Katrawu DY2853

Katrawu 5-Tier Shoe Organizer with Storage Instruction Manual

Model: DY2853

1. Introduction

Thank you for choosing the Katrawu 5-Tier Shoe Organizer with Storage. This manual provides essential information for the safe assembly, operation, and maintenance of your new shoe rack. Please read these instructions carefully before assembly and retain them for future reference.

Image 1.1: The Katrawu 5-Tier Shoe Organizer with Storage, showcasing its design and capacity for various footwear and accessories.

2. Safety Information

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the shelves. Refer to the specifications for weight capacity.
- Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- Do not climb on or stand on the shoe rack.
- Place the shoe organizer on a level surface to ensure stability. Use the adjustable feet to compensate for uneven floors.

3. Package Contents

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components (various sizes)
- Mesh Shelves (4 units)
- Wooden Top Board (1 unit)
- Side Felt Storage Bag (1 unit)
- Removable Hooks (4 units)
- Adjustable Foot Pads (4 units)
- Assembly Hardware (screws, Allen wrench)

4. Assembly Instructions (Setup)

Assembly is estimated to take 10-15 minutes. Two people are recommended for easier assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface and compare them with the package contents list.
2. **Attach Adjustable Foot Pads:** Screw the adjustable foot pads into the pre-drilled holes at the bottom of the main metal frame components.
3. **Assemble Main Frame:** Connect the vertical and horizontal metal frame components using the provided screws and Allen wrench. Do not fully tighten screws until all parts are aligned.

4. **Insert Mesh Shelves:** Slide the four mesh shelves into their designated slots within the metal frame. Ensure they are securely seated.
5. **Secure Wooden Top Board:** Place the wooden top board onto the top of the metal frame. Align the holes and secure it with the remaining screws.
6. **Attach Side Storage Bag and Hooks:** Hang the felt storage bag onto the side of the frame using its integrated loops or hooks. Attach the four removable hooks to the side mesh panel or designated holes on the frame.
7. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws.

5. Operating Instructions

The Katrawu 5-Tier Shoe Organizer is designed for efficient shoe storage and organization in various areas of your home.

- **Shoe Placement:** Utilize the four mesh shelves for regular shoes, sneakers, and heels. The mesh design prevents smaller heels from falling through.
- **Tall Footwear Storage:** The dedicated tall compartment on the side is ideal for storing boots, snow boots, or other taller items.
- **Top Shelf Usage:** The rustic brown wooden top board serves as an additional surface for decorative items, storage boxes, handbags, keys, or hats.
- **Side Storage:** The felt side storage bag is perfect for smaller items such as magazines, keys, socks, or shoe brushes. The removable hooks can hold bags, towels, or other accessories.

Image 5.1: Illustrates the varied shelf heights suitable for different shoe types, including a tall compartment for boots and mesh shelves designed to prevent heels from snagging.

6. Maintenance and Care

- **Cleaning:** Wipe the metal frame and wooden top board with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying.
- **Felt Bag Care:** The felt storage bag can be spot cleaned with a mild detergent and air-dried.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish of the product.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.

- **Placement:** Avoid placing the shoe organizer in direct sunlight or near heat sources to prevent warping or discoloration of the wooden components.

7. Troubleshooting

- **Unit is Wobbly:**
  - Ensure all screws are fully tightened.
  - Adjust the foot pads at the bottom of the frame to stabilize the unit on uneven floors.
- **Parts Do Not Align During Assembly:**
  - Loosen all screws slightly, adjust the components to align, then re-tighten.
  - Double-check that you are using the correct parts for each step as per the instructions.
- **Shoes Falling Off Back:**
  - Ensure the shoe organizer is placed flush against a wall. The design includes a back baffle to prevent shoes from falling.

8. Specifications
