GESKE Body Brush | 4 in 1 Instruction Manual

Model: GK000704 | Brand: GESKE

Introduction

The GESKE Body Brush | 4 in 1 is a professional cleansing brush designed for the entire body. It offers effective deep cleansing and relaxing massages to enhance skin radiance. This versatile device is engineered with Soft & Flexible Silicone Tips for thorough pore cleansing, helping to eliminate excess sebum and dirt, and reducing the appearance of blackheads and pimples for clearer skin.

Its ergonomic two-finger design ensures a comfortable and secure grip, even when wet, making it easy to use during your shower or bath routine. Beyond cleansing, the brush also stimulates blood circulation, contributing to a natural glow and smoother skin texture.

Usage Instructions

Preparation

Ensure your skin is wet, typically during a shower or bath. You may apply your preferred body wash or cleanser directly to the brush head or to your skin before using the device.

Application

Hold the GESKE Body Brush comfortably using its ergonomic two-finger design. Gently move the brush in circular motions over the desired areas of your body. The soft and flexible silicone tips will work to cleanse and massage your skin.

Post-Use

After cleansing, rinse your skin thoroughly with water to wash away any remaining cleanser, body wash, or foam. Your skin should feel clean, soft, and rejuvenated.

Important Safety Considerations

Do not use the GESKE Body Brush on sensitive, irritated, or broken skin, including open wounds, cuts, or rashes. Allow your skin to heal completely before resuming use of the device. Avoid using the device if you have an active skin infection.

Maintenance and Cleaning

Proper cleaning and maintenance ensure the longevity and hygiene of your GESKE Body Brush.

1. **Rinse After Use:** After each use, rinse the brush thoroughly with water to remove any leftover cleanser or product residue.

2. **Deep Cleaning:** For a more thorough cleaning, spray an organic device cleanser all over the device. This helps to sanitize the silicone and maintain hygiene.
