FORIOUS 10-Inch Matte Black Ceiling Mount Rain Shower System with Handheld Spray User Manual

1. INTRODUCTION

Thank you for choosing the FORIOUS 10-Inch Matte Black Ceiling Mount Rain Shower System with Handheld Spray. This manual provides essential information for the safe and correct installation, operation, and maintenance of your new shower system. Please read all instructions carefully before installation and retain this manual for future reference.

2. PRODUCT FEATURES

- **Immersive Rain Shower Experience:** Enjoy two distinct shower modes – a wide rain shower head for a gentle, full-body soak and a versatile handheld shower head for targeted rinsing.
- **Consistent Water Temperature:** Equipped with a solid brass pressure balance valve, this system maintains a stable water temperature, preventing sudden changes caused by other household water usage. The system is CUPC certified, meeting ASME A112.18.1-2018/CSA B125.1-18 standards.
- **Drip-Free Design:** Both the rain shower head and handheld shower head incorporate built-in check valves to effectively prevent dripping after use.
- **Adjustable Flow Control:** The pressure balance valve features adjustable hot and cold water flow settings, allowing customization to your preference. This also simplifies valve core replacement without needing to shut off the main water supply.

- **Durable Construction:** Components are crafted from high-quality materials, including 304 stainless steel for the rain shower head and hose, and solid brass for the handheld showerhead, rough-in valve, and shower bracket.

Pressure-Balanced Valve Cartridge

Effectively eliminate water hammer noise. No sudden temperature changes from toilet flushing or running appliances.

3. PARTS LIST

Please verify that all components are present and undamaged before beginning installation. If any parts are missing or damaged, please contact FORIOUS customer support.

- 10-inch Rain Shower Head (304 Stainless Steel)
- Handheld Showerhead (Solid Brass)
- 8.66-inch Ceiling Mounted Shower Arm (304 Stainless Steel)
- Rough-in Valve (Solid Brass)
- Shower Bracket (Solid Brass)
- 59-inch Shower Hose (304 Stainless Steel)
- Installation Accessories (screws, seals, etc.)

PART LISTS

All the parts are included in the package. don't worry losing them!

4. SETUP AND INSTALLATION

Professional installation is recommended. Ensure the main water supply is turned off before starting. The standard US NPT 1/2 thread is compatible with most plumbing systems.

4.1. Rough-in Valve Installation

1. Identify hot and cold water inlets and outlets for the rain shower head and handheld shower.
2. Secure the rough-in valve to the wall studs according to local plumbing codes and the provided dimensions.
3. Connect the hot and cold water lines to the designated inlets on the valve.
4. Connect the outlet lines to the ceiling shower arm and the handheld shower bracket.
5. Ensure all connections are watertight using plumber's tape where necessary.
6. Before closing the wall, flush the water pipes to remove any debris and prevent blockages.

4.2. Trim Kit and Shower Head Installation

1. Once the wall is finished (tiled), cut off any excess material from the rough-in valve cover if needed.
2. Install the decorative trim plate and handle onto the rough-in valve.
3. Apply plumber's tape to the threads of the ceiling shower arm and screw it into the ceiling outlet.
4. Attach the 10-inch rain shower head to the ceiling shower arm, ensuring a secure fit.
5. Install the handheld shower bracket to the wall outlet, using plumber's tape on the threads.
6. Connect the 59-inch shower hose to the handheld shower bracket and the handheld showerhead.

5. OPERATION

Your FORIOUS shower system is designed for intuitive use with a single handle control.

- **Turning On/Off:** Lift the main handle to turn on the water flow. Push down to turn off.
- **Temperature Control:** Rotate the main handle left for hotter water and right for colder water. The pressure-balanced valve will maintain your selected temperature.
- **Flow Control/Diverter:** The diverter knob allows you to switch between the rain shower head and the handheld spray. Rotate the knob to select your desired water outlet.

6. MAINTENANCE

Regular cleaning and maintenance will ensure the longevity and optimal performance of your shower system.

- **Cleaning the Finish:** Use a soft cloth and mild soap or a non-abrasive cleaner specifically designed for matte black finishes. Avoid harsh chemicals, abrasive cleaners, or scouring pads, as these can damage the finish.
- **Cleaning Nozzles:** The rain shower head features touch-clean soft silicone nozzles. Simply rub the nozzles with your finger or a soft brush to remove mineral buildup and maintain optimal spray performance.
- **Valve Cartridge:** If water flow or temperature control becomes inconsistent, the valve cartridge may need cleaning or replacement. Refer to the installation video or contact a professional plumber. The flow control feature allows for easy servicing without shutting off the main water supply.
- **Hose Maintenance:** Periodically check the 59-inch stainless steel shower hose for kinks or damage. Ensure connections are tight to prevent leaks.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
No water flow or low pressure	Main water supply off; clogged nozzles; debris in pipes; valve issue.	Check main water supply; clean shower head nozzles; flush pipes (during installation); inspect valve cartridge.
Inconsistent water temperature	Pressure balance valve issue; hot/cold water supply imbalance.	Check pressure balance valve cartridge; ensure adequate hot/cold water supply pressure.
Leaking from connections	Loose connections; worn seals; insufficient plumber's tape.	Tighten connections; replace seals; reapply plumber's tape.
Dripping after shut-off	Check valve not functioning correctly.	Inspect or replace the check valves in the shower heads.

8. SPECIFICATIONS

Feature	Detail
Brand	FORIOUS

Feature	Detail
Model Number	FB01011B-10-Black
Color	Matte Black
Finish Type	Matte
Rain Shower Head Size	10 inches
Mounting Type	Ceiling Mount
Number of Handles	1
Flow Rate	1.8 GPM (6.8 L/min) at Max 80 PSI
Main Materials	304 Stainless Steel (Shower Head, Hose), Solid Brass (Valve, Handheld, Bracket, Handle)
Included Components	10 Inch Rain Shower Head, 8.66 Inch Ceiling Mounted Shower Arm, Handheld Shower Head, Shower Bracket Holder, 59 Inch Shower Hose, Rough-in Valve
Certifications	CUPC (ASME A112.18.1-2018/CSA B125.1-18)

9. WARRANTY AND SUPPORT

FORIOUS products are manufactured to high-quality standards and are backed by a manufacturer's warranty. For specific warranty details, product support, or to order replacement parts, please contact FORIOUS customer service through their official website or the retailer where the product was purchased. Please have your model number (FB01011B-10-Black) and proof of purchase ready when contacting support.
