUCTIONS

Once connected, your device should begin charging automatically.

- **Charging Indication:** Most compatible devices will display a charging indicator (e.g., an LED light or on-screen icon) when power is being received. Refer to your device's manual for specific charging indications.
- **Optimal Charging:** For optimal charging speed, use a power adapter that matches the power requirements of your device.
- **Disconnection:** To stop charging, simply disconnect the cable from either the power source or your device.

5. MAINTENANCE

Proper care and maintenance will extend the life of your charging cable.

- **Cleaning:** Gently wipe the cable with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the cable in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly coiling or kinking the cable.
- **Inspection:** Periodically inspect the cable and connectors for any signs of wear or damage. If damage is found, discontinue use immediately.

6. TROUBLESHOOTING

If you encounter issues with your charging cable, try the following troubleshooting steps:

- **Device Not Charging:**

  - Ensure both ends of the cable are securely connected.
  - Try using a different USB-C port on your power source.
  - Test the cable with another compatible device (if available) to determine if the issue is with the cable or the device being charged.
  - Ensure your power source is functioning correctly.

- **Slow Charging:**

  - Verify that your power adapter provides sufficient power output for your device.
  - Ensure no other devices are drawing excessive power from the same source.

- **Cable Damage:** If the cable shows any signs of physical damage, discontinue use immediately and replace it.

7. SPECIFICATIONS

Feature	Detail
Brand	onerbl
Connector Type	USB Type C
