SETUP

Mounting Options

Your TOSHIBA 50C350NP TV supports both wall mount and table mount configurations. Ensure proper installation according to the chosen method.

- **Table Mount:** Attach the provided table stands securely to the base of the TV. Place the TV on a stable, level surface.
- **Wall Mount:** For wall mounting, use a compatible VESA wall mount kit (sold separately). Follow the wall mount manufacturer's instructions carefully.

Connecting Devices

The TV offers various ports for connecting external devices. Refer to the diagram below for port locations.

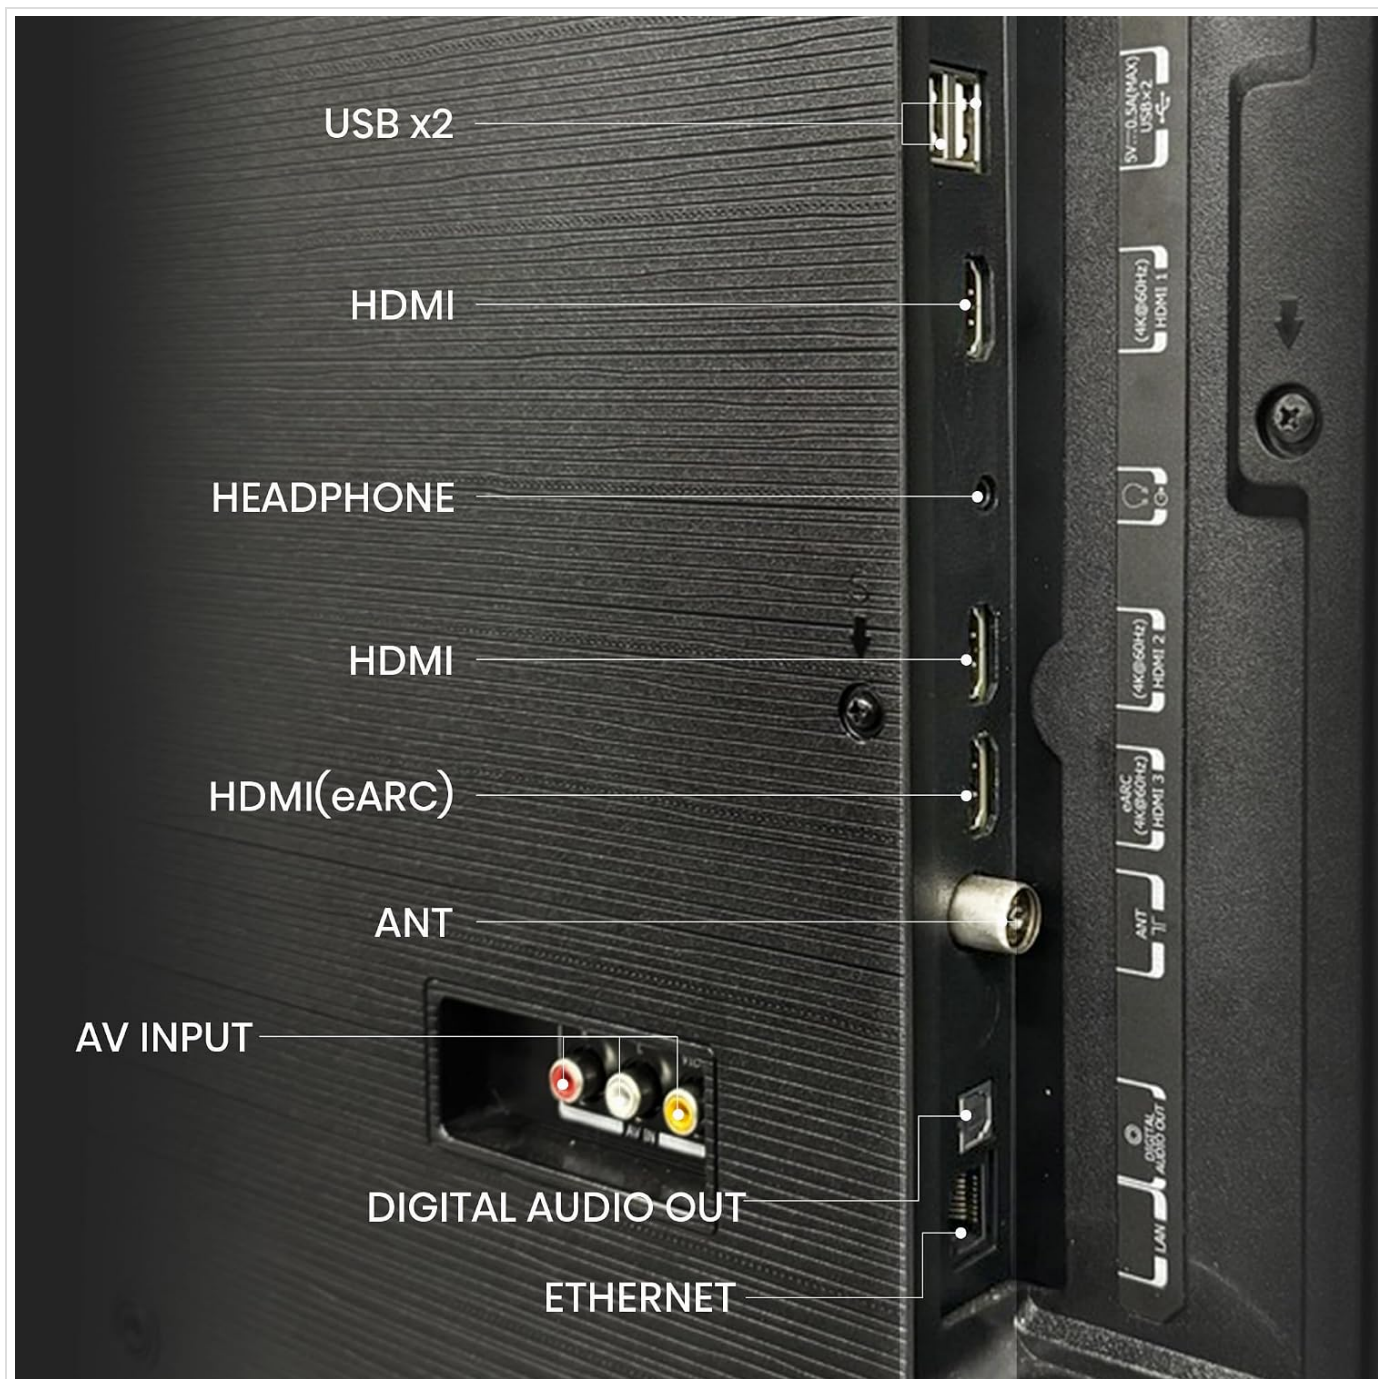

Image: Detailed view of the rear connectivity panel of the TOSHIBA 50C350NP TV, labeling ports such as USB, HDMI, Headphone, AV Input, Digital Audio Out, Ethernet, and ANT (RF).

- **HDMI Ports:** Connect set-top boxes, gaming consoles, Blu-ray players, or other HDMI-enabled devices. The TV has 3 HDMI ports, with one supporting eARC for enhanced audio return channel functionality.
- **USB Ports:** Two USB ports are available for connecting hard drives, USB flash drives, or other USB devices for media playback.
- **Ethernet (RJ45):** For a wired internet connection.
- **AV Input:** Connect older devices using composite video and stereo audio cables.
- **RF Input (ANT):** Connect an antenna for receiving broadcast television signals.
- **Optical Digital Audio Output (SPDIF):** For connecting to external audio systems or soundbars.
- **Earphone Jack:** For connecting headphones.
- **Built-in WiFi & Bluetooth:** For wireless network and device connections.

OPERATING INSTRUCTIONS

Basic Operation

Power on the TV using the remote control or the power button on the TV. Follow the on-screen prompts for initial setup, including language selection, network connection, and channel scanning.

Smart TV Features (Google TV)

Your TOSHIBA 50C350NP TV runs on Google TV, providing access to a wide range of applications and services.

