## 1. PRODUCT OVERVIEW

The RedLemon Farmhouse Queen Size Bed Frame is designed to enhance your bedroom with its rustic charm and practical features. It includes a 54-inch tall geometric headboard, two large storage drawers, and a robust wood slat support system for noise-free operation. This platform bed frame eliminates the need for a box spring, providing a sturdy and comfortable foundation for your mattress.

## 2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Assemble bed frame according to instructions:** Ensure all parts are correctly aligned and securely fastened as per the provided assembly guide.
- **Do not overload beyond recommended weight capacity:** The bed frame is designed to support up to 800 lbs. Exceeding this limit may compromise the structural integrity.
- **Handle packaging materials with care:** Keep plastic bags and small parts away from children to prevent choking hazards.
- **Regularly check fasteners:** Periodically inspect all bolts and screws to ensure they remain tight. Retighten if necessary.

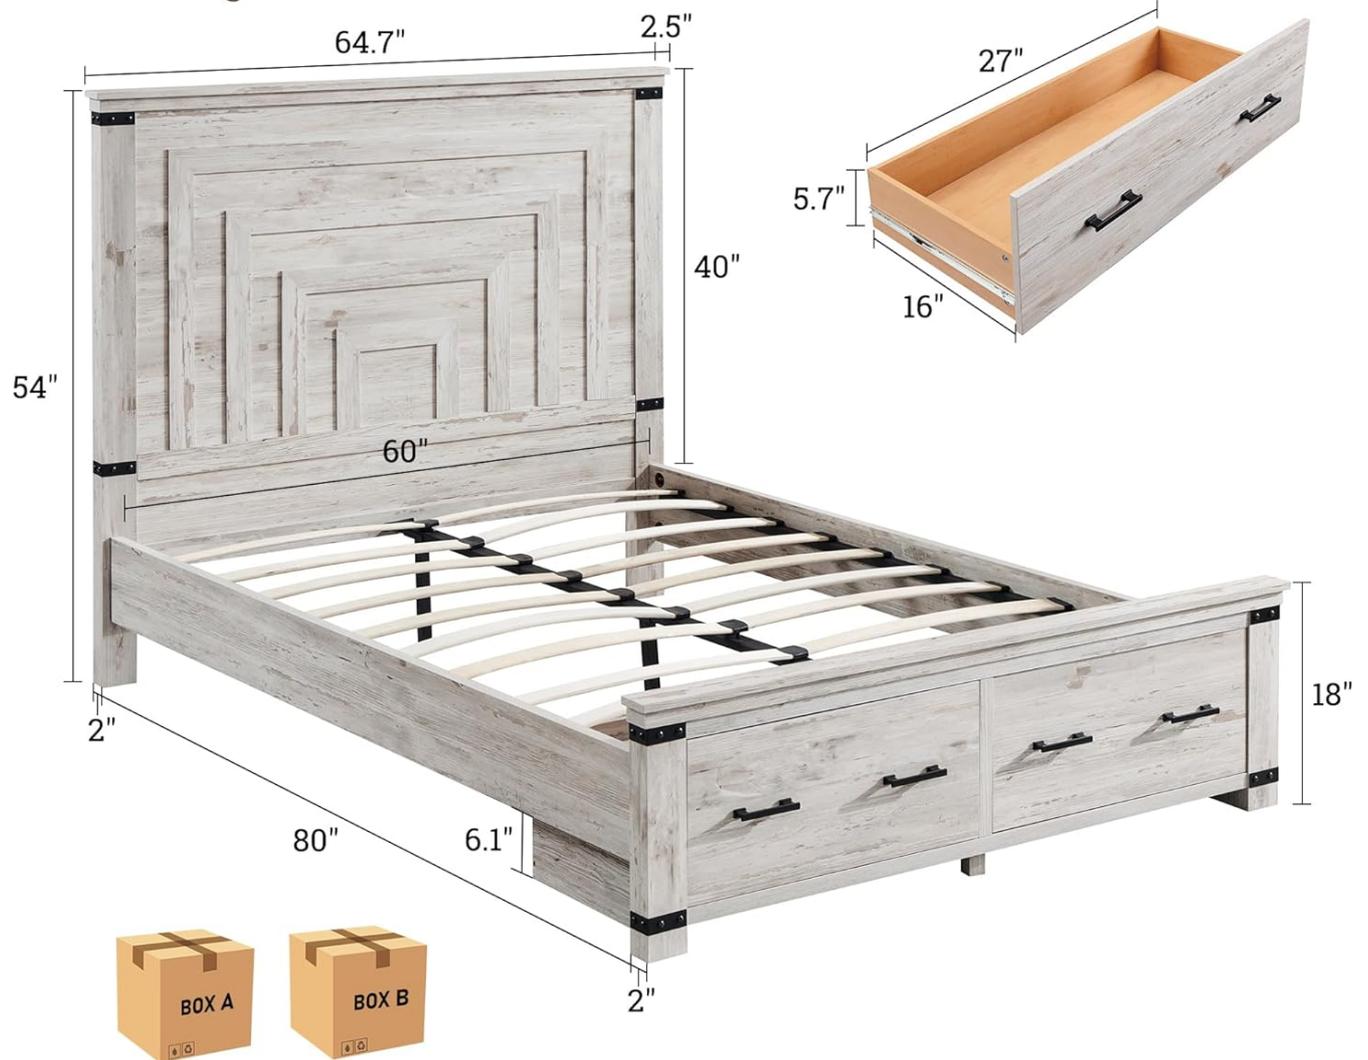

- **Avoid standing or jumping on the bed frame:** This can cause damage to the frame and slats.
- **Use on a level surface:** Ensure the bed frame is placed on a flat, stable floor to prevent wobbling and ensure proper support.

