1. SAFETY INFORMATION

WARNING: Do not exceed the maximum weight capacity of 100 pounds (45.36 kg). Overloading may cause instability and damage to the stand or its contents.

2. PRODUCT OVERVIEW

The Lerliuo Record Player Stand is a two-tier storage unit designed for record players and vinyl albums. It features a full wooden structure with solid wood legs for stability and a retro aesthetic. The stand includes dedicated compartments for organizing records and an elevated display space for audio equipment or decorative items.

- **Sturdy Construction:** Made with a full wooden structure and solid wood legs for enhanced durability.
- **Ample Storage:** Designed to accommodate up to 100 lbs and approximately 160 records.
- **Versatile Display:** An elevated middle shelf provides space for audio equipment, books, or decorative items.
- **Cable Management:** Features circular line holes on the back panel for convenient cable routing.
- **Multi-functional Design:** Can be used as a record player stand, bedside table, bookshelf, or file cabinet.

3. SETUP & ASSEMBLY

This record player stand requires assembly. Please ensure all parts are present and refer to the included installation manual for detailed steps. An installation toolkit is provided.

3.1 Unpacking and Part Identification

Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Verify that all parts listed in the installation manual are present. The packaging includes thick foam and sturdy edges to protect components during transit.

3.2 Assembly Video Guide

For a visual guide, please refer to the official installation video below. This video demonstrates the step-by-step assembly process.

Video 3.1: Official Lerliuo Record Stand Installation Guide. This video provides a visual walkthrough of the assembly process, showing how to connect the various wooden panels and attach the solid wood legs.

Follow the instructions in the video and the provided manual to assemble the stand. Ensure all screws are tightened securely for stability.

4. OPERATION

The Lerliuo Record Player Stand is designed for easy use and organization of your audio setup.

4.1 Placing Your Record Player

Place your record player on the top surface of the stand. The stand's dimensions (18.1" L x 15.7" W) are suitable for various record player sizes. Ensure the record player is centered and stable.

4.2 Storing Vinyl Records

Utilize the lower compartments for storing your vinyl record collection. The design allows for organized storage of approximately 160 albums. Place records vertically to prevent warping and damage.

4.3 Using the Display Shelf

The middle shelf, with a height of 10.4 inches, is ideal for placing audio equipment such as speakers, amplifiers, or decorative items like books and plants. The circular line holes on the back panel facilitate neat cable management for electronic devices.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your Lerliuo Record Player Stand.

- **Cleaning:** Wipe the stand with a dry cloth to remove dust and debris. Avoid using abrasive cleaners or harsh chemicals, which can damage the wood finish.
- **Spills:** In case of spills, wipe immediately with a soft, dry cloth.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Placement:** Avoid placing the stand in direct sunlight or near heat sources, as this can cause warping or fading of the wood.

6. TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the following common solutions:

- **Stand is Wobbly:**

- Ensure all screws are fully tightened.
- Verify that the stand is placed on a flat, even surface.
- Check if any of the solid wood legs are uneven; adjust if possible.

- **Missing Parts:**

- Double-check the packaging and all packing materials. Small parts can sometimes be overlooked.
- If parts are genuinely missing, contact Lerliuo customer support for assistance.

- **Difficulty Assembling:**

- Review the assembly video and instruction manual carefully, paying close attention to each step and diagram.
- Ensure you are using the correct hardware for each step.
