Quimoo Makeup Vanity

Quimoo Makeup Vanity Desk with Mirror and Lights - User Manual

Model: Makeup Vanity
Brand: Quimoo

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Quimoo Makeup Vanity Desk with Mirror and Lights. Please read this manual thoroughly before assembly and use to ensure safe and optimal performance of your product.

IMPORTANT SAFETY INFORMATION

- Exercise caution when using electrical devices near the vanity desk.
- Ensure stability by properly assembling and securing the vanity to prevent tipping.
- Keep all small parts and packaging materials away from children during assembly.
- Do not overload drawers or shelves to maintain stability.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. Refer to the included assembly guide for a complete list of parts and hardware.

- Vanity Desk Frame and Panels
- Mirror with LED Light Bulbs
- Drawers (x4)
- Power Strip with 2 AC Outlets and 2 USB Ports
- Assembly Hardware and Tools (e.g., screws, L-wrench)
- Instruction Manual

SETUP AND ASSEMBLY

Detailed assembly instructions are provided in the separate assembly guide included with your product. Follow the step-by-step diagrams and instructions carefully. Ensure all connections are secure before use.

Key Assembly Steps:

1. Assemble the main desk frame and attach the side panels.
2. Install the four drawers into their respective slots, ensuring smooth operation of the slides.
3. Attach the mirror unit to the desk.
4. Affix the LED light bulbs to the mirror using the provided suction cups. Arrange them as desired around the mirror's perimeter.
5. Install the built-in power strip into the designated area.
6. Secure the vanity to a wall using the anti-tipping features for enhanced stability.

