## INTRODUCTION

Welcome to your Loop Quiet 2 Ear Plugs instruction manual. These ultra-comfy, reusable earplugs are designed to provide up to 24 dB (SNR) of noise reduction, enhancing your sleep, focus, travel, and overall comfort in noisy environments.

The Loop Quiet 2 earplugs are made from lightweight, flexible silicone and come with multiple ear tip sizes for a customizable and secure fit.

## WHAT'S IN THE BOX

- 1 set of Loop Quiet 2 earplugs
- 4 sets of Quiet 2 ear tips (sizes XS, S, M, L – M comes pre-installed)
- 1 portable convenient Carry Case

Image showing the Loop Quiet 2 earplugs packaging, including the earplugs, multiple ear tip sizes (XS, S, M, L), and a portable carry case.

## SETUP

### Choosing the Right Ear Tip Size

The Loop Quiet 2 earplugs come with four different ear tip sizes (XS, S, M, L) to ensure a perfect and comfortable fit. The medium size is pre-installed.

To find your ideal fit, try each ear tip size in both ears.

- If the earplugs feel uncomfortable or stick out, try a smaller size.
- If they don't feel secure or allow too much noise, try a larger size.

### **Attaching/Detaching Ear Tips**

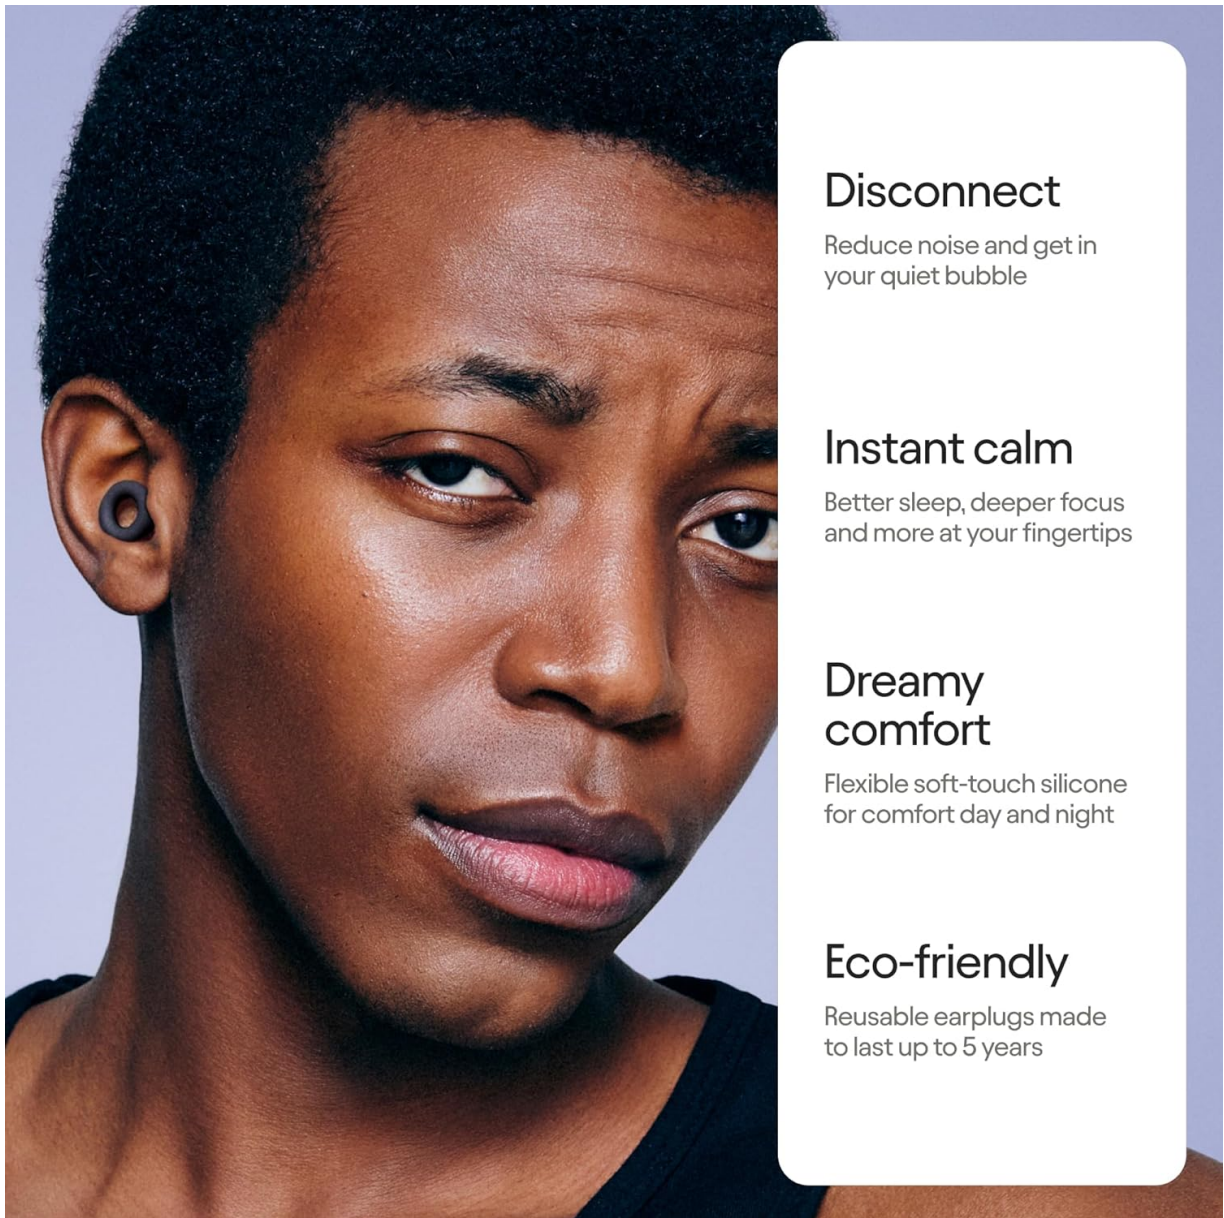

The silicone ear tips are easy to attach and detach. Gently pull the existing tip off the earplug. Align the new tip with the earplug and push it firmly into place until it is secure.

## **OPERATING INSTRUCTIONS**

### **Inserting the Earplugs**

Hold the earplug by the loop. Gently insert the ear tip into your ear canal.

Twist the earplug slightly to secure it in place until it feels comfortable and snug. The loop should sit flush against your ear and not stick out or be visible from the front.

