HOGOKIDS 11815

HOGOKIDS Ocean Roller Coaster Building Set

Model: 11815

Introduction

This instruction manual provides detailed guidance for assembling, operating, and maintaining your HOGOKIDS Ocean Roller Coaster Building Set. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience. This set is designed to create an immersive ocean-themed roller coaster with interactive elements.

Safety Information

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.
This product contains small parts which may pose a choking hazard. Adult supervision is recommended during assembly and play, especially for younger children. Ensure all pieces are securely connected to prevent detachment during play. Keep packaging materials away from children.

What's in the Box

Your HOGOKIDS Ocean Roller Coaster Building Set includes the following components:

- 675 Building Blocks (various shapes and colors)
- Instruction Manual

Key Assembly Steps:

1. **Base Construction:** Begin by building the main base platform, ensuring all foundation blocks are firmly connected.
2. **Track Assembly:** Carefully connect the blue track pieces to form the roller coaster path. Ensure smooth connections for optimal railcar movement.
3. **Feature Integration:** Assemble the pirate shipwreck, transparent water tunnel, and other decorative ocean elements. Integrate them into the track layout as shown in the manual.
4. **Dolphin Railcar:** Construct the dolphin-shaped railcar. Ensure its wheels are properly aligned to glide along the track.

Operating Instructions

Once assembled, the HOGOKIDS Ocean Roller Coaster is ready for interactive play. The dolphin railcar is designed to slide along the track, simulating a roller coaster ride.

Playing with the Set:

- Place the dolphin railcar at the starting point of the track.
- Gently push the railcar to send it along the roller coaster path.
- Interact with the various sea creatures and features, such as the movable turtle and the treasure chest.
- Explore the different sections of the ocean environment, including the shipwreck and the aquarium-like structure.

Maintenance

To ensure the longevity and cleanliness of your building set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, damp cloth. Do not submerge in water or use harsh chemicals, as this may damage the plastic or printed details.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration and warping of plastic components.
- **Handling:** Handle the assembled set with care to avoid accidental disassembly.

Troubleshooting

If you encounter any issues with your HOGOKIDS Ocean Roller Coaster Building Set, please refer to the following common solutions:

Problem	Solution
Pieces are difficult to connect.	Ensure proper alignment before applying pressure. Some new pieces may require slightly more force initially. If a piece consistently does not fit, check if it is the correct piece according to the manual.
Railcar does not move smoothly on the track.	Check all track connections to ensure they are fully snapped together and form a continuous, level path. Verify that the railcar wheels are clean and free of debris.
Missing or damaged parts.	Carefully check all packaging materials. If parts are genuinely missing or damaged, please contact HOGOKIDS customer support with your product model number and a description of the missing/damaged part.
Instructions are unclear.	Refer to the visual diagrams in the manual. If a specific step remains unclear, try re-examining the previous steps or looking ahead to see the final structure. Online resources or videos may also provide additional visual guidance.