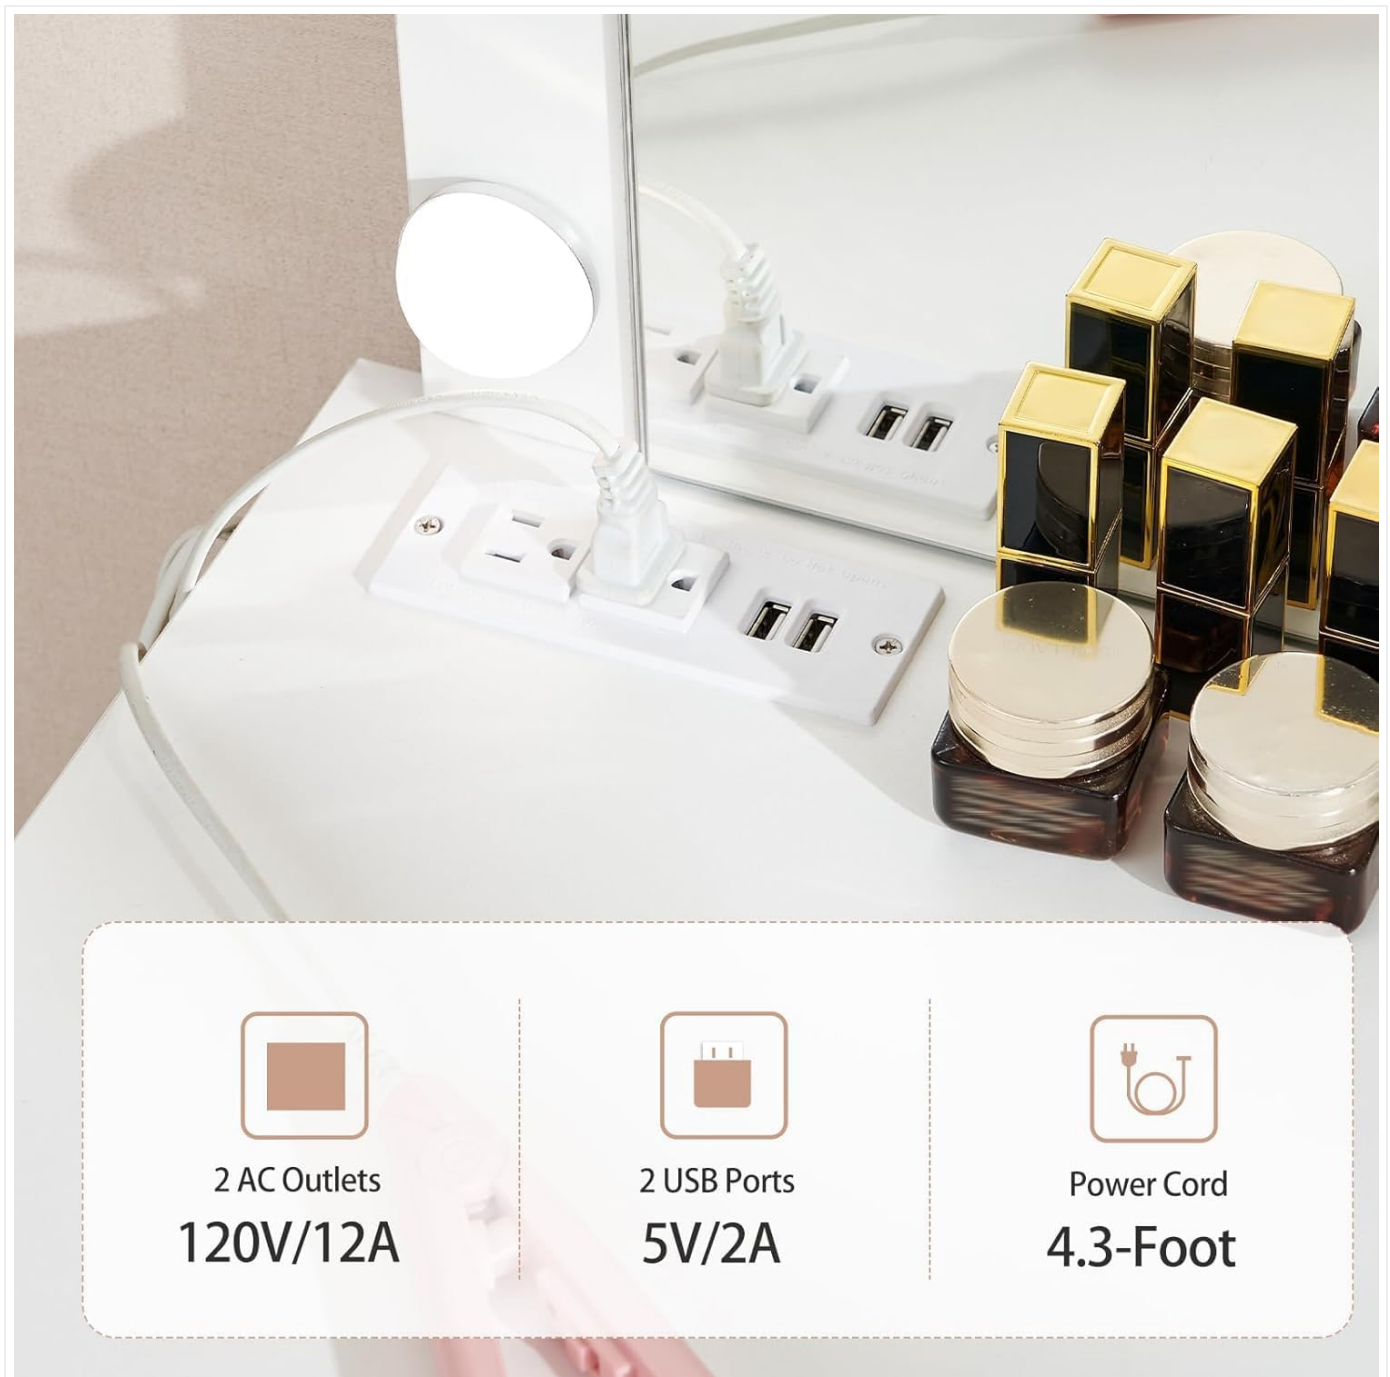

Figure 2: Detailed dimensions of the vanity desk, including mirror, shelves, and drawer sizes.

OPERATING INSTRUCTIONS

Mirror Lights Operation:

The vanity mirror is equipped with 10 LED lights offering 3 color modes and adjustable brightness.

- **Power On/Off:** Short press the switch to turn the lights on or off.
- **Change Lighting Mode:** Short press the switch to cycle through the 3 color modes: Cold White (6500K), Warm White (4500K), and Warm Yellow (3500K).
- **Adjust Brightness:** Long press the switch to adjust the brightness level for the selected lighting mode. Release when the desired brightness is achieved.

Figure 4: Visual guide to the three lighting modes (Cold White, Warm White, Warm Yellow) and brightness adjustment.

Built-in Power Outlet and USB Ports:

The vanity desk includes a power strip with 2 standard AC outlets (120V/12A) and 2 USB ports (5V/2A) for convenient charging of electronic devices and powering beauty tools.

- Plug the vanity's main power cord into a wall outlet.
- Connect your hair dryer, curling iron, phone charger, or other devices to the available AC outlets or USB ports.

Figure 5: Close-up view of the integrated power strip, highlighting the AC outlets and USB charging ports.

Storage Features:

The vanity desk offers ample storage solutions to keep your beauty essentials organized.

- **Drawers:** Four spacious drawers are available for storing makeup, skincare products, and other personal items. The drawers feature smooth slides for easy access.
- **Open Storage Shelves:** Three-layer open shelves provide convenient access to frequently used items or for displaying decorative pieces.

○ Ample Storage Space

Figure 7: Detail of the metal handle and the smooth drawer slide mechanism for easy opening and closing.

MAINTENANCE

To maintain the appearance and longevity of your vanity desk:

- Clean the surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- Regularly check and tighten any loose screws or fittings to ensure stability.
- Keep the power strip and electrical components dry and free from spills.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cord not plugged in; loose bulb connection; power outage.	Ensure the power cord is securely plugged into a working outlet. Check if all bulb connections are firm. Verify power supply.
Drawers are difficult to open/close.	Drawer slides are misaligned or obstructed; overloaded drawer.	Check for obstructions. Ensure drawers are correctly installed on the slides. Reduce contents if overloaded.
Vanity feels unstable.	Loose assembly hardware; not secured to wall.	Tighten all assembly screws. Ensure the anti-tipping hardware is correctly installed and secured to a wall stud.