## **Disconnect**

Reduce noise and get in your quiet bubble

## **Instant calm**

Better sleep, deeper focus and more at your fingertips

## **Dreamy comfort**

Flexible soft-touch silicone for comfort day and night

## **Eco-friendly**

Reusable earplugs made to last up to 5 years

## **Removing the Earplugs**

Gently twist and pull the earplug outwards from your ear. Avoid sudden or forceful removal.

## **MAINTENANCE**

To ensure hygiene and longevity, clean your Loop Quiet 2 earplugs regularly.

- Detach the silicone ear tips from the earplugs.
- Wash both the earplugs and ear tips with warm water and mild soap.
- Rinse thoroughly to remove all soap residue.
- Allow them to air dry completely before reassembling or storing.

Store your earplugs in the provided portable carry case when not in use to protect them from dust and damage.

## **TROUBLESHOOTING**

### **Earplugs are uncomfortable or fall out:**

This usually indicates an incorrect ear tip size. Refer to the "Choosing the Right Ear Tip Size" section and

try a different size.

### **Noise reduction is insufficient:**

Ensure the earplugs are inserted correctly and form a snug seal. Experiment with different ear tip sizes to achieve optimal noise reduction.

### **Difficulty inserting:**

Gently twist the earplug as you insert it. If still difficult, try a smaller ear tip size.

## **SPECIFICATIONS**

- **Noise Attenuation:** 24 dB (SNR)
- **Material Type:** Flexible Silicone
- **Reusability:** Reusable
- **Item Form:** Pair
- **Product Dimensions:** 3.07 x 3.07 x 0.75 inches
