Olakids 10250

OLAKIDS Toddler Tower Model 10250: 4-in-1 Foldable Kitchen Stool Instruction Manual

Brand: Olakids | Model: 10250

PRODUCT OVERVIEW

The OLAKIDS Toddler Tower Model 10250 is a versatile 4-in-1 wooden learning tower designed to assist toddlers in various activities. It functions as a kitchen step stool, a kids' easel with a chalkboard, a toddler desk and chair set, and a resting chair. Constructed from solid pine and plywood, it features a safe design with smooth surfaces, round edges, a removable safety rail, and anti-tipping feet. This product is compliant with US CPSIA and ASTM requirements, ensuring safety and durability.

FEATURES

- **4-in-1 Collapsible Design:** Easily converts between a toddler step stool, kids' easel with chalkboard, toddler desk and chair set, and resting chair.
- **Multifunctional Step Stool:** Allows children to reach counter height, enabling participation in kitchen activities or use in the bathroom for hygiene tasks.
- **Kid-Friendly Material:** Made from solid pine and plywood with a burr-free, smooth surface and round edges. Features non-peel, kid and pet-friendly paint.
- **Safe Design Details:** Incorporates a stable trapezoidal structure, a removable safety rail, and two anti-tipping feet. Features a widened platform and hidden reinforced screws for enhanced safety. Maximum weight capacity is 132 lbs.
- **Versatile Beyond Toddlerhood:** Can be repurposed as an adult ladder stool or a storage shelf for plants or ornaments as children grow.
- **Certified Safety:** Compliant with US CPSIA and ASTM Requirements, free from BPA, PVC, Phthalates, Lead, Latex, and Formaldehyde. No sharp points or edges.

SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these instructions could result in serious injury.

- Always supervise children when using the Toddler Tower.
- Ensure all screws and fasteners are securely tightened before each use.
- Do not exceed the maximum weight capacity of 132 lbs (60 kg).
- Place the Toddler Tower on a flat, stable surface.
- Keep hands and fingers clear of moving parts during conversion between modes.
- Regularly inspect the product for any loose parts, damage, or wear. Discontinue use if any damage is found.
- The removable safety rail must be properly installed when used as a standing tower.
- Keep away from open flames or direct heat sources.

SETUP AND ASSEMBLY

Assembly is required. Please follow the steps below carefully. It is recommended to have two adults for assembly.

Assembly Video Guide

Your browser does not support the video tag.

This video demonstrates the assembly process for the OLAKIDS 4-in-1 Toddler Tower. It shows how to connect the various wooden panels and secure them with screws to form the complete structure.

Step-by-Step Assembly Instructions

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the parts diagram are present.
2. **Attach Latches:** Secure the metal latches to the designated points on the side panels using screws. These latches allow for folding and conversion.

- 3. Assemble Base Structure:** Connect the side panels to the base panel and the top panel using the provided screws and wooden dowels. Ensure the panels are oriented correctly.
- 4. Install Safety Rails:** Insert the wooden safety rails into the pre-drilled holes on the upper section of the side panels. Secure them with screws.
- 5. Attach Chalkboard:** Position the chalkboard between the upper side panels and secure it using the appropriate fasteners.
- 6. Install Anti-Tipping Feet:** Attach the two anti-tipping feet to the bottom of the base structure using screws and the black straps. These provide additional stability.

Figure 3: Key safety features including anti-tip feet.

7. **Final Checks:** Once assembled, double-check all connections to ensure they are tight and secure.

OPERATING INSTRUCTIONS

The OLAKIDS Toddler Tower offers four primary modes of use:

1. Toddler Step Stool / Learning Tower Mode

In this mode, the tower allows your child to safely reach counter height. Ensure the safety rail is securely in place. The trapezoidal structure provides stability. This mode is ideal for involving children in kitchen activities like washing hands, preparing food, or baking.

Figure 4: Toddler Tower in use as a kitchen helper.

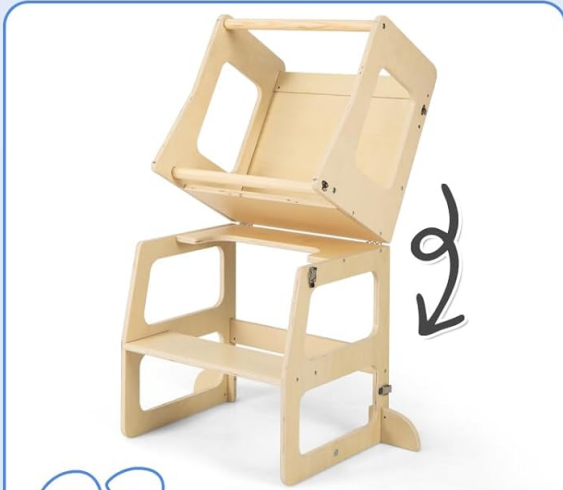

2. Kids' Easel with Chalkboard Mode

The integrated chalkboard allows for creative expression. To use, ensure the tower is in its upright position. Children can stand or kneel to draw and write on the chalkboard surface.

3. Toddler Desk and Chair Set Mode

To convert to a desk and chair set, unlock the side buckles and carefully fold the top section down. The tower transforms into a compact table with a seating area. This mode is suitable for drawing, reading, eating, or playing.

Safe & Sturdy Material

MAINTENANCE

- **Cleaning:** Wipe down the wooden surfaces with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals. Dry immediately after cleaning.
- **Chalkboard Care:** Use only standard chalk and a soft cloth or chalkboard eraser for cleaning. Do not use permanent markers.
- **Inspection:** Periodically check all screws, bolts, and connections to ensure they remain tight. Retighten as necessary.
- **Storage:** Store the Toddler Tower in a dry environment away from extreme temperatures and direct sunlight to prevent warping or damage to the wood.
- **Wood Care:** The product is made of solid wood and plywood. Avoid prolonged exposure to moisture.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Tower feels wobbly or unstable.	Loose screws or uneven surface.	Ensure all screws are tightened. Place the tower on a flat, level surface. Check anti-tipping feet installation.
Difficulty converting between modes.	Latches are stuck or parts are misaligned.	Ensure latches are fully disengaged. Gently adjust panels to align before folding. Do not force.
Chalkboard not erasing cleanly.	Incorrect cleaning method or type of chalk.	Use only standard chalk and a soft, damp cloth or chalkboard eraser. Avoid permanent markers.

SPECIFICATIONS

Brand: Olakids

Model Name: Toddler Tower

Model Number: 10250

Material: Wood (Solid Pine and Plywood)

Color: Natural

Product Dimensions (D x W x H): 19"D x 16"W x 36"H

Maximum Height: 36 Inches

Weight Capacity Maximum: 132 Pounds (60 kg)

Item Weight: 14.5 Pounds (6.5 kg)

Number of Steps: 2

Special Feature: Convertible

Is Foldable: Yes

Age Range Description: Toddler (Recommended for children 1+ year old)

Certifications: Compliant with US CPSIA and ASTM Requirements
