2. Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

- Keep small parts away from young children to prevent choking.
- Adult supervision is recommended during assembly, especially for younger builders.
- Do not ingest any building block pieces.
- Dispose of packaging materials responsibly.

3. Package Contents

Verify that all components are present before beginning assembly. The package for the QLT White Flowers House Building Set (KB7133) includes:

- 639 high-quality building block pieces.
- Detailed instruction manual.

4. Assembly Instructions

Follow the step-by-step instructions provided in the included manual to construct your White Flowers House Building Set. Organize pieces by color and shape to facilitate the building process.

1. **Unpack and Sort:** Carefully open the packaging and sort all building blocks. It is recommended to separate pieces by type or color to make them easier to find during assembly.
2. **Follow the Manual:** Refer to the dedicated instruction manual included in your package for precise, step-by-step assembly guidance. Each step is illustrated to ensure clarity.
3. **Connect Pieces Securely:** Ensure each block is firmly connected to the adjacent pieces to maintain the structural integrity of the model.
4. **Assemble Sub-sections:** The manual will guide you through building smaller sections (e.g., walls, roof, interior elements) before combining them into the complete structure.

Image 4.1: An alternative view of the assembled flower house, highlighting the detailed exterior and surrounding accessories.

For detailed visual guidance, consult the included instruction booklet.

5. Operating and Features

Once assembled, your QLT White Flowers House Building Set offers several interactive features:

- **Openable Parts:** The model features an openable skylight, roof, windows, and a door, allowing for interior access and display flexibility.
- **Interior Details:** Explore the intricate interior design, including flower arrangements and shelving.
- **Light-Up Feature:** The set includes a light-up element to illuminate the interior, creating a warm ambiance. (Note: Battery for light-up feature may not be replaceable, as per customer feedback. Use as intended.)

Image 5.1: Close-up view illustrating the openable door, skylight, and various interior elements of the flower house.

Image 5.2: Comparison of the flower house during day and night, demonstrating the integrated light-up feature.

6. Maintenance

To ensure the longevity and appearance of your building set:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying.
- **Storage:** Store the assembled model or individual pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.

7. Troubleshooting

- **Missing Pieces:** If you discover any missing pieces during assembly, please contact customer support with details of the missing parts.
- **Difficulty Assembling:** Double-check the instruction manual for the correct orientation and connection points.

Ensure pieces are fully pressed together.

- **Light-Up Feature Not Working:** Verify that the light-up component is correctly installed according to the manual. If it uses batteries, ensure they are correctly inserted and have sufficient charge. Note that some light-up features may have non-replaceable batteries.