### 3. PACKAGE CONTENTS

The RedLemon Queen Platform Bed Frame is shipped in two separate packages. It is possible that these packages may not arrive on the same day. Please ensure you have received both packages before beginning assembly.

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly of the RedLemon bed frame is designed to be straightforward. Each part is labeled and numbered for easy identification. Please follow the clear instructions provided in the separate assembly manual included with your product.

### Key Assembly Points:

1. **Unpack all components:** Carefully remove all parts from both boxes and lay them out on a clean, soft surface to prevent scratches. Verify all components listed in the package contents are present.
2. **Attach the headboard and footboard:** Securely connect the side rails to the headboard and footboard using the provided hardware.
3. **Install the support structure:** Assemble the metal skeleton and attach the middle support legs as instructed.
4. **Place the wooden slats:** Position the 20 robust hardwood slats onto the bed frame. The upgraded locking system and nylon buckles ensure a secure and noise-free fit.
5. **Assemble and insert storage drawers:** Follow the instructions to assemble the two large wooden drawers and slide them into their designated positions at the foot of the bed.
6. **Final check:** Ensure all connections are tight and the frame is stable before placing your mattress.

### **2 Large Sliding Storage Drawers**

The metal handles are easy to grip and the high-quality slides ensure a quiet and smooth operation for easy access. Perfect for bedding, pillows, or seasonal clothing

## 5. USAGE AND FEATURES

### 5.1. 54" Tall Geometric Headboard

The impressive 54-inch tall headboard features a graceful geometric high-low veneer pattern, adding a sophisticated touch to your bedroom. It provides optimal support for your back and neck, making it ideal for lounging, watching TV, or reading comfortably in bed.

## 5.2. Integrated Storage Drawers

The bed frame includes two large wooden storage drawers positioned at the foot of the bed. Each drawer has a capacity of approximately 27"W x 16"D x 5.7"H. These drawers feature sturdy metal handles and smooth slides, allowing for effortless access to your stored items. They are perfect for keeping bedding, pillows, or seasonal clothing organized and protected from dust, maximizing your bedroom's storage potential.

### 5.3. Noise-Free Wood Slats Support

The bed frame is equipped with 20 robust hardwood slats and an upgraded locking system, ensuring a stable and noise-free sleeping experience. This design provides exceptional support for your mattress without the need for a box spring.

### 5.4. Elevated Footboard and Under-Bed Clearance

The 18-inch elevated footboard complements the design and helps keep your mattress securely in place. Additionally, the generous under-bed clearance (approximately 6.1 inches) allows for easy cleaning, including access for sweeping robots.

## 6.1" Ample Underbed Storage

Allow sweeping robots to easily enter for convenient cleaning

## 18" Elevated Footboard

Prevent mattress displacement

## 6. CARE AND MAINTENANCE

Proper care and maintenance will help prolong the life and appearance of your RedLemon bed frame.

- **Cleaning:** Wipe the bed frame with a dry cloth to remove dust and dirt. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the distressed finish.
- **Regular Inspection:** Periodically check all bolts, screws, and connections to ensure they are secure. Tighten any loose fasteners to maintain stability and prevent creaking.
- **Drawer Maintenance:** Keep the drawer slides clean and free of debris to ensure smooth operation. If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the wood finish to fade or change color over time.
- **Protect from Moisture:** Avoid placing the bed frame in areas with high humidity or direct contact with water to

prevent warping or damage to the wood.

## 7. TROUBLESHOOTING

This section addresses common issues you might encounter with your bed frame.

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose bolts or screws; uneven floor surface.	Ensure all assembly bolts and screws are tightened securely. Move the bed to a level surface or use shims under the legs if the floor is uneven.
Squeaking noises from the bed frame.	Loose connections; friction between slats and frame.	Retighten all bolts. Check that slats are properly seated and not rubbing against the frame. The upgraded locking system is designed to minimize noise.
Storage drawers are difficult to open/close.	Debris in drawer slides; misaligned drawers.	Clean the drawer slides to remove any dust or debris. Ensure the drawers are correctly aligned on their tracks. A small amount of silicone spray can improve smoothness.
Missing parts during assembly.	Packages may arrive separately; oversight during packing.	Verify if both packages have arrived. If parts are still missing, contact RedLemon customer support with your model number and a list of missing components.