- **Google Assistant:** Use voice commands to search for content, control smart home devices, and get information.
- **Supported Apps:** Access popular streaming services like Netflix, YouTube, Prime Video, Hotstar, SonyLiv, Hungama, JioCinema, Zee5, Eros Now, and many more available through Google Play.
- **Screen Mirroring:** Share content from your mobile devices or computers using DLNA, Chromecast built-in, Miracast, and Apple AirPlay.
- **Sleep Timer & On/Off Timer:** Configure the TV to turn off or on automatically at specified times.

MAINTENANCE

- **Cleaning the Screen:** Gently wipe the screen with a soft, dry, lint-free cloth. For stubborn marks, use a screen cleaner specifically designed for televisions, applied to the cloth, not directly to the screen.
- **Cleaning the Cabinet:** Use a soft, dry cloth to wipe the TV cabinet. Avoid using abrasive cleaners or solvents.
- **Ventilation:** Ensure the ventilation openings on the back of the TV are not blocked to prevent overheating.
- **Power Cord:** Regularly check the power cord for any damage. If damaged, contact qualified service personnel for replacement.

TROUBLESHOOTING

Before contacting customer support, refer to the following common issues and solutions:

Problem	Possible Solution
No power	Check if the power cord is securely plugged into the TV and the power outlet. Ensure the power outlet is active.
No picture, but sound is present	Verify the correct input source is selected. Check cable connections to external devices.
No sound, but picture is present	Check the volume level and mute status. Ensure audio cables are correctly connected. Check TV audio output settings.
Remote control not working	Replace the batteries. Ensure there are no obstructions between the remote and the TV. Re-pair the Bluetooth remote if necessary.
Cannot connect to Wi-Fi	Ensure the Wi-Fi router is on and within range. Re-enter the Wi-Fi password. Try restarting the TV and router.
