2. Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Always assemble according to the provided instructions.
- Do not overload shelves beyond their stated weight capacity. The maximum weight capacity for the bench is 120 lbs.
- Ensure the unit is stable and balanced before use. Use the adjustable feet to stabilize on uneven floors.
- Keep away from direct heat sources and open flames.
- Avoid placing heavy or sharp objects on the shelves that could cause damage or instability.
- Never leave children or pets unattended near the unit, especially during assembly or if shelves are loaded.

3. Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components
- Wood Top Panel (for bench and top shelf)
- Mesh Shelves (6 tiers)
- Adjustable Feet
- Hooks (for side attachment)
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (e.g., Allen wrench)
- Instruction Manual

4. Setup and Assembly Instructions

Assembly is straightforward and typically takes 10-15 minutes. Follow these steps carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Main Frame:** Connect the vertical metal frame components using the provided hardware. Ensure all connections are secure but do not fully tighten screws until all parts are aligned.
3. **Install Mesh Shelves:** Slide the mesh shelves into their designated slots on the main frame. The tight wire mesh design prevents small items or high heels from falling through.
4. **Attach Wood Panels:** Secure the wood top panel for the main shelf and the wood bench panel to their respective frame sections.
5. **Install Adjustable Feet:** Screw the adjustable feet into the bottom of the frame. These help stabilize the unit on uneven surfaces.
6. **Attach Hooks:** Secure the handy hooks to the side of the bench frame for additional storage.
7. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts.

5. Operating Instructions / Usage

This multi-use shoe rack is designed for efficient storage and convenience.

- **Shoe Storage:** The 6 mesh shelves can accommodate approximately 18-24 pairs of normal shoes. The design also includes a tall compartment suitable for storing snow boots, work boots, or other taller footwear.
- **Seating Bench:** The integrated bench provides a convenient place to sit while putting on or taking off shoes.
- **Top Shelf:** The top wood shelf is ideal for placing decorative items, storage boxes, bags, keys, or other small sundries.

- **Side Hooks:** Utilize the attached hooks for hanging items such as keys, umbrellas, or small bags.

Image 5.1: The varied shelf heights accommodate different shoe types, including tall boots, and the mesh design prevents heels from snagging.

6. Maintenance and Care

Proper care will ensure the longevity and appearance of your shoe rack bench.

- **Cleaning:** Wipe the surfaces with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining, especially on the wood surfaces.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Placement:** Avoid prolonged exposure to direct sunlight or extreme humidity, which can affect the wood and metal components.

7. Troubleshooting

If you encounter any issues with your shoe rack bench, refer to the following common solutions:

- **Wobbly Unit:** Ensure all screws are fully tightened. Use the adjustable feet at the bottom of the frame to level the unit on uneven floors.
- **Difficulty Assembling:** Double-check the instruction manual and ensure all parts are oriented correctly. Do not overtighten screws until all components are loosely fitted.
- **Missing Parts:** If any components were missing from the package, please contact Katrawu customer support for assistance.
