## MLK DAYHIS DREAMIS MYDREAM 40oz Tumbler User Manual

Model: B0D3TN2G4W | Brand: Generic

### INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your MLK DAYHIS DREAMIS MYDREAM 40oz Tumbler. Please read this manual thoroughly before first use to ensure optimal performance and longevity of your product.

## SETUP

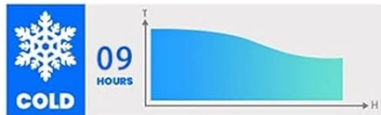

### Initial Cleaning

Before first use, wash all components of the tumbler, including the cup, lid, and straw, with warm soapy water. Rinse thoroughly and allow to air dry completely. This ensures hygiene and removes any manufacturing residues.

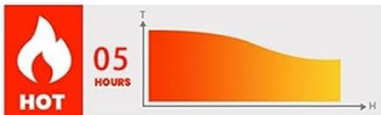

### Lid and Straw Assembly

1. Ensure the silicone seal on the lid is properly seated to prevent leaks.
2. Place the lid onto the tumbler and twist or press down firmly until it is securely in place.
3. Insert the straw through the designated opening in the lid. The straw is designed to be telescopic for convenience.

# KEEP YOUR DRINK COLD/HOT

KEEP COLD FOR 9 HOURS

KEEP HIGH TEMPERATURE FOR  
5 HOURS

## OPERATING INSTRUCTIONS

### Filling the Tumbler

The wide mouth opening allows for easy filling with your preferred beverage. For hot liquids, do not close the lid immediately after pouring to prevent pressure buildup and potential burns from hot air. Allow a few moments for steam to escape before securing the lid.

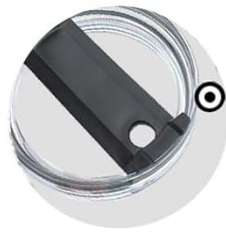

### Temperature Retention

This tumbler features a double-layer inner and outer 304 18/8 stainless steel cup with a vacuum insulation layer, enhanced by a 2-thickness copper coating. This design ensures excellent temperature retention.

- **Cold Beverages:** Keeps drinks cold for up to 9 hours.
- **Hot Beverages:** Keeps drinks hot for up to 5 hours.

