# Loop Engage 2 Plus Ear Plugs User Manual

Model: en-enp-dsk-03

Brand: Loop

## 1. PRODUCT OVERVIEW

The Loop Engage 2 Plus Ear Plugs are designed to provide everyday noise relief while maintaining clear speech, making them ideal for social gatherings, work, conversations, parenting, and managing noise sensitivity. They offer 16 dB (SNR) of noise reduction, with an additional 9 dB available using the included Mute accessories.

### Key Features:

- **Fewer Distractions, More Connection:** Designed for socializing, offering discreet relief against everyday noise for clear and focused conversations.
- **Keeps Conversations Clear:** Filters background noise and minimizes the 'blocked ear' sensation, allowing you to stay present in various social and professional settings.
- **Extra Coverage on Demand:** Includes removable Loop Mute accessories for an additional 9 dB of noise reduction when needed.
- **Easy to Use & Customized Fit:** Comes with multiple ear tip sizes (silicone and foam) for a secure and

comfortable fit. Reusable and easy to clean.

- **Award-winning Design:** Features an innovative acoustic channel and mesh filter for effective noise reduction and clear speech.

**Clear speech**  
Reduce noise while sounding natural in conversations

**Discreet relief**  
Take the edge off everyday noise to feel calm and focused

**More control**  
Extra 9 dB of coverage on demand with Loop Mute

**Eco-friendly**  
Stylish and reusable earplugs built to last

## 2. SETUP AND FITTING

Achieving the correct fit is crucial for optimal performance and comfort. The Loop Engage 2 Plus earplugs come with various ear tip sizes to ensure a personalized fit.

### Finding Your Perfect Fit:

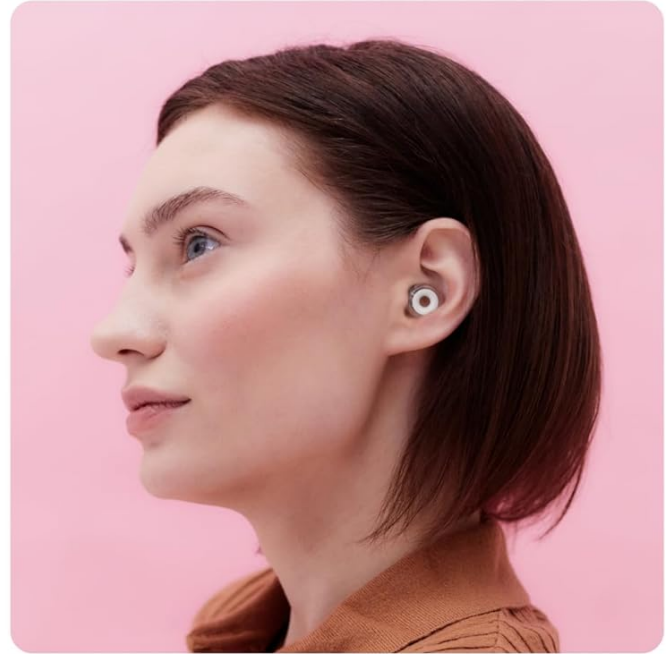

1. **Insert and Twist:** Gently insert the earplug into your ear canal. Once inserted, twist the earplug to secure it. The earplug should not stick out or be visible from the front when properly seated.

2. **Try All Ear Tip Sizes:** The package includes 4 sets of silicone ear tips (sizes XS, S, M, L) and 3 sets of foam ear tips (sizes S, M, L). If the earplug feels uncomfortable or sticks out, try a smaller size. If it doesn't feel secure, try a larger size. The goal is a snug, comfortable fit that creates a good seal.

# Find your perfect fit

## 1. Insert and twist

Loop earplugs should never stick out or be visible from the front.

## 2. Try all ear tip sizes

Sticking out or uncomfortable?  
Try a smaller size.

Don't feel secure?  
Go a size up.

## 3. OPERATING INSTRUCTIONS

Once properly fitted, your Loop Engage 2 Plus earplugs are ready for use. They are designed to filter noise while allowing for clear communication.

### Using the Earplugs:

- Simply pop them into your ears and twist to secure, as described in the Setup section.
- The earplugs will reduce background noise by 16 dB (SNR), allowing you to hear conversations and important

sounds more clearly without feeling overwhelmed.

### Using Loop Mute Accessories:

- For situations requiring additional noise reduction, attach the removable Loop Mute accessories. These provide an extra 9 dB of coverage.
- Refer to the exploded view diagram for proper attachment of the Mute accessories.

## 4. MAINTENANCE AND CARE

To ensure the longevity and hygiene of your Loop Engage 2 Plus earplugs, regular cleaning is recommended.

- The earplugs are reusable and easy to clean.

- Gently wipe the earplugs and ear tips with a soft, damp cloth after each use.
- For a more thorough cleaning, you can use mild soap and water. Ensure they are completely dry before storing them in the provided carry case.

## 5. TROUBLESHOOTING

If you experience issues with your Loop Engage 2 Plus earplugs, consider the following:

- **Poor Noise Reduction:** Ensure the earplugs are properly inserted and twisted to create a good seal. Experiment with different ear tip sizes to find the best fit for your ear canal.
- **Discomfort:** If the earplugs cause discomfort, try a smaller ear tip size. Ensure they are not inserted too deeply.
- **Muffled Sound (without Mutes):** Verify that the earplugs are clean and free from debris. Ensure the mesh filter is not obstructed.

For further assistance, please refer to the official user guide or contact Loop customer support.

## 6. PRODUCT SPECIFICATIONS
