hadbleng Q22-B

hadbleng Bluetooth Sport Earbuds User Manual

Model: Q22-B

Brand: hadbleng

INTRODUCTION

Thank you for choosing the hadbleng Q22-B Bluetooth Sport Earbuds. These wireless earbuds are designed for an active lifestyle, offering extended battery life, clear audio, and a secure, comfortable fit. This manual provides detailed instructions on how to set up, operate, and maintain your earbuds to ensure optimal performance and longevity.

PACKAGE CONTENTS

Please ensure all items are present in your package:

- 2 x hadbleng Q22-B Earbuds (Left and Right)
- 1 x 2600 mAh Charging Case
- 1 x Type-C Charging Cable
- 6 x Ear Caps (S/M/L sizes)
- 1 x User Manual

SETUP

1. Initial Charging

Before first use, fully charge both the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots.
2. Connect the Type-C charging cable to the charging port on the case and the other end to a USB power adapter (not included) or a computer's USB port.
3. The LED display on the charging case will show the battery level. Allow approximately 2 hours for a full charge.

Emergency Power

2600mAh portable charging case provides convenient charging for your devices

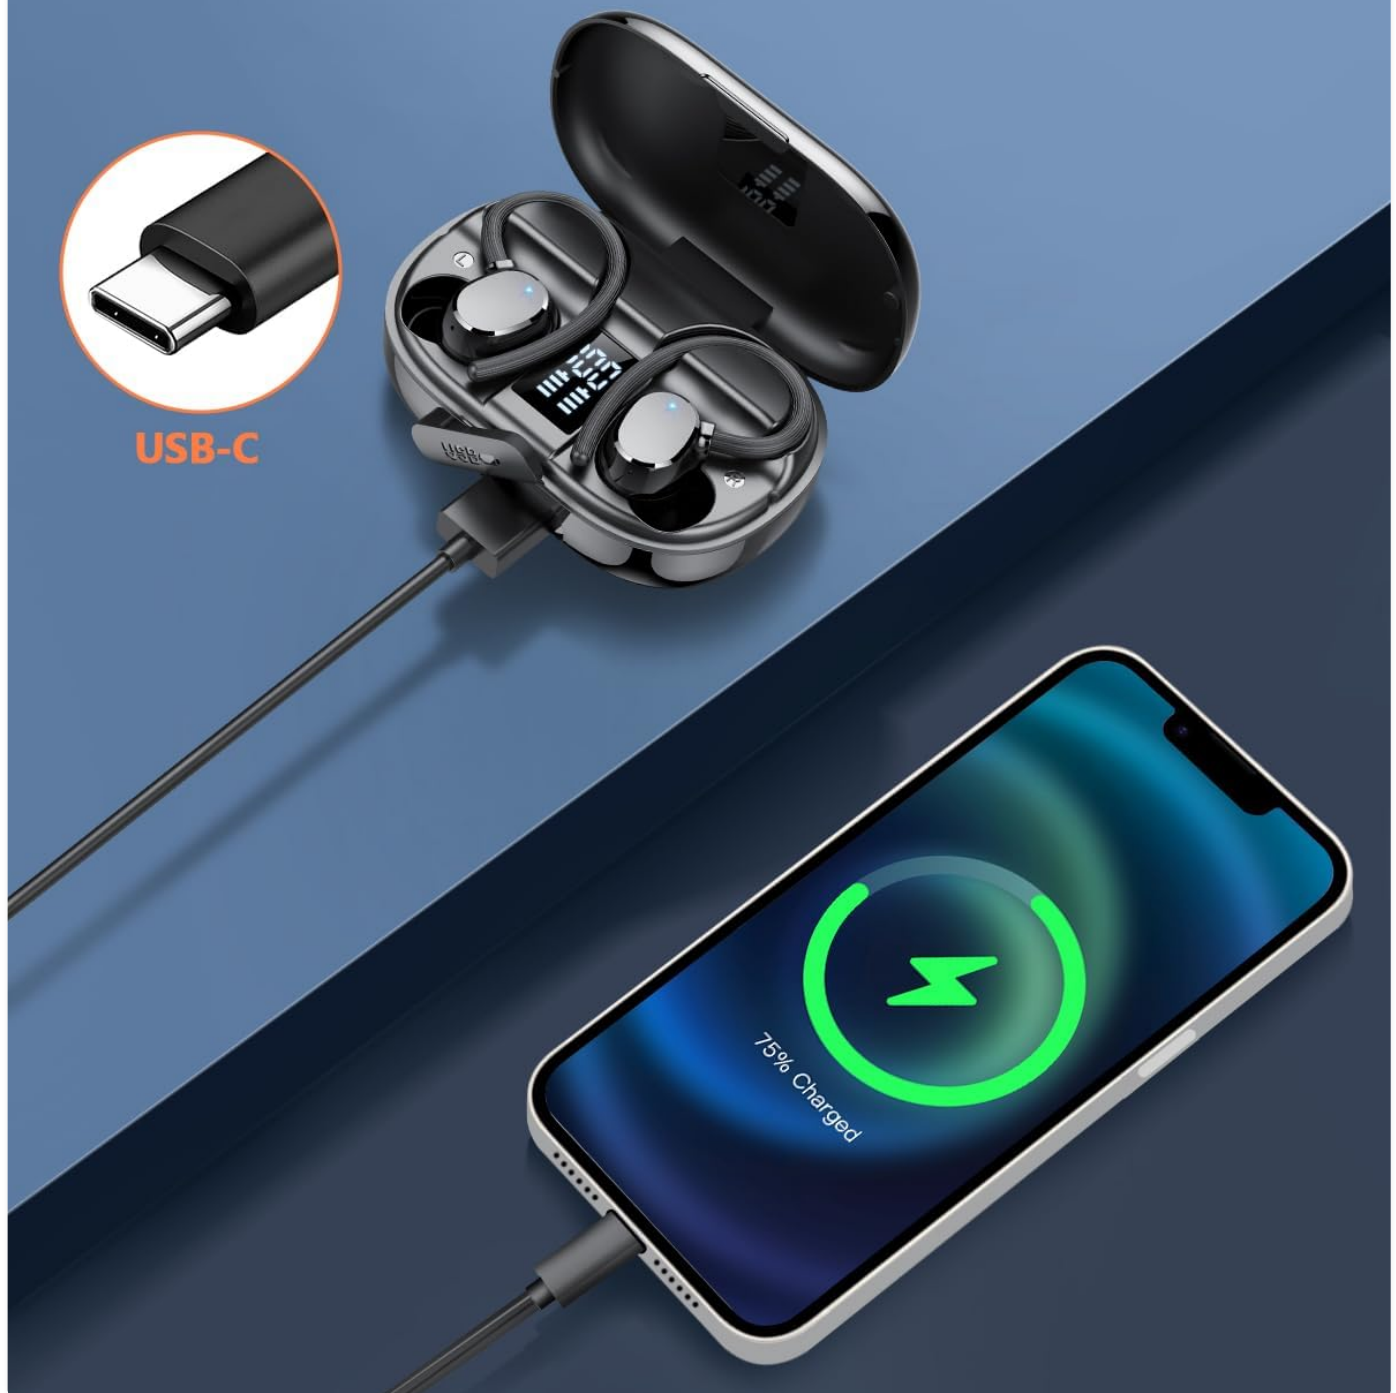

Image: The charging case connected via USB-C cable, demonstrating its emergency power feature for charging other devices like a smartphone.

2. Selecting Ear Tips

Choose the ear tips that provide the most comfortable and secure fit for optimal sound quality and noise isolation. Three sizes (S, M, L) are included.

OPERATING INSTRUCTIONS

1. Pairing with Your Device (One-Step Pairing)

The earbuds feature one-step pairing for quick and easy connection.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "Q22" in the list of available Bluetooth devices and select it to connect.
4. Once connected, the earbuds will automatically reconnect to the last paired device when taken out of the case.

One Step Pairing

Pick the earbuds out of the case, auto connect with your device

Image: A smartphone displaying its Bluetooth settings, showing the "Q22" earbuds ready for connection, illustrating the one-step pairing process.

2. Smart Touch Controls

The earbuds are equipped with intuitive touch controls on the outer surface of each earbud.

Action	Control
--------	---------

Action	Control
Play/Pause	Single tap on either earbud
Next Track	Double tap on the Right earbud
Previous Track	Double tap on the Left earbud
Volume Up	Triple tap on the Right earbud
Volume Down	Triple tap on the Left earbud
Answer/End Call	Single tap on either earbud
Reject Call	Long press (2 seconds) on either earbud
Activate Voice Assistant (Siri, Google Assistant)	Long press (3 seconds) on either earbud

Smart Touch Control

