## SETUP

---

### 1. Battery Installation

The Tamagotchi device requires one LR44 battery. A battery is typically included. If the device does not power on, or if you need to replace the battery, follow these steps:

1. Locate the battery compartment on the back of the device.
2. Using a small Phillips head screwdriver (not included), carefully open the battery compartment cover.
3. Insert one new LR44 battery, ensuring the correct polarity (+/-) as indicated inside the compartment.
4. Replace the battery compartment cover and secure it with the screw.

## 2. Initial Activation and Time Setting

After battery installation, the device should power on. If not, press the reset button (usually a small recessed button on the back or side, requiring a pointed object like a pen tip). Follow the on-screen prompts to set the current time and date. Accurate time setting is crucial for the Tamagotchi's life cycle.

## OPERATING INSTRUCTIONS

---

### Basic Controls

The Tamagotchi device features three primary control buttons:

- **Button A (Left):** Selects options or moves the cursor.
- **Button B (Middle):** Confirms selections or performs actions.
- **Button C (Right):** Cancels actions or returns to the previous screen.

### Caring for Hello Kitty

Your Hello Kitty Tamagotchi requires daily attention to grow and thrive. Monitor her needs by checking the status icons on the screen.

- **Feeding:** Provide meals and snacks when Hello Kitty is hungry.
- **Cleaning:** Clean up after Hello Kitty when she makes a mess.
- **Playing:** Engage in mini-games to keep Hello Kitty entertained and happy.
- **Discipline:** Address misbehavior if Hello Kitty is acting out.
- **Medicine:** Administer medicine if Hello Kitty becomes sick.

Image: Side view of the Tamagotchi device.

### **Mini-Games**

The device includes exclusive mini-games themed around the Hello Kitty universe. Access these games through the menu to play with Hello Kitty and improve her happiness levels.

## **MAINTENANCE**

---

### **Cleaning**

To clean your Tamagotchi, gently wipe the exterior with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the device's finish or screen.

### **Battery Replacement**

When the battery is low, the screen may dim or the device may stop responding. Refer to the "Battery Installation" section under Setup for instructions on replacing the LR44 battery.

### **Storage**

If you plan to store the device for an extended period, it is recommended to remove the battery to prevent leakage and potential damage.

## TROUBLESHOOTING

---

- **Device not powering on:**
  - Check if the LR44 battery is correctly installed with the proper polarity.
  - Replace the battery with a new one.
  - Press the reset button using a pointed object.
- **Screen is dim or unresponsive:**
  - The battery may be low. Replace the LR44 battery.
  - Perform a soft reset by pressing the reset button. Note that this may reset game progress.
- **Hello Kitty is not growing or seems unhappy:**
  - Ensure you are consistently attending to all of Hello Kitty's needs (feeding, cleaning, playing).
  - Verify that the time and date settings are correct.