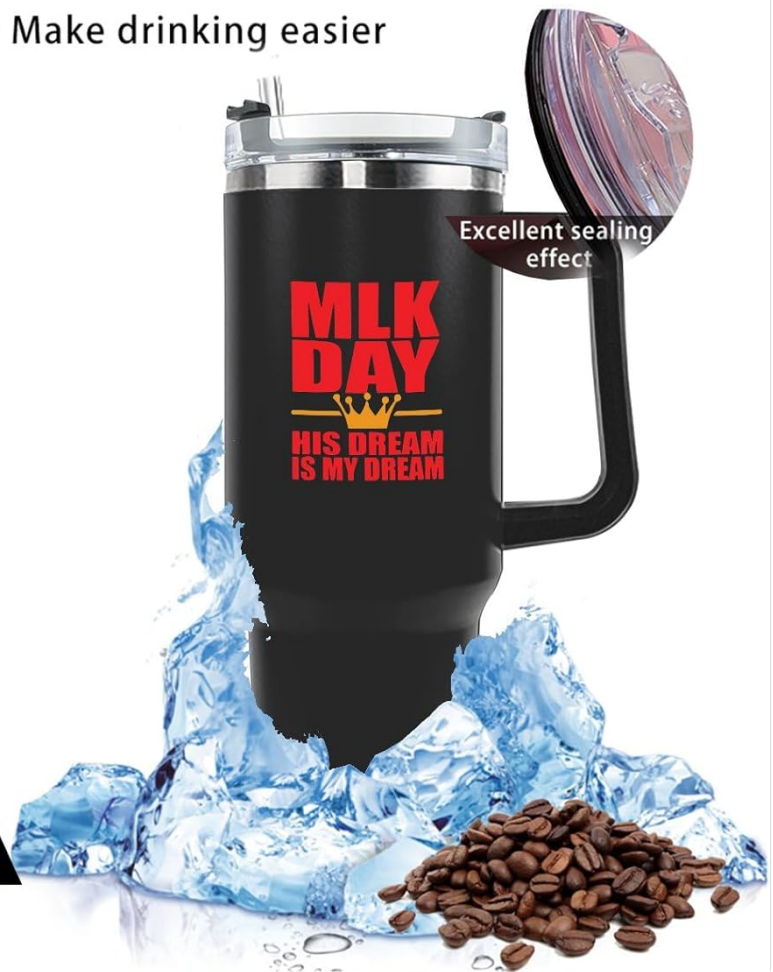

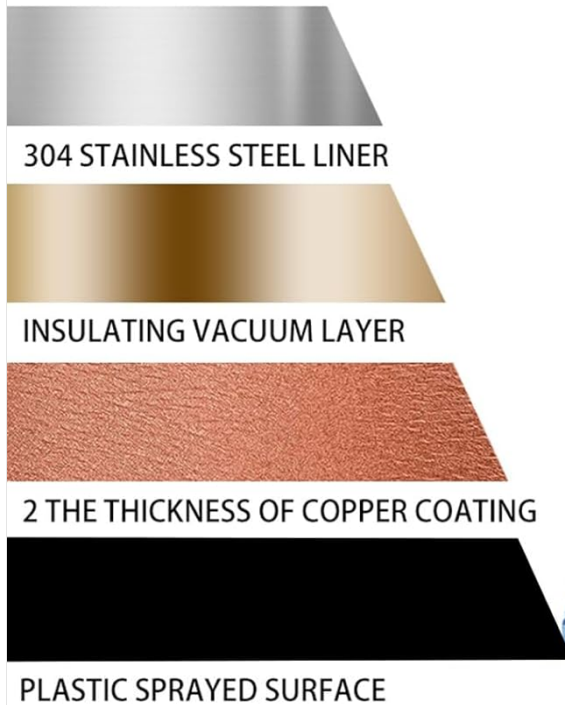

# UPGRADED NO LEAKING LID

## TWO DRINKING WAYS DESIGN

⦿ Make drinking easier

Excellent sealing effect

*Image: A visual representation demonstrating the tumbler's ability to keep beverages cold for 9 hours and hot for 5 hours.*

### Drinking Methods

The upgraded lid offers two convenient drinking ways:

- **Straw Opening:** Use the included straw for sipping.
- **Flip-Top Opening:** The built-in matching colored flip lid allows for direct drinking.

*Image: A cutaway diagram illustrating the tumbler's internal layers (stainless steel, vacuum, copper coating) and the upgraded lid design with two drinking options and an excellent sealing effect.*

## MAINTENANCE

### Cleaning

The tumbler is designed for easy cleaning. It is **Dishwasher Safe**. For best results and to prolong the life of the product, we recommend the following:

- For daily cleaning, wash with warm soapy water.
- Use a bottle brush for thorough cleaning of the interior.
- Ensure all components, especially the lid and straw, are thoroughly cleaned and dried to prevent odor or mold buildup.

### Care Tips

- Do not use abrasive cleaners or scrubbers, as they may damage the finish.
- Avoid dropping the tumbler, as this may dent the stainless steel and affect its insulation properties.
- Store with the lid off to allow for air circulation when not in use for extended periods.

## TROUBLESHOOTING

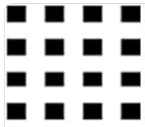

Problem	Possible Cause	Solution
Liquid leaking from lid	Lid not properly sealed; silicone ring dislodged or damaged.	Ensure the lid is securely twisted/pressed down. Check that the silicone seal is correctly seated and free from debris. If damaged, replace the lid.
Poor temperature retention	Lid not sealed; extreme external temperatures; tumbler damage.	Verify the lid is tightly closed. Avoid leaving the tumbler in direct sunlight or extreme cold for extended periods. Inspect for dents or damage that could compromise vacuum seal.

Problem	Possible Cause	Solution
Exterior sweating	Compromised vacuum insulation; extreme temperature difference.	The tumbler is designed to be sweat-resistant. If sweating occurs, the vacuum insulation may be compromised, often due to impact damage. Contact support if the issue persists without visible damage.

## SPECIFICATIONS

Feature	Detail
Brand	Generic
Color	All Black
Special Feature	Heat preservation
Style	Casual
Theme	Sports
Occasion	Happy Hour
Included Components	Lid
Product Care Instructions	Dishwasher Safe
Unit Count	1.0 Fluid Ounces
Product Dimensions	6"W x 11"H (approximate)
Number of Items	1
ASIN	B0D3TN2G4W
Date First Available	May 10, 2024