The controls are tap-based and reasonably simple to use while you're in motion. Easily control music and calls.

KEY FEATURES

Extended Battery Life

Enjoy up to 8 hours of listening time on a single charge for the earbuds, with the 2600 mAh charging case providing an additional 120 hours, totaling up to 128 hours of music playback. The dual LED display on the case shows real-time battery status for both

earbuds and the case.

Image: The earbuds and charging case illustrating the impressive 128 hours of total battery life, with a clear indication of Type-C fast charging capability.

ENC Noise Cancelling Microphone

Equipped with 4 ENC (Environmental Noise Cancellation) microphones, these earbuds automatically attenuate ambient noise, ensuring clear and uninterrupted calls even in noisy environments.

ENC Noise Cancelling

4 ENC noise-canceling microphone technology automatically attenuates ambient noise to ensure clear and uninterrupted calls

Image: A diagram highlighting the ENC Noise Cancelling feature, showing the placement of the noise-canceling microphone and its function in reducing ambient noise for clearer calls.

Hi-Fi Stereo Sound Quality

Experience rich, immersive audio with 13.44mm dynamic drivers, delivering crisp highs, clear mids, and deep bass for an exceptional listening experience.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Remove and clean the ear tips periodically with mild soap and water. Ensure they are completely dry before

reattaching.

- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not in constant use.

TROUBLESHOOTING

Problem	Possible Cause / Solution
Earbuds not pairing	Ensure earbuds are charged. Make sure Bluetooth is enabled on your device. Place earbuds back in the case, close, then reopen to re-enter pairing mode. Forget "Q22" from your device's Bluetooth list and try pairing again.
Only one earbud working	Ensure both earbuds are charged. Place both earbuds back in the charging case, close the lid, wait a few seconds, then take them out again. This often resynchronizes them.
Low volume or poor sound quality	Adjust volume on both your device and the earbuds. Ensure ear tips are correctly sized and sealed in your ear canal. Clean any debris from the earbud nozzles and ear tips. Move closer to your device to avoid interference.
Charging case not charging	Check the Type-C cable and power adapter. Try a different cable or adapter. Ensure the charging port on the case is clean and free of debris.

SPECIFICATIONS

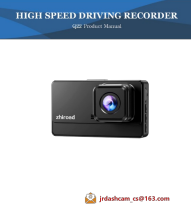

Feature	Detail
Model Number	Q22-B
Brand	hadbleng
Connectivity Technology	Wireless (Bluetooth)
Bluetooth Version	5.3
Earbud Battery Life	Up to 8 hours per charge
